At the on-set of the pandemic, C.R.Daniels, Inc put it's 102 years of production know-how to use making much needed PPE. Face Masks and protective gowns replaced tote bags and covers on our sewing lines.

Now, for a limited time we're making our MADE IN USA face mask inventory, along with some imported options, available at greatly reduced quantity pricing. Other quantities also on sale. Quantities are limited, so order from our website TODAY!

We're happy to mix and match colors or sizes in multiples of 10 at volume pricing— please call us to place your order

MADE IN USA - Two Ply Cotton Poly Face Mask with ELASTIC EAR LOOPS

AS LOW AS **\$ 4.74** each with **FREE SHIPPING**

Help STOP THE SPREAD with these MADE in the USA - Two-Layer 60/40 Cotton/Poly Face Masks.
