

SCHG Access to Care Grant 2026

\$50,000-\$500,000 in Funding for Medical Clinics Serving Underserved Communities

Grant Overview

The SCHG Access to Care Grant supports medical clinics in the local area that primarily serve Medi-Cal and Medi-Medi patients and are operating with limited financial resources. This initiative provides grants of \$50,000-\$500,000 (depending on clinic size and frequency of patient visits) to strengthen operational stability, improve access to care, and enhance service capacity for clinics delivering essential services to low-income, underserved, and publicly insured populations.
