

Ariel's Medicine Journey

PHYSICIAN PIPELINE PROJECT LAUNCH

**S P E A K E R**

Ariel Hus

- Dedicated Medical Candidate at Nova Southeastern University
- Medical expertise deeply rooted in trauma and orthopedic research
- Founder of Physician Pipeline Project
- In-house medicine consultant for the Leadership & Innovation Lab

Committed to equitable access and hands-on patient care

**LET'S HEAR FROM ARIEL,
FOUNDER OF PHYSICIAN PIPELINE PROJECT &
LIL'S IN-HOUSE MEDICINE CONSULTANT**

- Why did you decide to go into medicine?
- Are there things in the field that pleasantly or unpleasantly surprised you?
- Why did you choose this specialty?
- What advice would you give me - a student who is interested in medicine but unsure of anything else beyond that?

GUIDED BY EXPERIENCE, DRIVEN BY EQUITY.

Mission

to dismantle barriers to entry in the medical profession by providing free, high-quality expertise, guidance, and mentorship to underserved high school students.

Vision

a future medical field that reflects the rich diversity of the communities it serves, built upon a foundation of equity and universal access to opportunity.

Key Partnerships

Leadership & Innovation Lab's dedicated in-house medicine consultant, ensuring that students within the Lab receive quality guidance specific to the pre-med journey and medical career path.

Ariel will demonstrate the value of the Physician Pipeline Project by workshopping *live* Ryan's Bright Beats project!
