

Cairns Safer Streets

Manoora - Manunda - Mooroolooloolo

FEBRUARY 2021 UPDATE

SPAYC+PLACE INDUCTION

18 Service Providers and Facilitators attended the SPAYC PLACE induction. Introduction to the SPAYC+PLACE Program gives each new members a great understanding of the values underpinning Cairns Safer Streets collaboration and the focus on community safety and connections. The induction streamlines the understanding of operational guidelines and provides each member the opportunity to meet other facilitators and partners who also attended.

PARTNERS WORKSHOP

The SPAYC+PLACE Partnership Group participated in a full day workshop. The purpose of the meeting was to align current needs with the Cairns Safer Street objectives.

THANK YOU BIG W

Huge thanks from the youth and community of Mooroolooloolo. Recently donated goods brought huge smiles and planning for Youth Yarns and afterschool activities for the Mooroolooloolo Park and Mooroolooloolo Hub by the youth. First session preference from their BigW donation was Ten Pin Bowling and Serious-High-Energy-Ping-Pong. Showing awesome teamwork and initiative, we are off to a super start!!! I hope this finds you all well with extended thanks for your heart and hands in support.
