## JUNE 2020 UPDATE

RILEY MILES

### FAREWELL RILEY!

This month we wished farewell to our longest serving project team member Riley Myles. Riley has been on the Cairns Safer Streets working group as the representative from Department Aboriginal and Torres Strait Islander Partnerships (DATSIP) since its conception in September 2013. Riley was instrumental in the growth and development of what Cairns Safer Streets has become. We wish Riley all the best on her future endeavours.

### SPAYC CADETS INFORMATION SESSION

An enthusiastic group of young people attended an Information Session to learn about the inaugural SPAYC Cadets program which launches in July 2020.

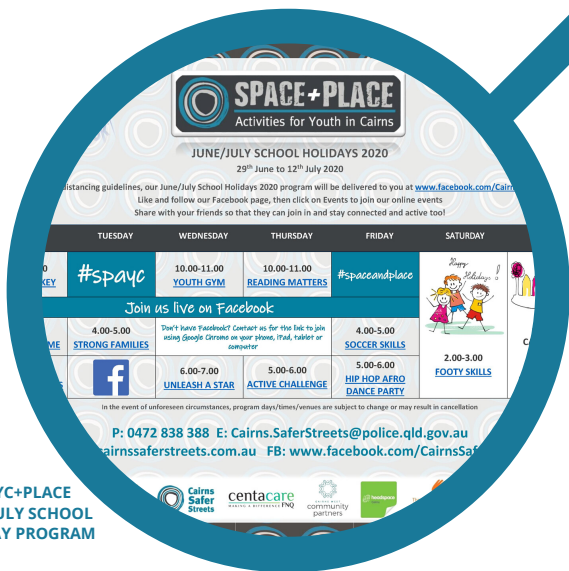

Participants took part in some fun activities to get to know each other and the program mentors. 15 young people aged between 14 and 25 years have made the commitment to be involved in the project. Over the next six (6) months, Cadets will receive one-on-one guidance from mentors, learn leadership skills, earn qualifications and gain working experience.

### SCHOOL HOLIDAY PROGRAM - ONLINE!

The SPAYC+PLACE June/July School Holiday Program was delivered via an online platform, utilising Facebook events to deliver 12 weekly activities. Due to the slight easing of current COVID-19 restrictions, this gave service providers a some flexibility to be able to meet their regular participants in local spaces to deliver their activities, with other participants able to join the activity as it was streamed live.
