

Cairns Safer Streets

Manoora - Manunda - Mooroolbool

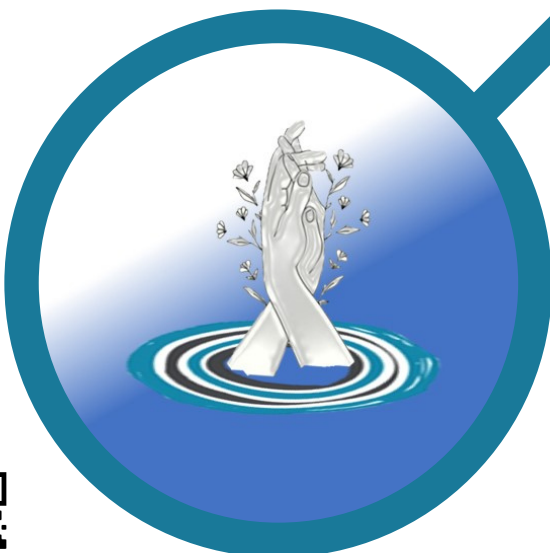

APRIL 2021 UPDATE

MOOROOBOOL WOMEN'S YARNING CIRCLE

Elders of the Mooroolbool Hub Women's Yarning Circle have been busy practicing their creativity with activities including sewing and crocheting calicos, face towels and adornments that glue on to hair clips. These items will be used to fund raise for the group.

The Yarning Circle provides the Mooroolbool women an opportunity to connect, talk about current issues and concerns and provide each other with strength, support and connection. Members of the group are passionate about supporting their children and grandchildren towards a healthy future.

HELPING FAMILIES FEEL SAFE

Through the Victims of Crime program, Cairns Safer Streets has continued its support of a family who have been impacted by crime and anti-social behaviours. Victims Assist QLD was engaged to support the family through an application for financial assistance to provide more security to the family, helping them to feel safe in their home.
