COVID-19 UPDATE 2 Activities Cancelled

In light of the current COVID-19 situation that we are currently facing, the decision has been made to cancel all remaining SPAYC+PLACE activities which are scheduled for Term 1, 2020, effective immediately.

Activity cancellations will not incur penalty and we can assure you that Service Providers will be paid for their contracted activities as per current work orders.

We are uncertain as to when activities will recommence and we will continue to monitor the situation closely.

When it is deemed safe to resume activities Cairns Safer Streets will contact you directly to ascertain your availability for future programming.

Please send through your remaining attendance data and final invoice for Term 1, 2020 by this Friday 27th March 2020 so that we are able to process these as timely as possible.

For cancelled sessions we require you to submit an Online Activity Record, with your attendance sheet showing a zero (0) attendance.

We thank you for your understanding and for your continued dedication to this program.
