MACDONALD INSPIRES

Petrus Sewi is a Phoenix SCC SPAYC + PLACE gold star attendee, participating in SPAYC netball and tag at Shang Park. Petrus generated interest in playing club tag after meeting current NRL Cronulla Sharks and local Cairns football player Nene MacDonald at one of Phoenix SCC Tag sessions in Term 1.

Petrus had the opportunity to meet Nene and hearing his story about growing up on Shang Street. Nene and Petrus shared stories about his upbringing and pointed out his old home, this really inspired Petrus to get into club sport.

FAMILY PASSES THE TEST

FIT Together family members, Trudy and her eldest son Dylan recently attended the drivers licencing program at The Maraway Community Hub. We are delighted that they both successfully passed the Learners Licence test and will soon receive their licences. This is a huge achievement for the family, not only for receiving their licence, but also because mother and son have both gained self-confidence, were able to bond throughout the process and now they can celebrate this milestone together as a family.
