

# Cairns Safer Streets

Manoora - Manunda - Mooroolbool

## OCTOBER 2020 UPDATE

### CLEAN UP DAY - MANOORA

KEEPING IT CLEAN

October saw the community of Manoora band together and show community resilience for another clean-up day. Residents responded with a positive turn out enabling the themselves to work together in the spirit of beautification and preparing for cyclone season. Cairns Safer Streets team supported the event led by Priscilla from Department of Housing and Public Works and other community agencies in view of providing support and enhancing the liveability for the residents and the community of Manoora.

### FIRST AID TRAINING

The Cairns Safer Streets and SPAYC Cadets team took October as an opportunity for some professional development. All team members and SPAYC cadets successfully completed their First Aid training Qualifications. This training is one of many opportunities presented to our future leaders to enhance their capabilities in maintaining the community safety and well-being of Cairns West. Not to be out done by the SPAYC cadets, Naps and Andrew showed First Aid Training is for everyone regardless of age or ability.

STAFF DEVELOPMENT

### RIGHTS MATTERS

Time to collaborate and share knowledge and information. SPAYC + PLACE partner Queensland Human Rights Commission conducted an Introduction to the Human Rights Act 2019. The session was attended by staff from the Cairns Safer Streets and Queensland Police Service. The presentation provided participants with a sound understanding of the Human Rights Act 2019 with the use of scenario-based examples to generate discussions and learnings about its applications across the multiple Government Agencies that represent Cairns Safer Streets. Learnings will assist staff in assisting the greater community of Cairns West.
