P2C RECRUITS MEET ASH BARTY

Parks to Clubs recruits Yovhante and her sister Zaviora were lucky enough to experience what it's like to get up close and personal with legends of tennis recently, including having the opportunity to rally with Aussie legend and world number one ranked tennis player Ash Barty.

Coach Wayne Fielder of Baseline Tennis Coaching Academy and his team are currently supporting a group of aspiring champions to be their best and teaching them what it takes to succeed on and off the court.

THE LULLABY PROJECT

Our SPAYC Lullaby Project encourages participants using the songs, music, dance and drama across an 8 week program which weaves all elements into a theatrical piece to be performed early Sept 2020. Participants make use of the movement to build cultural understanding and social connections. The participants have met culturally diverse people, learned new skills, are having fun and staying active in their own community.

PLACED-BASED SUPPORT AT CWSS

Cairns Safer Streets has partnered with Cairns West State School, Act For Kids and The Maraway to provide a place-based service at the school every Thursday. Aligning with Education Queensland's 'Whatever It Takes' strategy, this concept is for families who require assistance with accessing additional supports including housing support, educational requirements and social supports.
