Dandux fabric trucks are available in standard colors of heavy-duty white canvas or yellow Glosstex. Most Dandux fabric trucks are also available in the five additional Glosstex colors.

# DANDUX 51-1401 POLY SHELF TRUCK PRODUCT SHEET

## STYLE "B" ROLL DOWN DUST COVER

## OPTIONAL FABRIC DUST COVER STYLES

**A** – Free hanging roll up cover with straps to secure the cover in the rolled-up position

**B** – Same features as Style "A" with the addition of Velcro strips mounted to the truck front to secure the cover in the rolled-down position

**C** – Slanted cover that fits like a cap over the top and extends down to cover the open portion of the truck

**D** – Slanted cover with a front Velcro front flap that fits like a cap over the top and extends down to cover the open portion of the truck

**E** – Full truck cover with a zippered front flap

## SECURITY ENCLOSURE WITH HINGED TOP

The Dandux optional security features provide peace of mind when moving or storing sensitive materials such as expensive merchandise, medications, medical supplies, or other items where security is an issue.

## TOW PACKAGES

Do you have multiple carts to haul internally and would like to train your carts together to maximize time and resources? Let us know, we can customize your Dandux Poly Shelf Truck with a tow package to fit your need
