

**Bogotá D.C., March 1, 2024**

**From: Asociación Colombiana de Ingenieros de Sistemas / Colombian Association of System Engineers (ACIS)**

### **MEMBERSHIP CERTIFICATION**

To whom it may concern,

Hereby, the Colombian Association of System Engineers (ACIS) certifies that Carlos Felipe Téllez Castaño, identified with citizenship ID number 80.757.229, has been an active member of our association since August 10, 2023, fully leveraging the benefits of his membership to foster his professional and academic development in the field of systems engineering.

During his membership, Carlos Felipe has shown exceptional commitment to professional development and to advancing systems engineering in Colombia. He has actively participated in events within the Association and, in parallel, has been working on research, especially in the areas of artificial intelligence, cybersecurity, and quantum computing.

We recognize Carlos Felipe Téllez Castaño for his dedication and significant contributions to our community of systems engineers. His work continues to positively influence technological progress and innovation in our field.

Sincerely,

**BEATRIZ E. CAICEDO R.**  
**Directora Ejecutiva**
