Doing What We Can One Kilowatt-Hour at a Time!

The Solar Club™ is a unique loyalty program designed specifically for solar micro-generators. Earn a premium on your solar electricity and help further green Alberta's electricity grid.

Pre-Solar Rate™

7.28¢ /kWh

This Solar Ready™ program will save you money while you wait for your solar to be installed and go live.

LO Rate

8.49¢ /kWh

Once your site is designated for micro-generation, it will automatically be switched to the LO Rate.

HI Rate

30.0¢ /kWh

Switch to the HI Rate at any time. Intended for Members exporting more energy to the grid than they are importing.

You're in Control: Switch between our HI and LO Rates to accommodate seasonal generation fluctuations as you wish, with the help of our monthly analytics reports.

Cash Back: Get 3% cash back on all energy imported from the grid, and an additional 3% cash back on bundled natural gas usage

Carbon Credits: Access our Carbon Offset Credit Platform to sell the carbon credits generated by your system.

Pick a Date: Choose the date for your monthly invoices to be withdrawn from your account.

Credit Balance Transfer: Use a credit balance from your microgen account to pay off one or more upcoming invoices.
