RIVER OF DEATH!

Instead, the President and his successor pretended that these obvious war crimes were done without Pentagon involvement and were 'rogue guards' doing it for psychological reasons, not official policies. But this is all a lie and now that Wikileaks has exposed these crimes as DIRECT POLICY, we must take action. Arrest the bastards.

ΩA number of people have been punished for much less criminal actions that ape the ones we do and this is done only to strike fear into the hearts of petty dictators or people we want to crush. But the legal documentation has been relentlessly building up since WWII and it all points to one conclusion: many if not most US generals and especially, Presidents and Secretary of States should be executed. Starting with Kissinger.

ΩOf course, even while committing war crimes, these same people get Nobel Peace Prizes which is really, really demented and shows how insecure our rulers are since they know perfectly well, Kissinger deserved no such thing during the Vietnam War, nor has Obama deserved anything at all, he did nothing for this award and has since then, worked with the Pentagon to attack whistle blowers, cover up torture and has expanded our wars in Pakistan which is now broiling over in great violence.

ALL THESE BASTARDS NEED TO SWING, MAYBE THEN WE MIGHT HAVE OUR WORLD BACK

THEY ARE BRINGING THEIR NAZI TORTURE TO AMERICA NOW WITH THEIR COINTELPRO, AGENDA 21 & DIRECTED ENERGY WEAPONS

The federal subpoena orders Rove to testify in deposition. Our attorney, Cliff Arnebeck, intends to ask Mr. Rove about his role in the theft of the 2004 election, and to discuss his orchestration of tens of millions of corporate/billionaire dollars in the one coming up on November 2, 2010.

As co-counsel and plaintiff in the on-going King-Lincoln-Bronzeville federal lawsuit, we have fought for six years to win justice and full disclosure in an election that Rove stole for George W. Bush.

NOW IF WE CAN JUST GET THE BASTARDS FOR WAR CRIMES AND TORTURE RIGHT HERE IN AMERICA

Ramsey Clark, former U.S. Attorney General has led the way in this historic effort.

To you and other IndictBushNow supporters, Mr. Clark states: “This effort can succeed because of the work of thousands of people here and around the world who are unflagging in their pursuit of justice and government accountability. This is a struggle that will be defining not only for this but for future generations. The outcome will send a message to current and future leaders that criminal conduct will never be tolerated or condoned.”

The NWO is on the verge of establishing in N.A. and globally their anti-human rights and dictatorial *one world government* but even more important to them is their *one world religion* which is esoteric masonry or the worship of the fallen angel Lucifer (SATANISM).

<http://www.pacinst.com/terrorists/preamble.html>

THIS IS TRUE FOLKS, I SHOULD KNOW I LIVE ON LONG ISLAND, NY A HUGE ROMAN CATHOLIC COMMUNITY, THESE BASTARDS ARE EVERYWHERE AND THEY ARE SINISTER SOBs

When U.S. President Harrison stated that, “we admit of no government by divine right,” he was declaring that he and the United States were in no way going to submit to the Pope’s control.

To the Roman Catholic Pope and his heinous Jesuits, this was a slap in the face that they felt must be dealt with immediately.

It was not U.S. President Harrison alone that had rejected Rome’s authority, for he was simply stating what the Declaration of Independence and the Constitution had declared before him.

For these words of defiance against the Roman Church Head, the Pope & his SS, the Jesuits, just one month and five days from that day, President Harrison lay a corpse in the White House.

U.S. President Harrison died from arsenic poisoning, administered by the tools of Rome.

I SEE REFERENCED IN THIS STUDY THE U.S. ARMY WAR COLLEGE IN CARLISE, PA

I HAD A SPECIAL FORCES COMMANDER, RICHARD POTTER (COLONEL),10TH SPECIAL FORCES(A)WHO PRACTICALLY LIVED AT THE WAR COLLEGE BETWEEN SPECIAL FORCES ASSIGNMENTS. HE WAS AN ABSOLUTE NUT CASE, A LITTLE NAPOLEON ONLY STOOD ABOUT FIVE FEET TALL AND HAD THE BIGGEST CHIP ON HIS SHOULDERS I EVER SAW, USED TO MAKE HIS OFFICERS DO PUSH UPS IN THE CHOW LINE. HE RULED WITH FEAR, INTIMIDATION AND TERROR, DOES THAT SOUND FAMILIAR WITH WHAT IS GOING ON IN THE COVERT BLACK OPS HARASSMENT AND SURVEILLANCE PROGRAMS. I WROTE ABOUT THIS NUT IN SOME OF MY WRITINGS THIS COULD BE HIS

REVENGE, IT FITS THE PROFILE PERFECTLY. THESE PROGRAMS WE SEE NOW SINCE THE MILITARY TOOK OVER AFTER 9/11 I HAVE NO DOUBT ARE COMING OUT OF THAT PSYCHO INSTITUTION, THE ARMY WAR COLLEGE. I THINK THEY ARE MASTERMINDING A LOT OF THIS SHIT GOING ON IN AMERICA AND AROUND THE WORLD. THESE ARE CLEARLY MILITARY PROGRAMS GOING ON USING INNOCENT CIVILIANS AS THEIR FING SICK EXPERIMENTATION VICTIMS. THIS PLACE MUST BE INVESTIGATED, AND THESE CRIMINALS NEED TO BE BEHIND BARS FOR THE REST OF THEIR FILTHY LIVES. THESE BASTARDS NEVER STOP KILLING ONCE THEY GET A TASTE FOR IT ITS IN THEIR BLOOD, REASON I GOT OUT, SICK BASTARDS MOST OF THEM. I MADE CAPTAIN AND CHOSE TO LEAVE THE MILITARY NEVER REGRETTEED FOR ONE MINUTE, BUT THESE SICK BASTARDS NEVER LEAVE YOU ALONE.

THIS IS HOW WE GOT A BLACK PRESIDENT

I found this awkward as a young believer to be having this conversation late at night after a service with michael. I told him i was fine and thanks for the offer....

Michael's company over the years in ministry has included: Roberts liardon, veron ashe, earl paulk, carlton pearson, barry cook, bishop jakes, rick hawkins, clint brown, and most recently paula white. Need i say more....

I consider all of these people very troubled psychologically, very narcissistic, very controlling, and very dangerous. Most of these people manipulate scripture for their own personal gain and kingdom building projects. They deliver false hopes and images of god that end up disillusioning people in the end. Most of these churches are revolving door ministries where people go for a few years, realize its a sham, and fall away from god.

<http://www.lipstickalley.com/f83/bishop-michael-pitts-190510/index2.html>

THIS IS HOW WE GOT A BLACK PRESIDENT I WROTE COLIN POWELL THINKING WE NEEDED A BLACK PRESIDENT. MY PASTOR AT THE TIME WAS CLINT BROWN OF FAITHWORLD, ORLANDO,FL, GUESS HE WAS PRETTY TIGHT WITH PEOPLE LIKE TD JAKES, JAMES ROBISON (Bush's personal pastor), BENNY HINN, HE TOOK OVER HINN'S CHURCH, ALL WITH STRONG TIES TO THE WHITE HOUSE. I ATTENDED HIS BIBLE COLLEGE FOR A YEAR AND GRADUATED, I KNEW HIS MINISTRY STUNK THEN WITH ALL THE MERCEDES AND BEEMERS RUNNING AROUND, GUESS THEY DID NOT LIKE IT WHEN I SPLIT, NOW I'M STALKED AND TERRORIZED MY WHOLE LIFE TO SILENCE AND DESTROY ME. I HAVE HEARD THIS HAPPENING TO OTHER PEOPLE WHO GET INVOLVED IN THESE PSYCHO MINISTRIES. THIS CLINT BROWN IS A VERY DANGEROUS MAN! TD JAKES WHO WAS VERY INVOLVED WITH MY CHURCH GAVE THE INAUGURAL SERVICE FOR OBAMA, THE NEW BILLY GRAHAM, GRAHAM WAS A 33RD DEGREE FREEMASON AND TD JAKES IS AN ILLUMINATI MEMBER I BELIEVE ALL CORRUPT AND PROBABLY FIT RIGHT IN WITH OBAMA.

Kurt Billings on ChemTrails

Interview with Hilly Rose

Part 1

Excerpts from The Art Bell Show - May 7th , 1999

Hilly Rose hosting.

Transcriber's note: In the interest of time (to make it into the magazine) and readability, this will NOT be a perfect transcription of this interview. I've tried to include the most important topics and segments and a few highlights. It will not be grammatically correct - and you will certainly find typos. However, the information is vitally important. My notes are enclosed in [brackets].

Many thanks to Mark for taking the time to tape it and sending the tape to us!

HR: It is my great pleasure to talk with Kurt Billings tonight. He has a unique view of the trappings of mind control and government experiments. Back in 1985, he began working with survivors of various types of mind control programming. He has provided education and consultation services to mental health professionals counseling victims of Satanic Ritual Abuse, that's SRA, and government mind control.

He has written a number of books including "Somewhere Under the Rainbow" in 1989, "A Generation Deceived" in 1992. He has compiled extensive research into his latest video called Prisoners of Psych Ops", in which he exposes why the U.S. is chemically spraying it's citizens through the use of contrails. The video is a documented review of the history of mind control, the government projects such as MKUltra and the latest mind control technology such as the microchips and the use of ELF waves. And we are talking about microchips that are implanted into your body. It is my great pleasure to welcome to this program Mr. Kurt Billings.

[Hilly asked for a synopsis of what would be discussed tonight.]

KB: You say that these contrails are the work of the United States government in chemically spraying the citizens through the use of --- they're laying down these various patterns and we can go on to talk about the microchips. Why would the government do this? Maybe we'd better start with the microchips.

I'll give you a little basic overview. There are several laws out there, including the 1986 Immigrations Control Act, Section 100 and it says that the president can control and track all people by any means possible including electronic medium under the skin - which is a microchip.

HR: This is an--- it specifically says "under the skin"??

KB: Yes, Sir. I'll give you a quick synopsis of the history of this--- once upon a time they started experimenting with microwires in the brain starting in 1911 to 1915. Then they started working to build it into a microchip and they started out with the power being a lithium power.

And now since the early '90's (I'm covering lots ground and we'll come back over all of this), in the early '90s they developed what they called the biochip, which was made up of organic material. This is the latest circuitry and it runs off of alkaline or acid. This chip is about the diameter of a hair, looks like a half a grain of sand and will easily go through a vaccination needle. Our government has been experimenting on us and has dumped 3 or 4 million through flu shots and vaccinations into the general public sine '93.

Now, the chip is driven through alkaline. So we have the contrails. What are the contrails? According to World Weekly, which is an Internet news, the contrails are diethylene bromide, which is a pesticide. What is a pesticide? If you look it up in the medical dictionary, a pesticide is an alkaline-based chemical. The alkaline will hit your skin and go right through it and will drive the microchip.

HR: I don't understand this, Kurt. You're saying that this government, the United States government, has been implanting microchips into the population that they can monitor. How do they monitor?

KB: They monitor by satellite - I'll get into all of the technology later. But not only will this chip monitor by a number frequency but, it will also broadcast directly into the mind through an ELF signal from a satellite which is part of the Euridian or Leo satellite system.

So these microchips are driven by alkaline and they generate alkaline in the body. So in order to feed these microchips, we've found over five or six years the water in the United States has been going more and more alkaline as we travel all over the country speaking and writing and researching.

We find that when that when we check the contrail when we see one overhead, we find the

alkalinity go up through the ceiling. What's it take to feed the microchip? Alkalinity to be able to pass through the skin. What's the other thing? Alkaline poisoning is upper respiratory. That's one of the other symptoms of alkaline poisoning.

HR: So let me understand this. You are saying that the government is in a dedicated program to implant microchips into every American that is then fed by the material in the contrails? Is that what you're saying?

KB: That's what I'm saying.

HR: And that's the reason that this is being laid down so the government can activate them, feed them, if you will?

KB: Yes, that's one of the reasons and there are biologicals in there and other things, too.

HR: Why would they do that?

KB: Well, you've got to keep them fed and you've got to start to control your population. This is a form of mind control---this is also bringing on "the mark of the beast " - the ultimate experiment of controlling all of America.

HR: Are you saying to me that President Clinton knows about this? Or do you think it's other parts of the government?

KB: There is no doubt that the president knows about this. He has been working on, since '92, when the vaccine "smart card" where everyone needed to carry a card with a microchip to the point where there was a presidential order signed that everyone gets a microchip when martial law kicks in. It's what came out of the Immigration Bill. It's called an ID card, but it's an ID card with a chip right in hand.

HR: I would assume, Kurt, that that's illegal.

KB: They have been doing it for years. I talk to X-ray technicians regularly who tell me they see hundreds.

HR: Do these people who are giving injections and vaccinations (which I'm against for other reasons - chemical reasons)--- are you saying that they are unaware of what they are doing?

KB: Some of them are. Some of them aren't. I talked two weeks ago while I was in Kansas City to a nurse who was in Obstetrics who was having to put microchips in the heels of babies and she quit because she refused to do it but she knew it was going on in the Kansas City Hospital.

HR: You're telling me that new babies are being inoculated and little chips are being

inserted in their bodies that the government of the United States can use for mind control and all those people---

KB: And tracking. They can track them within ten feet. Yes, I am.

HR: Kurt, this is a horrendous allegation. Can you back this up?

KB: Yes, I can. I'll give you newspaper articles and a whole bunch of things. Yes, I can!

HR: And you believe that this is what these chemtrails are all about - they're feeding these microchips.

KB: Yes. Yes.

HR: It takes my breath away. I--- I hardly know what to say.

UNBELIEVABLE BUT TRUE!

Why it worries me is that most of the N.A. Christian church leaders that became PUBLIC icons, are basically ALL NWO pawns, helping usher in their dictatorial, anti-human rights one world gov't & more importantly their one world religion, which is esoteric masonry or the worship of the fallen angel Lucifer or SATANISM.

Often, these N.A. futuristic NWO prophets under the cover org of a Protestant church movement were tapped for the CIA/Jesuit/Tavistock driven MK ULTRA/MONARCH trauma-based/SRA-based mind control (MC) programmed slaves in childhood.

Often they were/are the Christian pastor males like MC slave/programmer southern Baptist Rev. Billy Graham and U.S. charismatic preacher Kenneth Copeland who are both 33rd degree freemasons as was U.S. mega Pentecostal Oral Roberts.

[http://terroriststalking.wordpress.com/Terrorist Stalking.](http://terroriststalking.wordpress.com/Terrorist%20Stalking)

Firemen across the country, and even some police departments have a long history of supporting extremist groups. Fire trucks can sometimes be seen riding in extremist convoys, with their flashing lights turned on and their sirens screaming. They will also race to greet a convoy which is entering their town. The participation of firemen, city workers and utility company workers helps give group members an illusion of legitimacy and power.

[quote]They can also be seen supporting these stupid community policing programs, by riding around in the city with them. Everytime I go missing and they can't find me, there goes the firetruck, or when I use to have the RFID with me, they would drive by and then just make a noise as they passed where I was. It's not an illusion of legitimacy, the state approves this. It's wrong what they are doing, but they approve it.[/quote]

THE BLACK BUDGET!

<http://www.freewebs.com/mormonmovementpt5/classified.htm>

THIS BOB LEVIN IS A GOVERNMENT COINTELPRO AGENT AVOID HIM LIKE THE PLAQUE, MANY OF THESE SO-CALLED TI'S ARE.

The U.S. government has made two proposals this week that threaten online speech and privacy in radical new ways. Either one, if passed by Congress, will fundamentally rewrite the rules of the Internet. EFF is fighting hard for your rights and needs your help.

These proposals are the most frightening we've seen in a long time. The first is a bill called the "Combating Online Infringement and Counterfeits Act," which would give the Justice Department new powers to censor websites accused of aiding "piracy." The second is an Obama Administration proposal that would end online privacy as we know it by requiring all Internet communication service providers -- from Facebook to Skype to your webmail provider -- to rebuild their systems to give the government backdoor access to all of your private Internet communications.

<http://www.eff.org/>

John Swinton, the former Chief of Staff at the New York Times, made this candid confession¹ when asked to give a toast before the prestigious New York Press Club:

"There is no such thing, at this date of the world's history, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print. I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job.

If I allowed my honest opinions to appear in one issue of my paper, before twenty four hours my occupation would be gone. The business of the journalist is to destroy the truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell the country for his daily bread. You know it and I know it and what folly is this toasting an independent press. We are the tools and vassals of the rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes. "

THIS IS WHY I FIGHT!!

They're run from Washington with no functioning governments, de facto satraps instead obeying their imperial masters. Yet on August 31, declaring an "end to the combat mission in Iraq," Obama outrageously said: "Through this remarkable chapter in the history of the United States and Iraq, we have met our responsibility," infamously displaying his culpability as a war criminal, matching the worst America ever produced.

subject Two major
cover-ups of massive
government crimes

mailed-by aol.com

There is plenty of evidence that conventional explosives were used, but conventional explosives alone could not reduce WTC to 2% of its original size -- as asserted in the new analysis.

I don't know if this assertion is true, but if so, we know that something much more powerful than ordinary explosives was used.

It is quite certain, in any event, that the official government/media cover-up of 9-11 is false.

It's as false as the "gang-stalking" cover-up of COINTELPRO.

Two major cover-ups of massive government crimes! Both these cover-ups have achieved remarkable success in spite of their very obvious impossibility and irrationality.

The controlled media is responsible for accepting the government cover-up of 9-11 truth.

The controlled TI community is responsible for accepting the Anti-TI Activist gangstalking cover-up of the COINTELPRO truth.

Mysterious Deaths of 9/11 Witnesses (MUST SEE)

<http://www.youtube.com/watch?v=bvay28lZiHU&feature=related>

Here is an account from Kurt Sonnenfeld, the FEMA photographer under asylum in Argentina that was at ground zero and took pictures of the debris: (he has been harassed like a TI and accused of murdering his wife (charges dropped and baseless, house ransacked computer stolen...we all know the story)

We are asked to believe that all four of the “indestructible” black boxes of the two jets that struck the twin towers were never found because they were completely vaporized, yet I have footage of the rubber wheels of the landing gear nearly undamaged, as well as the seats, parts of the fuselage and a jet turbine that were absolutely not vaporized. This being said, I do find it rather odd that such objects could have survived fairly intact the type of destruction that turned most of the Twin Towers into thin dust. And I definitely harbor some doubts about the authenticity of the “jet” turbine, far too small to have come from one of the Boeings!

(Read the whole interview here:

(YOU SHOULD READ THIS INTERVIEW) as he is the 1st US citizen to be granted asylum from our government in history. He is under 24/7 police protection too.)

I'M FINALLY STARTING TO GET SOME ANSWERS TO ALL THIS SHIT. I'VE BEEN TARGETED NOT ONLY BY COINTELPRO OPERATIONS BUT BY THIS U.N. AGENDA 21 INSANITY. I KNEW IT WAS A BEHAVIOR MODIFICATION OPERATION BUT ASSUMED IT WAS JUST PART OF THIS NEW PHOENIX COINTELPRO PROGRAM

WHEN IN REALITY IT IS PART OF A MUCH BROADER PROGRAM AND COVERTLY BEING IMPLEMENTED AROUND THE WORLD SINCE ITS INCEPTION IN 1992, AND ESPECIALLY AFTER 9/11 TO SILENCE ALL DISSENT. IT IS INCIDEOUS AT ITS CORE AND IS MODELED AFTER THE STASIS AND BLOCK CAPTAINS IN CUBA KEEPING EVERYONE IN CONTROL AND UNDER SURVEILLANCE.

THE ILLUMINATI

EVERYONE MUST WATCH THIS! <http://www.youtube.com/watch?v=YbnNOvVIUTU>

**Reflections on Jack Kennedy
His Assassination**

Much about it has been written and speculated, some of the best from James Douglas in his 2008 book titled, "JFK and the Unspeakable: Why He Died and Why It Matters," debunking mainstream myths and much more. From a wealth of information he uncovered, he showed how threatening Kennedy was to the military-industrial complex and had to go, "the CIA's fingerprints....all over the crime and the events leading up to it."

The notion of a lone gunman is ludicrous, the evidence clearly implicating a national security state coup against one of its own deemed unreliable. Though to some degree a cold warrior, he changed, was chastened by the failed Bay of Pigs invasion and refused another. He also fired CIA Director Allen Dulles, his assistant General Charles Cabell, and once said he wanted "to splinter the CIA in a thousand pieces and scatter it to the winds," reason enough to kill him.

Worst of all was his growing opposition to imperial wars, specifically in Southeast Asia. Though he initially sent troops and advisors, he changed, in 1961 opposing advice to send more to Laos, telling Averell Harriman, his Geneva Conference representative: "Did you understand? I want a negotiated settlement in Laos. I don't want to put troops in."

The same year, he opposed using nuclear weapons in Berlin and Southeast Asia and once called Pentagon generals "crazy" for suggesting them, perhaps with Curtis LeMay (1906 - 1990) in mind, a zealot who wanted to nuke the Soviets while we had the edge, even at the cost of a few US cities.

Kennedy also wouldn't attack or invade Cuba during the 1962 missile crisis, saying throughout it he "never had the slightest intention of doing so."

He swung to peace, away from war, telling an American University audience in 1963 that nuclear weapons should be abolished, the Cold War ended, followed by a "general and complete disarmament," and America no longer using its might to force Pax Americana on the world. Shortly afterward he signed the Limited Test Ban Treaty with the Soviets, and in October 1963 (about a month before his assassination), he signed National Security Action Memorandum 263, calling for removing 1,000 US troops from Vietnam by year's end and the remainder by December 1965.

Douglas wrote how, as president, he underwent a spiritual transformation from cold warrior to peacemaker, knowing it put him at odds with the Pentagon, CIA, most members of Congress, and nearly all of his advisors. As a result, he understood his vulnerability, perhaps by coup or assassination, a condition he nonetheless accepted and paid for with his life.

Besides turning toward peace and more, he also signed Executive Order (EO) 11110 on June 4, 1963 to:

*** amend EO 10289 (dated September 17, 1951) designating and empowering the**

Treasury to perform certain "functions of the President without the approval, ratification, or other action of the President;" and

* perhaps bypass the Fed and empower the president to issue currency; it constitutionally empowered the federal government to create and "issue silver certificates against any silver bullion, silver, or standard silver dollars in the Treasury."

Though not verified, some believe he then ordered the Treasury Secretary to issue nearly \$4.3 billion worth of United States notes, perhaps to replace Federal Reserve Notes. Whether or not he wanted to end the Federal Reserve System (and return money creation power to Congress as the Constitution mandates) is speculation, but perhaps fearing it, besides the above cited reasons and more, led to his assassination five months later.

In 1964, President Lyndon Johnson said: "Silver has become too valuable to be used as money." In late 1963, after he became president, US notes were withdrawn from circulation, and noted Fed critic and author of "The Creature from Jekyll Island," G. Edward Griffin, wrote on page 569 of his book:

"There was a third point, however, which everyone seemed to overlook. The Executive Order 11110 did not instruct the Treasury to issue Silver Certificates. It merely authorized it to do so if the occasion should arise. The occasion never arose. The last issuance of Silver Certificates was in 1957....six years before the Kennedy (EO). In 1987, (it) was rescinded by (EO) 12608 signed by Ronald Reagan."

Without mentioning EO 11110, he did it by amending EO 10289, rescinding the Treasury's right to issue silver-backed notes.

Had Kennedy lived and served a second term, imagine the possibilities. Ending the Vietnam war alone would have been a powerful legacy.

I am getting messages from very high-profile people on the hit list. If it isn't the New Global Phoenix (that Patreus already recommended) - it operates same way (computerized data base used by virtually all gov't agencies, torture, assassination) under different code name with the more advanced technology, of course - now signed into law of the land by Obama this year. I also recognize the non-consensual human experimentation that goes hand-in-hand with torture and new weaponry being refined.

Best courage,

The New Phoenix Program:

<http://mcvictimsworld.ning.com/profiles/blogs/the-new-phoenix-program>

An American death squad is carrying out operations against innocent people in the US and other nations. The most sophisticated classified weapons in the US military arsenal are being used to target political activists and whistleblowers. Three previous illegal government programs have been combined into one. The Phoenix Program, Project MKULTRA, and Cointelpro have been combined into the current illegal government program that uses microwave weapons against potential enemies on a hit list. The Phoenix Program was the Vietnam War era assassination campaign targeting civilians in a war crime that violated the Geneva Convention. Project MKULTRA was the CIA crash program to decode the secrets of the human mind by using severe trauma and drugs to break the human mind in order to manipulate and control it. Cointelpro was the FBI secret counterinsurgency war waged against the Civil Rights Movement, the Anti-War movement, the Women's Movement, and even the Environmental Movement. The government was waging an undeclared war against basically every progressive group in society. Elements of all three illegal programs have been combined into a modern day secret dirty war being waged against loyal Americans. Nonlethal microwave weapons were used by the USSR to attack the US embassy in Moscow in the 1950's. These attacks went on for decades and were kept secret from the American people and the embassy employees. The US began a crash program called Project Pandora to develop our own microwave weapons. These weapons are the crown jewels of the military intelligence community because they have plausible deniability. Attacks with chemical, biological, and nuclear weapons, or attacks from bullets all leave physical traces. Nonlethal microwave weapons can disable and kill a target without leaving physical traces and this gives the assassin plausible deniability. The Pentagon terms slow kill, soft kill, and silent kill refer to the ability to assassinate targets with non-ionizing radiation that simulates a heart attack, cerebral hemorrhage, a cancer, or other condition that appears a normal cause of death. There exist public examples of these classified weapons. The Active Denial System is a public nonlethal microwave weapon that uses a 95 GHZ electronic beam to instantly heat the skin to 130 degrees and this weapon functions as a pain amplification device. Milliwave radars are military radars used for house to house fighting such that building materials are transparent but human bodies are easily identified inside buildings. Only the most benign microwave weapons have been made public to avoid a public backlash. The Joint Special Operations Command possess more advanced and lethal microwave weapons that can track and target people in any weather or terrain 24 hours a day. These weapons are so secret that they were only brought into the Iraq War when it appeared that the US forces might lose. High level Al Qaeda personalities were tracked and recorded 24 hours a day and assassinated at will. These

same revolutionary technologies are being used to illegally track and target civilians on a hit list in the US and other nations in a secret dirty war. The man in charge of developing nonlethal microwave weapons for Army Intelligence since the 1980's, Lt Col John B. Alexander, worked to move these classified microwave weapons from the DOD to the DOJ and into the hands of local law enforcement to use against domestic enemies on a hit list. Army intelligence officer Lt Col Michael Aquino has publically advocated using these classified weapons against civilians in their own homes. This is exactly what is happening to hundreds of victims that the author has interviewed in person. Hundreds of people who live in different parts of the country and have never met are telling basically the same story. They are targets of vigilante violence in the community including organized stalking and attacks from nonlethal microwave weapons in their homes. The majority of 200 targets interviewed have a history of political activism or are whistleblowers who have denounced criminal activity. The victims are all ages, including children, and all races, but the average target is a female in her forties with an IQ of 120 and a history of political activism. The target profiles are very similar to the target profiles of previous illegal programs such as Cointelpro and MKULTRA. This secret dirty war may be part of a very ambitious undeclared war of counterinsurgency and political infiltration. These weapons are a revolution in military affairs, an invention that turns the world upside down similar to the invention of nuclear weapons. It is imperative for an independent investigation of these war crimes, one with no ties to the administration or the intelligence services. Failing this aggressive investigation of Alexander, Aquino, the directors of the NSA and Army Intelligence, then our citizens are liable to selective assassination and our Republic is vulnerable to destabilization.

Reading news for you guys:

Corroborating evidence by journalists; Bob Woodward, of Watergate fame and perhaps the investigative reporter with the best inside sources of any American reporter of our time was privy to unprecedented access to the oval office and the decisions and actions governing the war in Iraq. In his latest book Woodward describes a secret electronic warfare capability possessed by Joint Special Operations Command (JSOC).

He writes that JSOC electronic warfare capabilities are a breakthrough in tracking, eavesdropping, and targeting and killing any targeted person in their area of operations. Al Qaeda was defeated not by the surge or perhaps even the Sunni Awakening, but according to Woodward, JSOC was able to find, track, listen too, and kill any and all human targets they wished in any weather, 24 hours a day 7 days a week anywhere in Iraq. Apparently

this new breakthrough will change the nature of warfare as we know it. The ability to attack and kill anyone anywhere is a phenomenal war fighting capability that is unprecedented in the history of armed conflict. Anyone who possessed this electronic warfare technology would have a tool of incredible power. This is the same technology written of in military doctrine papers by Lt Col Michael Aquino, one that he refers to as Excaliber, the magic sword.

Sy Hersh is the famous investigative reporter who has broken some of the biggest stories of our time. He declared openly that former vice president Dick Cheney was in control of his very own death squad.

According to Hersh JSOC reported directly to Cheney and went into foreign countries with a list of names, a hit list. JSOC assassinated the people on the hit list without consultation with Congress, or any other government body in direct violation of international law. This is a direct violation of the normal chain of military command and anyone who controls this power without oversight is capable of committing war crimes with impunity.

Walter Pincus, is the veteran reporter for the Washington Post has written about the electronic warfare capabilities possessed by the Pentagon, tracking and targeting technologies that are a breakthrough that has changed the nature of warfare. Pincus has worked the Pentagon for years and is privy to it's inner workings as perhaps few others have been. It is clear that what he has written about is the same technology referred to by Bob Woodward and Sy Hersh.

These three dedicated professional reporters are all referring to the same aspect of technological innovation in warfare that is without precedent. Military doctrine papers written by Aquino and others are speaking of an RMA, a revolution in military affairs similar to the invention of nuclear weapons. Theses electromagnetic weapons are a military breakthrough that turns the existing balance of power on its head. Microwave and radio frequency radiation weapons can track targets in any weather over the entire surface of the earth, inside buildings, and even deep underground. These same technologies have been used illegally to track and attack political activists and whistleblowers in the US and other countries. War crimes have been committed using the latest anti-personnel weapons in the US arsenal.

The author has documented the testimony of the victims, the existence of these weapons, and the persons of interest who have developed these weapons for the US Army. What is needed is an independent investigation by a scientific body without ties to the US government or military.

Another news read for you guys. One thing we knew surely is US has been using this weaponry in its global space based shadow attack black operation. It is 24x7 active and operational. Let you dig in on yourselves if you are interested in. Whatever, it is true to earth that US is on space based attack weaponry.

The New Phoenix Program:

An American death squad is carrying out operations against innocent people in the US and other nations. The most sophisticated classified weapons in the US military arsenal are being used to target political activists and whistleblowers.

Three previous illegal government programs have been combined into one. The Phoenix Program, Project MKULTRA, and Cointelpro have been combined into the current illegal government program that uses microwave weapons against potential enemies on a hit list. The Phoenix Program was the Vietnam War era assassination campaign targeting civilians in a war crime that violated the Geneva Convention. Project MKULTRA was the CIA crash program to decode the secrets of the human mind by using severe trauma and drugs to break the human mind in order to manipulate and control it. Cointelpro was the FBI secret counterinsurgency war waged against the Civil Rights Movement, the Anti-War movement, the Women's Movement, and even the Environmental Movement. The government was waging an undeclared war against basically every progressive group in society. Elements of all three illegal programs have been combined into a modern day secret dirty war being waged against loyal Americans. Nonlethal microwave weapons were used by the USSR to attack the US embassy in Moscow in the 1950's. These attacks went on for decades and were kept secret from the American people and the embassy employees. The US began a crash program called Project Pandora to develop our own microwave weapons.

These weapons are the crown jewels of the military intelligence community because they have plausible deniability. Attacks with chemical, biological, and nuclear weapons, or attacks from bullets all leave physical traces. Nonlethal microwave weapons can disable and kill a target without leaving physical traces and this gives the assassin plausible deniability.

The Pentagon terms slow kill, soft kill, and silent kill refer to the ability to assassinate targets with non-ionizing radiation that simulates a heart attack, cerebral hemorrhage, a cancer, or other condition that appears a normal cause of death. There exist public examples of these classified weapons. The Active Denial System is a public nonlethal microwave weapon that uses a 95 GHZ electronic beam to instantly heat the skin to 130 degrees and this weapon functions as a pain amplification device. Milliwave radars are military radars used for house to house fighting such that building materials are transparent but human bodies are easily identified inside buildings. Only the most benign microwave weapons have been made public to avoid a public backlash.

The Joint Special Operations Command possess more advanced and lethal microwave weapons that can track and target people in any weather or terrain 24 hours a day. These weapons are so secret that they were only brought into the Iraq War when it appeared that the US forces might lose. High level Al Qaeda personalities were tracked and recorded 24 hours a day and assassinated at will. These same revolutionary technologies are being used to illegally track and target civilians on a hit list in the US and other nations in a secret dirty war. The man in charge of developing nonlethal microwave weapons for Army Intelligence since the 1980's, Lt Col John B. Alexander, worked to move these classified microwave weapons from the DOD to the DOJ and into the hands of local law enforcement to use against domestic enemies on a hit list. Army intelligence officer Lt Col Michael Aquino has publically advocated using these classified weapons against civilians in their own homes. This is exactly what is happening to hundreds of victims that the author has interviewed in person. Hundreds of people who live in different parts of the country and have never met are telling basically the same story. They are targets of vigilante violence in the community including organized stalking and attacks from nonlethal microwave weapons in their homes. The majority of 200 targets interviewed have a history of political activism or are whistleblowers who have denounced criminal activity. The victims are all ages, including children, and all races, but the average target is a female in her forties with an IQ of 120 and a history of political activism. The target profiles are very similar to the target profiles of previous illegal programs such as Cointelpro and MKULTRA. This secret dirty war may be part of a very ambitious undeclared war of counterinsurgency and political infiltration.

These weapons are a revolution in military affairs, an invention that turns the world upside down similar to the invention of nuclear weapons. It is imperative for an independent investigation of these war crimes, one with no ties to the administration or the intelligence services. Failing this aggressive investigation of Alexander, Aquino, the directors of the NSA and Army Intelligence, then our citizens are liable to selective assassination and our Republic is vulnerable to destabilization.

CIA admitted its high classified covert programs since WTC911

Panetta Orders Inquiry Into CIA's Handling Of Secret Program

Newsweek is reporting CIA Director Leon Panetta has ordered an internal inquiry into the agency's handling of a contentious and still highly classified intelligence program that was kept secret from members of Congress for eight years. CIA and congressional officials have refused to describe the nature of the covert program, but insisted it is not connected to the CIA's use of controversial "enhanced" interrogation techniques.

Each day, a nationwide microwave/laser electromagnetic radiation directed energy weapon attack system employing "phased array" cell tower antenna transmitter/receivers and GPS satellites -- under the apparent command of dozens of U.S. Department of Homeland Security- administered "fusion centers" -- is used to silently and invisibly torture, impair, subjugate, and degrade the physical and neurological health of thousands of unjustly, unconstitutionally "targeted" American citizens...

Senate questions FBI abuses as bureau seeks to further expand powers

In a hearing before the Senate Judiciary Committee last month, FBI Director Robert Mueller revealed that the FBI currently conducts surveillance operations supported neither by evidence nor even suspicion of wrongdoing. BORDC informed the hearing through a letter on behalf of a diverse coalition of nearly 50 organizations requesting further congressional oversight.

Nullification: How to Resist Federal Tyranny

Sun Aug 8, 2010 14:41

Citizens across the country are fed up with the politicians in Washington telling us how to live our lives--and then sticking us with the bill. But what can we do? Actually, we can just say "no." As New York Times bestselling author Thomas E. Woods, Jr., explains, "nullification" allows states to reject unconstitutional federal laws. For many tea partiers nationwide, nullification is rapidly becoming the only way to stop an over-reaching government drunk on power. From privacy to national healthcare, Woods shows how this growing and popular movement is sweeping across America and empowering states to take action against Obama's socialist policies and big-government agenda.

THIS IS TRUE STUFF!

Corporations involved in the satellite business include Lockheed, General Dynamics, RCA, General Electric, Westinghouse, Comsat, Boeing, Hughes Aircraft, Rockwell International, Grumman Corp., CAE Electronics, Trimble Navigation and TRW. The World Satellite Directory, 14th edition (1992), lists about a thousand companies concerned with satellites in one way or another.

Star Wars was supposed to shield the U.S. from nuclear missiles, but shooting down missiles with satellite lasers proved infeasible, and many scientists and politicians criticized the massive program. Nevertheless, Star Wars gave an enormous boost to surveillance technology and to what may be called “black bag” technology, such as mind reading and lasers that can assault someone, even someone indoors.

Aviation Week & Space Technology mentioned in 1984 that “facets of the project [in the Star Wars program] that are being hurried along include the awarding of contracts to study...a surveillance satellite network.” It was bound to be abused, yet no group is fighting to cut back or subject to democratic control this errifying new technology.

Sixty-five satellite associations are listed from all around the world, such as Aerospace Industries Association, American Astronautical Society, Amsat and several others in the U.S. Spy satellites were already functioning and violating people’s right to privacy when President Reagan proposed his “Strategic Defense Initiative,” or Star Wars, in the early 80s, long after the Cuban Missile Crisis of 1962 had demonstrated the military usefulness of satellites.

1. Resolved, That the several states composing the United States of America are not united on the principle of unlimited submission to their general government; but that, by compact, under the style and title of a Constitution for the United States, and of amendments thereto, they constituted a general government for special purposes, delegated to that government certain definite powers, reserving, each state to itself, the residuary mass of right to their own self-government; and that whensoever the general government assumes undelegated powers, its acts are unauthoritative, void, and of no force; that to this compact each state acceded as a state, and is an integral party; that this government, created by this compact, was not made the exclusive or final judge of the extent of the powers delegated to itself, since that would have made its discretion, and not the Constitution, the measure of its powers; but that, as in all other cases of compact among powers having no common judge, each party has an equal right to judge for itself, as well of infractions as of the mode and measure of redress.

I know I'm being targeted by their ing directed energy weapons, I know for a FACT they are using satellites and I believe some sort of nano particle technology that comes right through the electrical grid and through your computer, I get shocked to shit. It happens every night as this satellite makes its orbit on a trajectory near my house where it can target me. At first I thought this thing was a star but finally realized it was a frickin satellite and you can clearly see when it comes into view the shit starts hitting you. The room heats up, everything starts to vibrate I get frickin dizzy and get zapped the shit out of when I touch my computer all these little shocks all over your body. I realized if you can vent the room while this is happening it helps a lot. They are using satellites in conjunction with this nano particle crap I believe, they bring it in right through the electrical grid system I was told. So either wait till the satellite passes before getting on your computer or vent the room real well, I think they are using microwaves as well. Its a form of their sick mind control to get me to quit writing I suppose, that's what I do. If there ever is a revolution in this country I hope these s swing.

HIRING PRIVATE CONTRACTORS TO ATTACK CITIZENS, AND ADD TO DENIABILITY

Contractors' Roles In Psychological Operations Raise Concerns

By Walter Pincus

The Defense Department plans to spend nearly \$1 billion on psychological operations (PSYOP) worldwide in fiscal 2011 -- and nearly 40 percent of it will go for contracted services and products.

The purpose of PSYOP is "to induce or reinforce foreign attitudes and behavior in a manner favorable to U.S. objectives," according to a report on Defense Department information operations sent to Congress in March.

How? By putting out truthful information through "television, web, posters, leaflets, billboards, radio, literature, drama and other creative means," according to the report. But who in the military is trained to do that?

For the Pentagon, contractors are the answer. Of about \$180 million for PSYOP activities in Afghanistan and Iraq, more than 95 percent will be for "large service provider contracts as well as small contracts for local service providers that perform printing and other production activities," according to the Defense Department, in answers to my questions.

Recent PSYOP activities in Afghanistan have included a major advertising campaign to persuade citizens to report suspected makeshift bombs to the military. It was done by contractors; as the March report notes, "DoD makes extensive use of contractors in media services to produce high-quality print, audio and video products."

The report adds, however, that contracted personnel "do not take the place of government and military decision makers who establish communication objectives, define target audiences, and approve all communication methodologies. "

Still, there are "concerns about the [Defense] Department's ability to

oversee adequately and manage appropriately the large sums of money flowing into a variety of information operations programs," the Senate Armed Services Committee said in its report on the fiscal 2011 Defense Authorization bill released this month. And the dismissal of Gen. Stanley A. McChrystal over his comments in a magazine has put a spotlight on one failed aspect of the military's dealings with the media.

One year ago, when Congress asked the Defense Department how much the military was spending on "strategic communications, " it first answered about \$1 billion, then \$626 million. Less than a year later, in the March report, the agency told Congress that things had changed: There was no "strategic communications budget." Rather, that term applied to all Defense Department capabilities and programs "designed to affect perceptions and behavior [domestic and foreign] in a manner that supports U.S. objectives."

Although strategic communications as an activity has ended, the report notes that some combat commands "have established small SC [strategic communications] cells as part of the commander's special staff." It points out that these staff members "function as planners, integrators, and 'dot connectors.'" Here is where the lesson of the McChrystal affair comes in.

Duncan Boothby, who helped arrange Rolling Stone reporter Michael Hastings's entree with the McChrystal entourage, was an SC staff member. But he was a private subcontractor under a broader prime contract let by the Afghan command for strategic communications management services.

Contracting out these services, whether for strategic communications or PSYOP, is a problem. Remember the investigations into the activities of Michael Furlong, the Strategic Command employee who used money from an information operations program concerning makeshift bombs to contract for services to help identify Afghan insurgents?

Another problem area is when PSYOP activities, directed at foreign audiences, cross with public affairs, the military's traditional outlet for dealing with the news media and domestic and foreign audiences. Oversight of all Pentagon information activities has been under review, although PSYOP activities have drawn their own special team "to ensure that each constitutes a traditional military activity," according to the March report.

The military has expanded into areas where it lacks expertise but has the funds to pay for contractors. PSYOP has been a favorite of Special Operations Command (SOCOM), but with the program's new popularity, particularly in Iraq and now in Afghanistan, it has spread within the Army.

As one result, after approval by top Pentagon officials including Defense

Secretary Robert M. Gates, SOCOM's commander, Adm. Eric T. Olson, announced last week that the PSYOP name will be dropped because of bad connotations and changed to Military Information Support Operations (MISO).

But name changes, whether dropping "strategic communications" or going from PSYOP to MISO, won't solve the underlying problems. As long as the Pentagon has funds for information activities -- in amounts that other agencies don't have and cannot get -- it will turn to contractors.

NOTE: I HAVE NOTHING AGAINST THE POLICE, HAVE NEVER EVEN BEEN ARRESTED IN MY LIFE. BUT THE NWO IS USING AND ABUSING OUR POLICE FORCES AND TO USHER IN THEIR NWO CONTROL. IF THE ILLUMINATI HAVE THEIR WAY AND IT IS THE ILLUMINATI THEY WILL BRING EVERY HUMAN BEING UNDER THEIR CONTROL, THROUGH WHATEVER MEANS NECESSARY THROUGH THE USE OF OUR POLICE FORCE AND MILITARY, WE MUST EXPOSE WHAT THEY ARE DOING, THE HOUR IS GROWING LATE. THE ILLUMINATI WILL FAIL! <http://www.youtube.com/watch?v=EkZkYyBKSWM&feature=related>

MOMEESAN - FOUND YOUR WEB SITE, I TOO AM HAVING THE EXACT SAME THINGS HAPPEN TO ME AS A TARGETED INDIVIDUAL. I HAVE TO WONDER HOW MUCH THE COPS ARE INVOLVED IN THIS. THE MILITARY IS IN THE PROCESS OF MILITARIZING OUR POLICE FORCES. I THINK ITS TIME TO LEAVE AMERICA, AMERICA USED TO BE GREAT NOW ITS A SICK NATION DESTROYING ITSELF FROM WITHIN AND FROM ITS OWN PROSPERITY. IT WILL NO LONGER BE PROSPEROUS BUT AN ABOMINATION.

<http://www.youtube.com/user/momeesan>

I am a Targeted Individual who has NEVER been formally accused /convicted of ANY crime/felony BUT I and my children am under 24/7/365 COVERT GANGSTALKING, SURVEILLANCE, and ELECTROMAGNETIC FREQUENCY ENERGY/INFRASOUND/ELF/ACOUSTIC/AURAL SIGNALS are CONSTANTLY being used on/directed @ me to awaken me from/interfere with my sleep/attack me @ ALL times but is MORE CONCENTRATED @ night.

Most of it is being transmitted via satellites (ECHOSTAR/ECHELON ??), but also from the nearby Military Installation which has a DEW (Directed Energy Weapon), Sheriff's Dpt., Police Station (both of these facilities have HUGE GWEN TOWERS). It comes thru VERY heavy @ approx. 10-15 minute intervals, and is in sync w/LOUD traffic, airplane, motorcycle, BOOM BOX cars, riding mowers, etc (ANY and ALL LOUD sounds/noises that can be "captured", "amplified", then transmitted into our home). Also, whenever/wherever I go out, I am being ILLEGALLY STALKED/FOLLOWED by Gangstalking Perpetrators(PERPS) who are utilizing their CELLPHONES to help GPS my location.

In addition to emitting harmful EMF waves, the cellphones are also sending out a

"Tracking Signal". This signal alerts Law Enforcement, planes, trains, other GANGSTALKERS About Me:

that the "Target" is in the area. Within minutes, other GANGSTALKERS will arrive using their cellphones, LOUD PLANES will do flyovers, train whistles will start blowing LOUDLY, LARGE TRUCKS, MOTORCYCLES, VEHICLES W/LOUD BOOMING SYSTEMS & TAIL-PIPES will drive by.

THE ILLUMINAZI

Domestic Intelligence (DOMINT)

The NSA has records on all US citizens. The NSA gathers information on US citizen who might be of interest to any of the over 50,000 NSA agents (HUMINT). These agents are authorized by executive order to spy on anyone. The NSA has a permanent national security anti-terrorist surveillance network in place. This surveillance network is completely disguised and hidden from the public.

Tracking individuals in the US is easily and cost-effectively implemented with NSA's electronic surveillance network. This network (DOMINT) covers the entire US, involves tens of thousands of NSA personnel, and tracks millions of persons simultaneously. Cost-effective implementation of operations is assured by NSA computer technology designed to minimize operations costs. NSA personnel serve in quasi-public positions in their communities and run cover businesses and legitimate businesses that can inform the intelligence community of persons they would want to track.

NSA personnel in the community usually have cover identities such as social workers, lawyers and business owners.

Seems absurd but I guess some people think the technology already exists, found this on usenet :

.....

"The Pentagon has admitted that the U.S. intelligence agencies called the N.S.A. [National Security Agency], C.S.S [Central Security Service], D.I.A. [Defense Intelligence Agency], D.A.R.P.A. [Defense Advanced Research Projects Agency], C.I.A. [Central Intelligence Agency], the D.H.S. [Department of Homeland Security], and the F.B.I. [Federal Bureau of Investigation] Cointelpro or Counter intelligence program unit, has the technology to pick up the private thoughts given by individuals in the vibrations produced by the brains electrical impulses, and that these thoughts can be broadcast via satellites and any other form of technology which uses electromagnetic transfer, i.e. television, radio, the internet, and the telephone. The Pentagon calls this mind reading technology SYNTHETIC TELEPATHY, although there is nothing paranormal about it. For all

the skeptics out there, and for those who simply prefer not to believe that such a totalitarian, neo-Nazi/neo-Communist thing could be possible, just remember that the N.S.A. or National Security Agency is a part of the U.S. Department of Defense, and a very secretive part at that. The N.S.A. has a black budget, and is always headed by a flag officer from one of the branches of the U.S. military. The secret technologies of the U.S. military is usually thirty years or maybe even more ahead of the technology that is available to the U.S. civilian technology. Who is to know among the general U.S. public what the level of technological advancement is within the secret laboratories of the N.S.A. The headquarters of the National Security Agency is located at Fort George Meade in the U.S. state of Maryland.... "

Because the package includes provisions that will stop the enforcement of overseas judgements that violate Icelandic laws, foreign news organisations are said to have expressed an interest in moving the publication of their investigative journalism to Iceland. According to Ms Jonsdottir, Germany's Der Spiegel and America's ABC News have discussed the possibility.

More immediately, it is hoped that the changes will rebuild the Icelandic public's belief in the press. "Trust in the media was very high before the crash, but then it sank," said Hoskuldur Kari Schram, a [reporter](#) with Stod 2 television in Reykjavik. "Maybe this will be a step in the right direction."

TO UNDERSTAND COINTELPRO WATCH MY VIDEOS UNDER MY THUMB, SONG WRITTEN BY KEITH RICHARDS AND MICK JAGGER. The song's lyrics are an examination of a sexual power struggle, in which Jagger's lyrics celebrate the satisfaction of finally having controlled and gained leverage over a previously pushy, dominating woman. The lyrics, which savour the successful '[taming of the shrew](#)' and compare the woman in question to a "pet", a "cat" and a "squirring dog" provoked some negative reactions^{[\[citation needed\]](#)}, especially amongst [feminists](#), who objected to the suppressive [sexual politics](#) of the male narrator. Deanna,

You really NAIL it here in this show. We are Clearly battling an evil and satanic force that is

directing this whole New World Order, I have been studying these criminals for the past ten years, reason, why I'm targeted, stalked, harassed and surveilled. Not to mention alot of their crimes I have become aware of. I can only assume my life is over with for all intensive purposes. But I still believe in the American vision and why this country was founded, it may take some time but this filth will be spit out. It starts this November by getting these incumbent criminals out.

TORTURE & OTHER ILL-TREATMENT

In the years since 9/11, the U.S. government has repeatedly violated both international and domestic prohibitions on torture and other cruel, inhuman or degrading treatment in the name of fighting terrorism. Torture and other cruel, inhuman or degrading treatment must stop, and those responsible for authorizing and implementing it must be held accountable. Read more »

I HAVE LISTENED TO THESE GUYS AND NOTHING EVEN CLOSE TO BILL COOPERS QUALITY, I HAVE TO QUESTION THEIR LEGITIMACY. PERSONALLY I THINK THEY ARE IN IT TO CAPITALIZE ON BILL COOPERS NAME RATHER THAN TO PROVIDE ANY REAL JOURNALISM, I MAY BE WRONG.

WAS ON THE JON STEWART SHOW FROM THE G20 IN PITTSBURGH, THAT SEGMENT AIRED DURING THE G20 I FOUND AFTER AFTER I GOT BACK FROM PEOPLE WHO SAW THE INTERVIEW. THE THE TRUTH STILL GETS OUT AT TIMES. INTERVIEWED BY SEVERAL WEB BASED NEWS PROGRAMS AND BY RT TV AT THE 9/11 NYC MARCH IN THE POURING RAIN ON 9/11/2009.

Attorney Chris Porco saw me on the show, the show aired during the G20 porco@porcolaw.com, Washington, DC. Also one of the protesters I protest with on occasion here on Long Island, NY saw it air also and told me when I got back she had seen me on Stewart's show, Carole Kolar ckolar3812@aol.com, Sayville, NY

Was on Greg Szymanski's "Investigative Journal" show when I first started to realize I was a Targeted Individual. I like a lot of work Greg Szymanski does, he's a good reporter when he finds a good story. But his obsession with the Vatican turned me off to his shows, it's a much bigger picture than that. I trust very little in the media now days, Alex Jones subscribes to my You Tube Channel, but I'm pretty sure he's is part of the controlled opposition.

Kevin

Thanks and good to hear from you. I did leave the byte show because of the hosts position that denies the deity of Christ and their promotion of a man who seek to convert others to deny the deity of Christ. So be careful,

Blessings to you in Christ

You notice Larry King just retired, he's tied in big time to this pentagon Zionist crap that runs this country these days, I don't believe his leaving is just happenstance. Glad the criminal is leaving, its called the media mafia and there are many controllers and he is one of them, there is a reason him and people like Colin Powell are such buddies, I do believe the pentagon controls many of these news organizations.They (the pentagon) are experimenting with a variety of new mind control weaponry to control the masses right in their homes, a lot of nanoparticle technology which comes right through the electrical grid into your home, lots of microwave insanity and they are using people like me as their test subjects. I'm documenting what I can.

Hi Kevin,

After we spoke on the phone, your barrage of emails was a bit too much. I have read many of them, and I don't think you are making this stuff up. But you undermine your credibility with repeated emotional emails. The more evidence you can give me about what they are doing to you and others, the better I can try to expose it all.

I wish you the best for the holidays!

PETER B. COLLINS WANTED ME ON HIS SHOW "THE BOILING FROGS", I WAS GOING TO CALL HIM BACK BUT AFTER HEARING HE WAS A JESUIT I HAD SECOND THOUGHTS, JUST FIGURED HE WAS PART OF THIS CONTROLLED OPPOSITION. HE SHOULD TRY BEING STALKED BY COPS AND GANG STALKERS 7/24 AND BY SATELLITES, YOU WOULD GET A LITTLE EMOTIONAL TOO. I THINK MOST OF IT IS CONTROLLED AND THE ONES THAT ARE NOT CONTROLLED ARE TOO LAZY TO DIG FOR THE STORY. IF THEY CAN'T EVEN WATCH MY VIDEOS I DON'T BOTHER WITH THEM. I WILL NEVER GO ON ANOTHER CORRUPT SHOW AGAIN, MANY OF THEM THAT ARE CONTROLLED WILL TRY AND SET YOU UP TO DISCREDIT YOUR STORY OR SLANT IT IN THE GOVTS DIRECTION, THAT'S OUR MEDIA TODAY FULL OF SNAKES, AND THAT IS JUST HOW THE CIA LIKES IT. THESE CIA/NSA PIGS WILL PROBABLY DELETE HALF THIS INFORMATION BY TOMORROW. I TELL IT LIKE IT IS PROBABLY REASON I'M TARGETED. FRANKLY I JUST ASSUME MOST OF THESE SO CALLED ALTERNATIVE RADIO SHOW HOSTS ARE CORRUPT, IT MAY

TAKE YOU A YEAR OF LISTENING TO FINALLY FIGURE SOME OF THESE CREEPS OUT, BUT THEY ALWAYS REVEAL THEMSELVES IN DUE TIME, SOME OF THEM ARE SO DECEPTIVE AND MANY OF THEM USE GOD TO HIDE BEHIND, BLASPHEMY.

THEY HAVE ALL MY NEIGHBORS HARASSING ME, ALWAYS COMING OR GOING AT THE SAME TIME I AM, LEAVING THEIR LIGHTS ON, PUTTING THEIR TRASH CANS OUT WHERE I CAN ALWAYS SEE THEM. GO FOR WALKS TRASH ALL OVER THE GROUND WHERE I TAKE MY WALKS. STALKED EVERYWHERE I GO, THEY LIKE TO CROWD ME WITH CARS AND PEOPLE EVERYWHERE I GO, CHECK OUT LINES, RESTAURANTS ANYTHING TO HARASS YOU. THEY LIKE TO USE SUBURBANS DON'T ASK ME WHY, MAINLY WHITE OR BLACK BUT THEY USE ALL COLORS. NOW THEY ARE INTO THEIR RED

I THINK THEY ARE TRYING TO CAUSE AN INCIDENT. HAVE VEILED DEATH THREATS ALL THE TIME ESPECIALLY ON THE INTERNET, DELETE AND ALTER INFO ON MY COMPUTER AND INTERNET FILES. HAVE PEOPLE DRIVING BY HONKING ALL THE TIME SHOUTING LOUDLY OBSCENITIES , LOTS OF TRUCK TRAFFIC AND LOUD MUSIC, ANYTHING TO DISTRACT YOU AND HARASS YOU. NOW THAT I'M PUTTING THESE VIDEOS OUT THEY ARE REALLY ATTACKING ME. HAVE DOGS TAKING SHITS RIGHT IN FRONT OF MY HOUSE WHERE I SIT ON MY PORCH, LOTS OF DOG STALKERS, YA MY DOG HOPE. TURNED THE NEIGHBORHOOD INTO AN AIRPORT WITH LOW FLYING JETS. CAN'T GO FOR A WALK WITHOUT BEING STALKED BY AIR TRAFFIC, I KNOW IT SOUNDS UNBELIVABLE BUT THIS IS WHAT THEY DO WITH OUR TAX DOLLARS AND THE MILITARY NOW, THEY CONTROL OUR SKIES NOW.IF I'M DOING SOMETHING THEY DON'T LIKE WHICH IS USUALLY WRITING I'M HIT WITH THEIR WEAPONS, SOME SORT OF PLASMA BEAM I WAS TOLD AIMED RIGHT AT THE BASE OF MY NECK AND BACK, IT GETS SO BAD I HAVE TO MOVE EVERY TEN MINUTES OR SO, I'M SURE THEY USE MICROWAVE WEAPONS AS WELL, MY PLACE HEATS UP SO BAD AT TIMES. I CAN'T EVEN BEGIN TO TELL YOU ALL THE STUFF THESE CRIMINALS DO TO ME, THEIR GOAL IS TO DESTROY YOU PSYCHOLOGICALLY AND PHYSICALLY, DEGRADE YOU, RUIN YOUR SELF IMAGE AND CONFIDENCE AND SILENCE YOU, THAT IS THE GOAL OF COINTELPRO, SILENCE ALL DISSENT. KEEP YOU IN FEAR AND AS ONE TARGET TOLD ME TO KEEP YOU NERVOUS ALL THE TIME, WATCH THE MOVIE **TERRORIZING DISSENT**. GUESS WHAT THEY WILL NEVER SILENCE ME, EVEN IF THEY KILL ME I WILL HAUNT THEM FOR ETERNITY AND THEY WILL BE IN HELL THIS YOU CAN BE SURE.

THIS HAS BEEN MY LIFE FOR EIGHT YEARS! THEY EVEN SCAN MY BRAIN WAVES TO KNOW WHEN TO HAVE LOUD NOISES OUTSIDE MY HOUSE TO WAKE ME UP OR THE PHONE RINGS. THE MINUTE I DOZE OFF, BANG.OF COURSE THEY ALSO WATCH ME 7/24 EVERYWHERE I GO WITH MILITARY SATELLITES, YES EVEN IN MY BEDROOM. THEY ARE USING SOME SORT OF WEAPONRY ON ME, SOMEONE TOLD ME IT WAS A PLASMA BEAM, I JUST KNOW I GET ZAPPED AND STUNG A LOT AND FEEL THIS PRESSURE ON THE BASE OF MY NECK AND BACK, HAVE TO KEEP MOVING, THEY ESPECIALLY USE IT ON ME WHEN I'M DOING THINGS THEY DON'T LIKE LIKE WRITING ON THE INTERNET, THIS IS OUR FUTURE FOLKS UNLESS WE STOP IT. I GUESS I HAVE BEEN CHOSEN BY THESE NWO NAZIS FOR THEIR EXPERIMENTS, I'M SURE THE MILITARY IS INVOLVED BIG TIME, PROBABLY THE VA AS WELL AFTER I FILED A MEDICAL MALPRACTICE LAWSUIT AGAINST THEM WHICH THEY TOTALLY LIED AND CORRUPTED. THEY SCREW WITH MY WRITINGS MISPELL WORDS AND REARRANGE WORDS IN SENTENCES TO DISCREDIT ME, THIS IS OUR MILITARY NOW, THEY HAVE SICKED THEM ON AMERICANS. THEY ARE COWARDS IN MY OPINION! SIT BEHIND THEIR HIGH TECH GEAR WE PAID FOR AND ATTACK DISENT IN THIS COUNTRY. THEY ARE PISED BECAUSE AS A

FORMER ARMY CAPTAIN IN SPECIAL FORCES I THINK THEY ARE A BUNCH OF NUT JOBS AND THEY ARE, LOOK WHAT THEY ARE DOING TO ME PROVES IT EVEN MORE. I THINK MY VIDEOS REFLECT WHAT THEY ARE DOING TO ME, THEIR EVIL WILL BE EXPOSED ONE OF THESE DAYS. ALL MY VIDEO FOOTAGE IS SHOT WITHIN A 24 HOUR TIME SPAN, I SEE MORE COPS AND FIRE PEOPLE IN 24 HOURS THAN MOST SEE IN A WHOLE MONTH. ITS COMMON KNOWLEDGE NOW THAT THESE FUSION CENTERS THEY HAVE ALL OVER THE COUNTRY ARE ORCHESTRATING THESE ATTACKS ON AMERICANS, AND FIREFIGHTERS PLAY A KEY ROLE AS DOES EVERY OTHER POLICE AND NAZI FRATERNAL ORGANIZATION OUT THERE, YES THE FREEMASONS FIGURE BIG TIME AS WELL, YES ITS THE STASIS RIGHT HERE IN AMERICA. I'M SURE THEY WANT TO MAKE ME LOOK LIKE A NUT JOB FOR REPORTING THIS STUFF TO THE PUBLIC THAT IS THEIR COWARDLY WAY OF OPERATING, I HAVE NEVER LIED ABOUT ANYTHING , CERTAINLY NOT SOMETHING LIKE THIS. NOTHING NEW THEY HAVE BEEN DOING THIS TO THEIR POLITICAL VICTIMS SINCE TIME MEMORIAL, NOW THEY JUST HAVE MORE EVIL AND SINISTER WAYS TO DO IT. I HOPE TO LEAVE AMERICA ASAP.CAN YOU IMAGINE A PLACE WHERE THEY DON'T SQUANDER THEIR COUNTRY'S FUTURE ON WARS AND WEAPONS. YA I CAN IMAGINE JOHN LENNON, SOMEDAY. OH BY THE WAY I HEAR HIS SONGS EVERYWHERE I GO AS WELL, JUST MORE PSYOPS. YA HE WAS TARGETED AS WELL, GLAD TO BE IN THE SAME LEAGUE JOHN.

***IF ORGANIZATIONS LIKE WE ARE CHANGE WERE LEGIT THEY WOULD BE PROTESTING OUTSIDE FBI HEADQUARTERS IN NEW YORK EVERY WEEK DEMANDING AN END TO COINTELPRO, **WHICH IS NOW SUPER COINTELPRO NOW WITH THE MILITARY AND CIA'S TOTAL INVOLVEMENT.**

<http://www.ronpaul.com/2009-05-25/ron-paul-lets-have-the-courage-to-face-the-truth-on-torture/>

Please Congressman Paul,

Look into the “torture” that is taking place right here at home with U.S. Surveillance Policy.

Is COINTELPRO Back Using Organized Gang Stalking?

Imagine what it is like to be stalked by 20, 30, or 40 people a day, to have one of them there when you leave your house in the morning, there when you come home at night. That is what organized gang stalking targets go through. They are stalked at intersections, in parks, in stores,

as they walk along streets, as they enter or exit buildings, everywhere they go. Now imagine that this organized gang stalking happens not for one day or for a week or for a month, but for years. A target's property might have trash thrown on it. There might be car alarms set off or beeping of horns if they try to take a walk, when they go to throw out the trash. There might be noise scheduled to disrupt their sleep. Neighbors might be enlisted to join in the harassment in an attempt to socially isolate the target. Dogs might be used to intimidate, running up to the target, or jumping out of car windows. There might be wrong numbers to the target's phone, vehicles stopping and standing in front of the target's home.

What organized gang stalkers do is sensitize the target to a stimulus that all the gang stalkers use. The stimulus is often an everyday thing – for instance, the color “red.” The thing that makes the stimulus so aversive is the frequency with which it occurs. A group of 20 or 30 or 40 or more of organized gang stalkers might be involved in harassing the target, so the target is continuously harassed with the same stimulus but by different individuals. Every time the target enters or leaves his or her home, for instance, an organized gang stalker will be there with something red on. The target's routines are ascertained. Neighbors – afraid of being gang stalked themselves – might alert the gang stalkers when the target is leaving his or her home. When the target walks on the beach, three or four gang stalkers wearing red might be there. When the target opens his or her blinds in the morning, the first thing he or she will see will be a gang stalker in red. It is the frequency of the stimulus and the duration of the gang stalking that makes it so aversive along with the isolation of the target.

Some of the tactics used in gang stalking are similar to tactics used in the Counter Intelligence Program (COINTELPRO) used by the Federal Bureau of Investigation (FBI) between 1956 and 1971. Brian Glick, an attorney, tells us in his book, *War at Home*, the four main methods used by the FBI during COINTELPRO were psychological warfare, infiltration, harassment through the legal system, and extralegal force and violence. Just as neighbors today are solicited to join in gang stalking a target, back in the fifties and sixties, the FBI would pressure parents, employers, landlords, school officials and others in the life of targets to cause problems for them. Back then the FBI used dirty tricks to discredit targets, just as today in organized gang stalking misinformation about targets is spread. Brian Glick tells us the FBI used psychological warfare in their COINTELPRO program in the 50's and 60's against targets; today in organized gang stalking psychological tactics are used where ordinary everyday items are repetitively used to create doublebinds. Open garage doors, lawn mowers left on front lawns are repetitively used by all the gang stalkers to attract the target's notice where to notice and report such everything things makes the target sound crazy – the intent of the gang stalkers. In the 50's and 60's FBI agents would infiltrate groups pretending to be members; gang stalking targets today allege infiltration is taking place again with those feigning to be gang stalking targets making outrageous claims to create the impression targets are paranoid.

Is COINTELPRO back? Let's look at the facts. The Attorney General's Guidelines released on May 30, 2002 rescinded anti-COINTELPRO regulations opening the door to further COINTELPRO operations. Allegations have been made that organized gang stalkers are using red cars, red trucks, wearing-carrying red. The FBI has used conspicuous surveillance before. Moreover, the Bush Administration wanted to get community groups such as the Neighborhood Watch Groups to play a broader role of surveillance in the War on Terror. Its Justice Department put forth the Terrorist Information and Prevention System, Operation TIPS, which planned to involve millions of workers nationwide as informants in the War on Terror. Through a Citizen

Corp George Bush hoped to get Americans across the country engaged in homeland security. The Bill of Rights Defense Committee said the TIPS program would get citizens to “secretly provide information to the government about any persons whom they consider suspicious, and for the government to set up files on these persons.” The fear of the Bill of Rights Defense Committee was that doing that “may potentially damage someone’s record due to innocent activities that are misunderstood or are invented or enhanced by the caller because of a personal vendetta.” Under pressure from Congress the TIPS program was supposedly not put into effect. But it has been said a version of it was put into effect in secret. Regardless, a team of inspectors general in July, 2009 reported that the Bush administration did put into effect an unprecedented surveillance operation by executive order after the 9/11 attack. We don’t know what the surveillance programs were because they are classified. Representative Jane Harman expressed shock when she heard of these classified surveillance programs. Senator Patrick Leahy called for a nonpartisan inquiry into the government’s information-gathering programs. When in response to two Freedom of Information Act lawsuits the FBI published on its website its Domestic Investigations and Operations Guidelines, it deleted almost the entire section on the “undisclosed participation” by the FBI or its informants in domestic groups. So the question is who are the FBI’s informants in domestic groups? Is there a relationship between what it is trying to hide and the citizens with red cars, red trucks, wearing and carrying red who are part of the organized gang stalkers harassing American citizens.

COINTELPRO in the 50’s and 60’s targeted members of the women’s rights movement, the National Lawyer’s Guild, the Southern Christian Leadership Conference, groups protesting the Vietnam War, the National Association for the Advancement of Colored People among others. The Church Committee concluded our government undertook government surveillance of people because of their political beliefs even when there was no threat of violence or criminal behavior on behalf of a foreign power. The American Civil Liberties Union tells us today Section 802 of the USA Patriot Act expanded the type of conduct the government can investigate when investigating terrorism. “The definition of domestic terrorism is broad enough to encompass the activities of several prominent activist campaigns and organizations.” The ACLU names Greenpeace, Operation Rescue, Vieques Island and WTO protestors and the Environmental Liberation Front” as having engaged in activities that could be branded domestic terrorism. While the right is complaining the label domestic terrorist is being attached to supporters of Ron Paul, Bob Barr, libertarians, those who have written about the constitution, Tea Party Activists and a host of others.

Senator Feingold, the chairman of the Constitution Subcommittee of the Senate Judiciary Committee, before he even knew who would succeed George Bush, called on the incoming President “to pledge his commitment to restoring the rule of law” in America. In his Report Card on the First 100 Days of the Obama Administration he has given an “Incomplete” in every area of Obama’s record on Domestic Surveillance and Privacy: an incomplete on “declassifying info about implementation of controversial provisions of the Patriot Act,” an incomplete on “cooperate with a review of domestic intelligence activities and authorities,” an incomplete on “support legislative changes to the FISA Amendments Act,” an incomplete on “reconsider the new Attorney General Guidelines governing FBI investigations.” In testimony given to the Senate Committee On The Judiciary, Subcommittee On The Constitution, Civil Rights, And Property Rights, which Senator Feingold chairs – Frederick A.O. Schwarz, Jr., Senior Counsel at the Brennan Center for Justice in New York City, wrote “a bipartisan independent investigatory

Commission should be established by the next Congress and President, first to determine what has gone wrong (and right) with our policies and practices in confronting terrorists since September 11, 2001, and then to recommend lasting solutions to address past mistakes.” Later in his testimony he wrote, “A Commission would serve several functions. It would reveal the many as-yet-unknown aspects of what our government has done and how it evaluated or rationalized its action. And there is much we do not know. We still do not know, for example, the legal justifications advanced for the so-called ‘extraordinary rendition’ or ‘terrorist surveillance’ programs. We do not know with sufficient detail who was responsible for advocating and implementing the troubling policies based on these legal opinions. Nor do we know whether there are other secret programs that have not yet been revealed. But, as former Attorney General Nicholas deB. Katzenbach and I have argued elsewhere, in a country whose government is premised on the rule of law, there is never a justification for keeping binding legal decisions secret.”

The last COINTELPRO program was only made public when an FBI field office was burglarized by left-wing radicals and files there were passed to news agencies (many who wouldn’t publish the information). If organized gang stalking is the latest tactic being used in a new version of COINTELPRO with the same old objective of – neutralizing dissidents – how will we ever find out without a Commission to look into the classified surveillance programs started by George Bush and continued by Barach Obama as part of the War on Terror?

COINTELPRO: THIS IS JUST THE HARASSMENT AND STALKING YOU CAN SEE, DOES NOT EVEN BEGIN TO DESCRIBE THE OTHER CRIMES THESE PEOPLE HAVE WAGED AGAINST ME LIKE TOTAL SATELLITE SURVEILLANCE, DEATH THREATS, GANG STALKING, BREAKING INTO MY HOME AND CAR, PLANTING A GPS DEVICE IN MY CAR, INFILTRATING AND MESSING WITH MY EMPLOYERS, DOCTORS, POLITICAL GROUPS, ETC, ETC. INVADING EVERY POSSIBLE BIT OF PRIVACY I MAY HAVE LEFT EVEN MY BEDROOM.

ALL MY VIDEOS ARE SHOT ON THE SAME DAY IN MY OWN NEIGHBORHOOD AND ALL ARE DATE STAMPED TO PROVE AND SEE THE SHEAR INTENSITY, QUANTITY AND SHEAR INSANITY OF THEIR STALKING AND ATTACKS. I SIMPLY DON'T HAVE ENOUGH SPACE ON ONE YOU TUBE VIDEO TO PUT ALL OF ONE DAYS FOOTAGE. I CAN DOCUMENT IT ALL BUT JUST THE SHEAR NUMBER OF ENCOUNTERS WITH LAW ENFORCEMENT EMS AND FIRE DEPT PERSONNEL TELLS YOU JUST HOW TOTALLY CORRUPT OUR SYSTEM IS AND HOW PERVASIVE THIS COINTELPRO HARASSMENT IS IN THIS COUNTRY, NOTHING IS OFF LIMITS FOR THESE CRIMINALS AND THAT IS WHAT THEY ARE CORRUPTING THIS ENTIRE COUNTRY WITH THEIR CRIMES AND INTEL NETWORKS.

I'AM DEALING WITH THE ILLUMINATI (NWO) HERE AND THEIR FREEMASON MINIONS THAT OPERATE IN THIS COUNTRY, A TOTAL CRIMINAL AND OUT OF CONTROL DARK FRATERNAL ORGANIZATION. THAT AND THE SKULL AND BONES ORDER, THEY EVEN HAVE ONE OF MY NEIGHBORS FLYING A SKULL AND BONES FLAG, WATCH THE VIDEO. THESE ARE OCCULT LUCIFERIEN ORGANIZATIONS

WITH CONNECTIONS TO THE HIGHEST PLACES OF POWER, WE ARE DEALING WITH REAL SICK EVIL HERE, AND I HAVE CHOSE TO FIGHT IT AND EXPOSE IT. MOST OF THIS FOOTAGE IS COPS, SIRENS, AND FIRE PEOPLE WHICH THEY LOVE TO USE TO HARASS PEOPLE, BUT THE INTEL FREAKS (PERPS) THEY SEND AFTER YOU IS UNBELIEVABLE AS WELL, I WILL DO MORE FILMS ON JUST THEM IN THE FUTURE. THEN I FIND OUT RECENTLY I MAY BE PART OF A HUMAN EXPERIMENTATION MIND CONTROL/READING PROGRAM THAT INVOLVES THE VETERANS ADMINISTRATION AND THE PENTAGON AFTER I FILED A MEDICAL MALPRACTICE SUIT AGAINST THAT CORRUPT SYSTEM. THE CIA AND VARIOUS INTELLIGENCE AGENCIES AND THE DoD ARE NOW ORCHESTRATING MUCH OF THESE ATTACKS AND TARGETING OF PEOPLE TO COVER UP THEIR CRIMES LIKE 9/11 AND ALL THE OTHER CRIMES THEY ARE INVOLVED IN, TOTALLY IN VIOLATION OF HUMAN RIGHTS LAWS AND POSSE COMITATIS. THEIR CRIMES WILL COME TO AN END ONE OF THESE DAYS AND THE TRUTH WILL COME OUT ABOUT JUST HOW CRIMINAL AND CORRUPT OUR COUNTRY REALLY IS.

I AM ACTUALLY DEALING WITH ONE OF THEIR AGENTS WHO HAS REVEALED TO ME THE PENTAGON IS OUTSOURCING A LOT OF THIS SURVEILLANCE AND GANG STALKING PROGRAMS TO PRIVATE CONTRACTORS TO HAVE PLAUSIBLE DENIABILITY IF IT IS EVER EXPOSED. IT ALL STARTED UNDER GEORGE BUSH WHO AUTHORIZED THE PRESIDENTS SURVEILLANCE PROGRAM WHICH IS A SURVEILLANCE AND STALKING PROGRAM DESIGNED TO SILENCE AND SQUASH ALL DISSENT. BUSH AUTHORIZED INTO LAW A NAZI COMMUNITY POLICING PROGRAM CALLED THE CITIZENS CORPS <http://www.citizencorps.gov/>, A CITIZEN POLICING PROGRAM CALLED VIPS <http://www.policevolunteers.org/about/>, NOTHING BUT A NAZI STALKING OPERATION TO KEEP PEOPLE WHO HAVE BEEN TARGETED BY THE POLITICAL SYSTEM IN LINE, LIKE THE STASIS OR RED GANGS, NO DIFFERENT, BUT IN THIS CASE MUCH MORE DEADLY AND EFFECTIVE, THEY HAVE THE FULL FORCE OF THE MILITARY BEHIND THEM TO SURVEIL WITH MILITARY SATELLITES, TRACK AND STALK PEOPLE LIKE ANIMALS WHICH THEY ARE DOING TO ME. THEY ALSO HAVE DEVELOPED OTHER PROGRAMS SUCH AS THE

INTERNATIONAL ASSOCIATION of CHIEFS of POLICE

MANY OF THESE PROGRAMS ARE NOW OVERSEEN BY THE DEPARTMENT OF JUSTICE, <http://www.ojp.usdoj.gov/BJA/> THERE IS NO MORE JUSTICE IN THIS COUNTRY IN MY OPINION ONLY MILITARISM AND HATE. GOD HELP US! I BELIEVE I AM ALSO BEING TARGETED BY DIRECTED ENERGY WEAPONS WHICH ARE USED IN MIND CONTROL AND MIND READING EXPERIMENTS CURRENTLY GOING ON VIA THE CIA, DoD AND SUPPORTED BY THE VA. I BELIEVE I WAS CHOSEN FOR THESE EXPERIMENTS AND TARGETING THROUGH THE VETERANS ADMINISTRATION AND DoD BECAUSE OF A CHRONIC

LIFE THREATENING ILLNESS I CURRENTLY HAVE TO LIVE WITH AND MY POLITICAL INVOLVEMENT AND MY KNOWLEDGE OF THEIR CRIMES WHICH I THINK IS THE MAIN REASON, MAYBE THEY THINK HE'S GONNA DIE ANYWAYS MIGHT AS WELL TORTURE HIM BEFORE HE GOES, THAT'S WHAT THESE LUCIFERIAN'S DEAL IN COLLECTING SOULS. THE CIA HAS TRIED TO RECRUIT ME, I REPORTED THEM TO MY CONGRESSMAN MARK UDALL (Carolyn Boller) NOW A SENATOR, I GUESS THEY DID NOT LIKE THAT, WAS TOLD THEY TRY TO BREAK DOWN PEOPLE THEY CAN'T RECRUIT. I WON'T BE HAPPY UNTIL THEY ARE IN JAIL!

ALL THOSE TARGETED MUST READ THESE!

HOW DO WE KNOW THEY(The Illuminati) STILL EXIST?

Every year, a meeting is held between the most powerful people on the planet. The group is called the Bilderberg. The purpose of these meetings has been kept completely secret from the public. Some of the people at the latest Bilderberg meeting were Robert L. Bartley (Editor, Wall Street Journal), Samuel R Berger (Assistant to the President for Security Affairs), Lee H. Hamilton (Congressman), Colin L. Powell (Former Chairman, Joint Chiefs of Staff), Lesley R. Stahl (National Affairs Correspondent, CBS). Is there any other explanation for these people to all meet so secretly once every year?

World Day to End the Silent Holocaust 2006

Western Australia, Australia

24 October 2006

Contact: Deborah Dupre's Campaign Coordinator: Email: icesh@duprevent.com

INTERNATIONAL CONFERENCE ADDRESSES COMMUNITY COVERT TORTURE MURDER WITH DIRECTED ENERGY WEAPONS

More than fifty scientists, professors, engineers, former intelligence personnel, well-known published authors and targeted individuals from Australia to Alaska recently united to call for government inquiry into covert harassment and remotely inflicted direct energy torture.

Targeted individuals globally are being secretly tortured to point of death or to death in their communities according to Deborah Dupre, the campaign coordinator and coalition founder.

The group launched its international coalition to alert the public to extensive directed energy weapon (DEW) assaults on selected persons. Victims are systematically, continuously, covertly tortured; severely injured; disabled; sometimes killed or driven to suicide. Criminals attack targets with non-lethal, 'through-the-wall' electromagnetic weapons from a distance so are not easily identified.

The Coalition aims to obtain formal government investigations into these organized terrorist activities.

"We call this a 'Silent Holocaust' because weapons deployed for this operation are poorly publicized; technologies involved are silent; and targeted individuals are silently dying from these hidden weapons and other undeniable human rights abuses by covert extremists. The operations are aimed at whistle-blowers, human rights workers and peace advocates - persons respected and protected in democracies. It appears there is also a random selection of targets and target numbers are increasing," Dupre reported.

Selected targets are abused with round-the-clock bullying, stalking and remote electronic torture by interconnected organized groups whose objectives are clearly lethal.

"Clearly perpetrators are operating under central direction and control, acting above the law with impunity and apparent immunity. Consistently, victims' complaints to local and federal government agencies are never investigated," Dupre stated, adding that U.S. Air Force Secretary Michael Wynne publicly advocated that government "test" these weapons OVERTLY on "unruly crowds."

Eight different countries were represented at the conference. Speakers included Dr.

Nick Begich, author of "Controlling the Human Mind: The Technologies of Political Control or Tools for Peak Performance;" author Gloria Naylor, Robert Duncan, Ph.D., a Harvard-educated scientist, and Eleanor White, retired engineer and long-term advocate of banning covert electronic torture.

Conference presenters focused exclusively on central government responsibility for the torture murder operations: "Only government has the power, financing and need to test electromagnetic devices for military purposes. U.S. federal agencies have a well-documented record of secret experiments on involuntary human subjects dating back more than 50 years including CIA MKULTRA mind control experiments and Atomic Energy Commission radiation experiments. Presently no legislation prohibits United States testing new weapons on human subjects." Speakers agreed that this is the worst crime government has committed since the Nazi Holocaust

Participants held a commemoration of targeted individuals that died while struggling to survive this type of extreme violence.

Media are welcome to interview targeted individuals from around the world upon request. Photo ops are available at certain locations by pre-arrangement with the international coalition campaign coordinator, Deborah Dupre', email: icesh@duprevent.com

TARGETED INDIVIDUALS UNITE GLOBALLY TO END THE SILENT HOLOCAUST

Targeted Individuals suffering from organized abuse inflicted by covert terrorists that harass, stalk and torture them in their communities are joining forces globally for the first time 21 October 2006 in hopes of gaining support to survive and to end this form of terrorism.

On the first World Day to End the Silent Holocaust, scientists, former intelligence officers, legal experts, published authors and others from over eight countries are launching an international coalition to strengthen awareness about the hidden crime wave and pressure for investigations and government enquiries.

"Citizens of the World Standing Together to End Organized Stalking, Lethal

Bullying, & Remote Electronic Torture” is the first annual event’s theme sponsored by Freedom From Covert Harassment and Surveillance and Duprevent International.

Dr. Nick Begich, author of Angels Don’t Play This HAARP, Dr. Robert Duncan, Harvard Scientist, Dorothy Lay of the Lay Foundation and author Gloria Naylor are among the list of conference speakers.

Representatives from Australia, Canada, the Netherlands, the United States, Belgium, Austria, England and India will to participate in the conference, indication this criminal activity is more widespread than most realize.

Deborah Dupre, the international support initiative founder reported, “Toronto, Ontario Rape Crisis Center recorded so many clients presenting with consistent stories and physical symptoms from new microwave weapons assaults on them, the centre staff led the world in learning about this crime and offering specialized support to survivors. Commonality among targets is human rights advocacy - whistle blowers and peace workers are targeted - citizens that should be protected and respected in democracies. Single women are at risk for being targeted.”

In 2002, a short survey of symptoms of gang stalking with electronic attacks of about 12,000 people returned a rate of about one person per hundred saying they had most or all of the gang stalking symptoms. It is estimated a minimum of 2 million innocent citizens globally are presently tortured in-home and community.

“Most targets first think they’re just having months or even years of “bad luck,” “mishaps,” “odd diseases” or “accidents” not realizing they are targets of organized crime creatively ruining their lives,” Dupre said.

“Now numerous on-line support groups and an international crisis hotline out of Austin Texas are operating in attempts to help targets survive but a media black-out and law enforcement ineffectiveness continue to perpetuate target suffering and deaths and perpetuate the criminal activity,” Dupre said.

The conference is open to the public and public officials, targeted individuals and their families and friends are encouraged to participate. To listen live to conference speakers and participate in the discussion, dial 1-712-432-4000, then Access Code: 5888200 and 6 to mute your phone.

Victims of these publicly unrecognised crimes will be present and available to relay their personal experiences upon request. Interviews and photo ops of guest speakers and attendees will be available upon request to campaign coordinator.

Brain wave monitors/analysers (remote sensing). These newer technologies actually allow the target's thoughts to be interpreted.

I KNOW FOR A FACT THEY ARE DOING THIS TO ME! EVERY TIME I DOZE OFF TO SLEEP THE PHONE RINGS, OR A SIREN WILL GO OFF NEAR BY, JUST ANOTHER WAY TO HARASS AND TOTALLY INVADE YOUR PRIVACY, PROBABLY TRYING TO READ MY MIND.

Everyone from social conservative types, "Sheriff Supporters", community watch, friends/relatives/etc of "first responders", basically anyone they can convince (and subsequently they can convince) to harass an individual and most likely a variety of individuals. Have you heard of VIPS? Community policing? THIS IS IT!! It is nothing short of ENTRAPMENT to provoke an individual to react to the constant abuse in an irrational manner. It's a blatant ABUSE OF RIGHTS committed by the hypocrites that have sworn to "protect and serve". The nail in their coffin will be the detection of "unusual" radiation levels being recorded. Following someone around is one thing, poisoning and torturing them through the constant overexposure to various forms of "directed energy" is a human rights violation and international crime. It will eventually be done, whether it is done by either of us is the question.

Military, both active and retired play a HUGE role in this abuse also. Probably the reason it has become so much more widespread since 9/11. They were granted too much power on domestic soil and this is the result of that shift. It will be short lived. Their abuses will be exposed once they target a few people in which their arrogance clouds their common sense. At this point they can't even handle the two of us (LOL!). I guess it's a work in progress...

Greeting's Kevin,

Our meeting on April 12, 2010 with the FBI at 26 Federal Plaza, their New York State headquarters went very well. In attendance were two FBI officers one federal uniformed police officer, Marcia Lee, Denise Pompel, Steve Delano and myself. Our case is centered around the recent developments in the major media that have shed light on our circumstances, and the growing number of people coming forward seeking our support. We filed a written complaint stating simply, "That we are victims of an on-going electronic weapons assault and are seeking the FBI's assistance in a formal investigation into this matter." I do not expect much to happen quickly but at least we have a complaint filed. Please continue your of our concerns and help me bring these issues to light. If you would like to go with another group please call me so we can discuss it. Our goal at this is simply to get complaints on file.

We are planning to do this in every major city in the U.S. !

BARACK OBAMA IS FULLY AWARE OF THESE PROGRAMS AND ALLOWS IT TO CONTINUE. I CAN ONLY ASSUME I HAVE BEEN TARGETED BECAUSE OF MY OUTSPOKENNESS AND KNOWLEDGE OF THEIR CRIMES (bogus WMD story) AND CORRUPT ELECTION PRACTICES. THE PENTAGON SHOULD BE TOTALLY INVESTIGATED FROM TOP TO BOTTOM BY A MASSIVE INDEPENDENT INVESTIGATIVE TEAM, BUT THAT WILL NEVER HAPPEN BECAUSE BARACK OBAMA IS CIA AND OUR CONGRESS IS CORRUPT WITH BILLIONS OF THEIR OWN MONIES INVESTED IN DEFENSE CONTRACTOR COMPANIES, HOPEFULLY MANY OF THEM WILL BE PACKING THEIR BAGS IN NOVEMBER, REASON HE (OBAMA A FOREIGNER) WAS INSTALLED TO PROTECT THEIR CRIMES, WHO ELSE BETTER TO PROVIDE THEM COVER THAN ANOTHER CRIMINAL. I HOPE THEY IMPEACH HIM AND SURLY NEVER REELECT HIM, HE'S A MURDERER (HAITI EARTHQUAKE). I HOPE HE HAS A COZY RELATIONSHIP WITH THE DEVIL BECAUSE THAT IS WHERE HE WILL BE GOING ALONG WITH THE REST OF THESE CRIMINALS OR TRASH AS I LIKE TO CALL THEM.THEIR AGENT TOLD ME WHEN A PERSON IS TARGETED OR SANCTIONED THEY HAVE A SLANG TERM FOR THAT, TAKING THE GARBAGE OUT. WELL ITS TIME WE TAKE THE REAL GARBAGE OUT! THEY ARE NOT ONLY GARBAGE BUT CRIMINALS AND THOSE WHO HELP THEM ARE JUST MIND CONTROLLED SCUM. THEY WILL BE COMING AFTER THEM SOON AS WELL I HOPE.

Hello

One of the major elements of OS/EH and MC is the "Power game". For sure, everyone in his life lived through situations, where he refused to do what what others wanted you to do. This could be the timepoint, where a "war between you and them, the perps" broke out. Like expert Col. Dr. John B. Alexander wrote: "War is not about killing people, but about imposing your own will upon others". And they have the means to bring you as far as that. So they play this absolutely asymmetric/onesided/unfair/illegal "power game" endlessly with you ("we will show you, who is in power here") until they finally think, they have reached their goal: The breaking of your own will. This will/should show them, that this system in the end always is successful whatever the circumstances or the enemy.

However, I know for a personal fact that at certain levels within the Veteran's Administration health care system, doctors know what its all about. They know the whose, the how's, and the why's of it. This is the organization that we should be focusing our efforts on, systematically building a case against them. It is likely that the VA is either the source of TI targeting or they are acting in support of that source. The targeted veteran gets free medical care through the VA. The VA, on the other hand, gets access to the TI's body, biochemistry, and in many cases their minds and souls. The VA doctors very likely know what veteran is a TI, what ones are being targeted in certain ways, and through routine medical checkups, determine the effects of that specific form of targeting has on the body and mind over a long span of time. The VA makes for the perfect cover for this kind of wide ranging human experimentation.

The DIA (DOD or Pentagon), the CIA and The NSA are behind the technology. John B. Alexander of the DIA is the main man in the Pentagon behind this. Shawn Henry of the CIA is involved. The Free Mason and Illuminati plus Bilderberg are involved. Major corporations involved include Microsoft - Craig Mundie, Coke, Alcoa, Goldman Sachs, Vulcan Inc. _ Paul Allen (My friend at the NSA has informed me that Paul Allen is financing the attacks on me.)

It's the Free MAson private citizen that attacks people. I witnessed my former neighbors attack me. I can identify 43 people who have formed a gang in KC that attack people.

£842 TIs as
a false flag operation

It has been the same for all of us
to more or less of an extent. I was even left alone for three years. For
me to stay silent would be like I was in a concentration camp and had
witness some of the worst atrocities imaginable and was one day offered
to be set free.

It was like they were saying here, you can go

we are going to let you go free. That's right we are going to spare you anymore pain. Walking out of that concentration camp and never speaking about it amounts to being complicit in the horrors taking place. They might as well have put an SS uniform on me. I might point out how the camps were put in other countries to keep it from their population and get around local laws

perhaps.

Of course you still could never believe a word of what is told to you and all we actually have for communication is covert torture or relief of torture. Maybe they want to teach us to be subservient, submissive and compliant. A no hands approach, Just covert torture so the population doesn't catch on. At the same time they are expanding the definition for psychiatric disorders while using V2K and supportive covert weapons to augment the microwave hearing effect. They are doing the same at the pharmaceutical side developing drugs to also make people more compliant, weak and submissive. Are we making your life suck? Are you depressed then there must be something wrong with you. In some cases these drugs(Chemtrails or food additives) can infect the body with micro particles that will enhance directed energy weapons(DEW' s) or remote neural monitoring(RNM) . Implants have been found and the medical field seems to have been compromised ignoring there oath, "To do no harm". This is an attack on the public at every level imaginable.

What is being done covertly to us now will be done to everyone in the future. No one should have this level of control and power over another human being. We even ask our selves what could I have done to deserve this? The answer is that there is nothing any TI could have done to deserve this torture and attempts on our lives. There is nothing we could have done to compare with what is being done to us. They are torturing and killing us. At the very least taking away the ability to work and earn a living, placing us on disability, destroying personal relationships and destroying our lives with a covert drawn out slow kill. They will even go as far as to attack those around us and those we love, even our pets.

The goal is to make people afraid to protest a war or our governments actions. Wars that all now seem to be instigated and started under false pretenses. Rally the people with false flag operation. Like the Gulf of Tonkin incident. the false testimony of weapons of mass destruction by one man that sent us into Iraq and possibly even knowing the Japanese

were coming to attack pearl harbor and did nothing so the carnage would insight the American

people to war. The latest airplane bomber had his father pleading to stop his son who had been radicalized. He went to his government and even the CIA but they let him go though with it. We would never have heard a word about this if the plane had been destroyed instead of

his testicles being burned. North woods was another great idea by the CIA to cause bombings and attacks on American soil, killing civilians, police and military to gain the support for a war against Cuba. We came to the brink of a nuclear war

over Cuba and the bay of Pigs and Northwoods may have provoked these tensions.

Because we have not supported these wars and the subjugation of our rights we are now the target. They are attacking us and then using our

disorientation and confusion in the beginning to say we are unbalanced and then either discrediting us or having us further attacked and humiliated by involuntarily being committed in a mental hospital. Where in my case the attacks continued and were the most brutal. while I was incarcerated in a place where the doctors and attendants thought they were helping me. such are the capabilities of covert attacks by directed energy weapons and I had to pretend I wasn't under attack to be released. Our attacks are in a sense further false flag events. In the minds of our oppressors people WILL NOT interfere with the goals of the government, or it's corrupt and illegal activities. If they can not dig up evidence of criminal activity in the covert surveillance then the surveillance will go overt, torturous and if necessary murderous. The FISA courts, laws, weapons and allow for this to be legally happening to us while we are unable to defender selves in court or face the law enforcement members accusing us.

This will only become more abusive.

Especially when our accuser is also our attacker. It always does when this much power is in the hands of those with power. Also all those that have been killed by a forced suicide can no longer speak up unless we do it for them and the suicide statistics support us.

V2K

whether done overt to waking TIs of covert in our sleep or to our subconscious needs to be exposed. This is the most secret weapons component of this weapons system supported by, millimeter wave surveillance, voice cloning, and (RNM) remote neural monitoring, etc.. this weapon and an end to secret courts meant to attack foreign spies

with a surveillance program that can kill.

Your raw footage is compelling and convincing. But it is uncut and too rough for most viewers:

1. Add a "Stalker Counter" to the frame that counts and add the number of confirmed spooks.
2. Combine this counter with a timer for maximum effect, especially when three leo vehicles buzzed you within x# of minutes.
3. Add text and voiceovers to your videos on the relevant orgs., programs and characters.

Do you also notice people acting eratic when they are near you? I am not sure who is targeteting you but i beleave it is caused by the nsa or who they contract. I have filed charges at evey govt agency and it goes nowhere. The videos show a more stocking and watching your behavior because you are not acting confrontatiinal. I have noticed that with the police unless you do something they will just watch and wait and let someone harass you and do nothing.

Kevin:

Question 1: You say in the 'about me' section of your YouTube site, and again on some of your videos, that you've been Gang Stalked for 7-8 years. I'm curious how long ago you discovered the TERM Gang Stalking -- i.e. the standard protocol they use. In other words, how long did you live in a vacuum, not knowing how many other people are in the same boat as you?

Question 2: Have you considered starting a meetup group on the subject? What might the 'title' of the meetup group be; 'gangstalked', 'blacklisted', 'targeted individual' (should that be plural), or do you have other ideas? What would be your concerns about a meetup group; other than the obvious, that the perps, the media, the cameras would be there, the head-screwing would be extra thick that night. Do you have any other concerns you wish to warn me of?

I appreciate the quality URL links in your videos, I especially like www.TorturedInAmerica.com -- Here's another one you might want to look at. Google an article by A Glass, on gangstalking, eg; google 'gangstalking a glass' or visit <http://searchwarp.com/swa546216-Awareness-Of-A-Gangstalking-Conspiracy.htm>

Once again, call me at my home number (1-877-251-7838) anytime you want to compare notes about it.

Kevin:

Yes, some of your videos show police harassment & stalking. I have only watched a 12-18 of your videos so far, but the ones on the top of the list are best I think. I especially liked the one with all the white SUV's passing you. Way too many to be a coincidence, and it shows big balls reciting occasional license numbers out loud. The chrome domes wherever you go -- I wonder how they like having their nasty faces on the Internet -- I hope it doesn't become a legal issue for you. And the security guard in the laundromat where the security guard just happens to be cleaning off the machines close to you. And the car alarm that just happens to go off when you walk by. Keep it up man, keep documenting, please DO NOT stop.

Same thing happens to me, the security guards are out front of the mall when I arrive, or loitering around me at the grocery store, I realize they're just doing what they are told though, so I don't take it personally from them -- the 'layer' of people above them is another story though. When I enter & exit my apartment building. I could go on with examples forever, it's been going on for 4 years.

I would like to hear; 1) 'when', in your 7-8 year journey, that you discovered there were others in the same boat as you -- in other words, how long did you live in a vacuum, and 2) what do you think I should watch out for if I decide to start a meetup group. I have not decided on whether to do this, or not.

Warm regards,

When you talk about 'proof', it will involve a lawyer, and money, which they will flaunt at you, but only if you sign a 'gag order'. And your lawyer will recommend that you sign it, mostly because s/he wants their contingency cut. But if you cave, and sign it, you'll be living the rest of your life biting your tongue. Screw the money, man. Blow the story, I watched a video of yours where you said it may now have become a 'life purpose' to EXPOSE this sham. Screw the money, expose the sham. And don't be stupid, you're never going to get to keep any of it anyway, there will have been some small detail in the contract, or as soon as you 'would' have gotten the money, people will be lining up with lawsuits, which will freeze the funds. You're not going to get any money out of this. Keep it up, keep publishing videos, don't let them fool you into shutting up. Please.

To you, it's not about the money. To a lawyer, it's ALL about the money. I think I have a 'read' on you after watching/listening to some of your videos. No, it's not about the money, I'm sorry if I insulted you. But when the number gets large enough, and you're having trouble making ends meet, you may cave. But if you do, you'll be selling out your countrymen, and worse yet, selling out your country. Screw the money. And never agree to binding arbitration, which will involve a settlement. Just push for a zillion dollars, they'll never agree to that. Don't ever settle. Your wiesel attorney will pressure you to settle -- because they want as much money as they can get, for as little work as possible. Tell the stinking wiesel, "you're going to have to EARN this". Just remembre, if it goes to court, it will be on the record, where it can embarrass the thugs, and enlighten the TI's. And right at the last minute, before it goes to court, your wiesel attorney will be PRESSURING you to settle. Tell him to eat s*** and die, ask him, how many times do I have to tell you, you are going to have to EARN this. By the way, I really like that one video, where you pointed out the attoney who went to jail, for trying to help their client fight gov harassment. I never considered until that time, there's a gag order on attorneys, which is really f***ed.

OK, enough about the money.

people who do contact me are their perps or agents. So unfortunately I don't trust too many people anymore... Perhaps a proof test is how much they genuinely help you. For two reasons; 1) if they really ARE helping you, it strengthens their case in being ON your side. But even if they're jerking your chain, at least they're helping you. But I don't want a tid-bit of help here, a tid-bit there. I want the 'hits to keep on coming'. Else they may be a perp. 2) if they are ABLE to help you it's probably they are of superior intellect, which likely has a lot to do with why they're a TI in the first place.

It is interesting that 'most' of the people who contact you are perps/agents, I suspected that, but I'll be on my guard.

...it may take a person a while to wise up to whets going on, but once they do all bets are off.. I'm still curious how long it took you to 'wise up'. After which yes, I agree with you, about the bets being off. As you said on one of your videos, you want to help expose this thing. So do I, especially to the TI's, 99% of whom I suspect haven't 'wised up' yet.

If you have any ideas on how to get perps to talk and help expose this crime syndacate let me know, I think that is key in proving anything. Now I'm not being funny here, but for those few who find the Lord after being a schmuck for so long -- maybe they'll feel obligated to let the cat out of the bag.

On another note, I think it was in one of YOUR videos that I found www.TorturedInAmerica.com -- which is a hot site. The bottom 1/3 of that web page, discusses the 'structure' of 'the syndicate'. The author says they're not sure if it's real or not, but it sounded pretty authentic to me.

So how to find more; born-again's, and whistle blowers, let's keep our ears to the pavement on that one.

1. I doubt your 'case' is any different than a few thousand others. In any event, I think you will get more satisfaction out of helping to expose this sham to thousands of TI's who haven't 'wisened up' yet, than in dealing with your own 'case'. And if you agree with me, then a documentary, or some YouTube videos will be even more incriminating to them, than a court case, which would take years to

complete, during which time you'd be gagged. I am sorry to say, I doubt they will ever be salvaged.

2. Google the term, 'secret society silent dagger'. You MUST precede it with 'secret society', because if you simply google the term 'silent dagger', any pertinent results will be buried in a pile of inapplicable results. What you will find is, that 'discrediting' and 'character assassination' have been a standard operating procedure with them for centuries.

life is made a misery by any means possible

i.e. slandered to friends , family colegues etc.

driven out of business , facing ruin , trying to make life hard at every turn helped by police (more than 50% of police are in the masons) most are just following orders i guess , total corruption of power and professionalism .

may even be set up for suicide or murder .

but i guess low lever masons may not know what really is happening .

Your Videos

Hi Kevin-

How are you doing? Just wanted to let you know that your videos not only show police, CIA, etc harassment, but that they are the ONLY ones here on YT that (IMO) show it the SAME as I am attempting to do.. Thanks for putting them up!

There is an ongoing assault w/FAKE STORMS, NOISE, POLICE SIRENS, LOUD HELICOPTERS, LOUD/LOW FLYING AIRPLANES, etc...24/7/365 on me/myhome.. It is hard to convey this info to the public, because a great majority of them are either involved/disinterested. The ones who are involved are on here (YT) to try to discredit by claiming that there is "nothing depicted" in our videos...(I'm sure you have had run-ins w/them..)

There is alot of semblance in our videos, so I am certain that we are being assaulted w/the same techniques. I, too, get "followed"

EVERYWHERE...and if I arrive @ a store/building that is "empty", they will "arrive" within seconds to target me w/cellphones...(If it was'nt so damn sickening, it would be amusing...)

Soooo....get back to me, 'kay?

Being under surveillance etc.

Apologies for such a long post

Hey Kevin

I have been a TI in Australia for nearly 5 years although i never suffered from V2k or other deus i have spoken to many that have.

I became a TI almost 5 years ago and although i haven't experienced any actual torment for around a year whoever started this has put me through absolute and describable hell from around 2005. Since that time I have been run off the road, had death threats, people saying they wanted to kill my partner, burn down my house etc.

Now to the weirdest and most unbelievable parts of my story which have landed me in a psych ward twice, had people (over my radio) alert me to the fact that EVERYTHING i did was being listened to and here comes the part that even most other stalking victims don't believe (and makes me sound nuts) but it has been proven to me on many occasions, that somehow they can read your thoughts.

I have only come across a small amount of peoples stories

that have experienced this or know its happening. In the beginning I thought my car and everything around me was bugged, then I stopped taking my cell phone around with me thinking that was how they could hear me, I only later learned they could do this via satellite. It makes life very hard when you know you are somehow under CONSTANT surveillance and even your thoughts are no longer private.

Re: Being under surveillance etc.

YA IT'S AMAZING WHAT THEY CAN DO WITH SATELLITES NOW, GOD ONLY KNOWS, I'M PRETTY SURE I'M ONE OF THEIR GUINEA PIGS. I KNOW TIMOTHY WHITE, A LITTLE QUESTIONABLE IF YOU ASK ME, I JUDGE PEOPLE ON THEIR ACTIONS AND HE DOES JACK SHIT BUT TALK. I'M SURE THEY CAN PROBABLY READ PEOPLES BRAIN WAVES AND DETERMINE SOME THINGS FROM THAT, I KNOW THEY READ MINE ITS CALLED REMOTE NEURAL MONITORING. THEY ARE ING PIGS! THEY WANT TO CONTROL US ALL, THAT IS THE GOAL OF THE NWO CONTROL THE MASSES AND MIND CONTROL IS HOW THEY INTEND TO DO THIS, WE WILL TAKE THEIR MIND CONTROL AND SHOVE IT UP THEIR ASSES, THEIR DAY IS COMING. UNTIL THEN I'M TARGETED BY YES DEW, MICROWAVE WEAPONS AND THIS REMOTE NEURAL MONITORING.

To make a very long story short... I pissed off some hateful people somewhere in my life. I'm watched, listened to, and followed everywhere. And yes I do mean everywhere. I call it America's new silent prison system. While the police force/legal system is a part of it, the majority of mine is being done by regular people. My neighbors, people in the community. My personal life has been slandered to bits. I am literally driven from where ever I work. This began for me about 2002. Yes I can see the police harassment but you have the power to make it go away.

They are enforcing laws of Commerce, but they do not hold a bill of sale from the creator of our planet, thus they seek your consent to enforce laws upon you. God gave you Dominion over all the earth. Dominion means to rule. Examine Genesis 1-26-28 and you will see it clearly stated there in God's own words.

If you look on my website about halfway down the main page you will see Site Created Articles or simply do a search for it in your Browser. I also wrote an ebook called, The Extortion System of the Ruling Elite. I am uploading a revised edition tonight as Terry and I have finished editing Chapter 7.

The simple reality is that cities, states and countries exist only in

an imaginary world. The only thing that is real is the earth. To overlay a name onto the earth or yourself is a fraud and hearsay. No one can say that the name they apply to someone or thing is true as it is again hearsay. This is why God did not give man male or female a name, as God did not create anything of fiction. LORD God created the fictional world usurping God's creation with names as per Genesis 2.

Anyways read the articles and book. It will help I think.

You win the game not by fighting against the SYSTEM, but by removing yourself from their game.

Hi Kevin,

Agenda 21 is the global social reengineering project that has been covertly spreading since the initial declaration in 1992.

Unless you haven't noticed, everyone around is dressed in particular color codings designating

partaking of specific social networks, Basically it is an extension of freemasonry's basic recognition rationale applied on a microsocial level.

Calling the plan "satanic" will not save your (or my) day. It takes a lot of analysis to demonstrate why it is conducive to illicit acts such as redistribution of wealth and social exclusion which is what I am doing right now.

I'm also gangstalked and audiovisually surveilled 24/7 while my entire life has been reduced to reality TV.

Kevin, I'm hurting bad. These guys attack me like an Atomic bomb.

They access the electrical grid directly. The wires do not contain all the electricity. The power grid loses 15% of its power up to feet from the grid. They use RFID defices and implant the devices and other nanoparticle is the capacitors and the plasma wavelengths roll right along the wires. They build the system from the ground up. At the surface of the earth a particular signal is emiited. As the system elevates into to the atmosphere or higher distance, the sifgnal changes to create the network. So you have tiered

electronic devices that create a dish like network that surround the earth. In the atmosphere, they are using TV signals . Barium is the element to transmit the signals. This is how they have created the holographic canvas and the matrix above the smart dust network which is supported by the TV signals and other satellite microwaves and infrared waves.

I have to go.

I *know* you're telling the truth

My and my Husband's family are 4th generation military on three continents.

My Stepfather was CIA.

I have been tracked all my life.

In the last few years, it has gone past being tracked to be slowly killed.

It might sound off the wall to those who never experienced it, but to those of us who have, what you are saying and filming is so familiar as to be undeniable.

In addition to what's in my videos, on my FB profile, I have photos of the chemtrails and the helicopters, including black hawks.

We too are followed when we go out, often with helicopters.

You can't film and photograph delusions.

D2

I wish I wasn't telling the truth, its become a nightmare for me, have death threats, gang stalked. I got too close to power in this country, corrupt power, I know too much. They have tried to buy me off, now its just like you said slow kill. You live in Israel, I hate to say it but Israel is the king of surveillance and had a lot to do with 9/11 I believe. The NSA farms out a lot of its dirty surveillance to Israel now, plausible deniability you know how that goes. We live in a militarized world I hate to say, I hope to leave America.

Well there are a lot of CORRUPT factions going on in the TI community. I'm fighting for myself too trust me. But people don't realize how much personal power they have especially now with the Internet, which they are trying to control. Every TI must try to make it to DC and see their representatives in person, they were very open to talking with me. We need attorneys to help us with this fight now more than ever. I can give you Barack Obama's personal attorney that's how involved I got with these criminals. Click on my Colin Powell letter beneath my videos, it explains it all, these people are Illuminati criminals, many of them satanists I kid you not, we are dealing with real evil here.

someone interview me, in order to tell my own story.

Some months ago, I watched a number of your videos, and came to the conclusion that you genuinely are a TI.

Like the videos of a lot of TIs, it is only the '*accumulation*' that tells the story. Individual videos do not say much. There sure seems to be a 'lot' of white SUV's & bald headed chrome domes that are involved in your stalking. Plus you impart a number of 'nuggets' of info in the things you say in the videos. Such as the concept of 'safe houses' in NYC, a comment you made on one of them.

DID THAT TWO WEEKS AGO, HEARD ON THE NEWS THE COVERT ACTION BILL WILL BE GOING TO THE FULL SENATE NEXT WEEK REQUIRING ALL COVERT ACTION TO BE DIVULGED TO A MUCH WIDER COMMITTEE.I DON'T KNOW IF I HAD SOME EFFECT ON THAT BUT UNLESS TIs GET OFF THEIR COMPLAINING REAR ENDS AND TAKE ACTION NOTHING WILL BE DONE. I am an american citizen living abroad in El Salvador, an English as a second language teacher. Born in San Francisco California and loyal to my U.S democratic progressive beliefs, I have never been a radical, yet, I suspect that, for exercising my freedom of speech about wall street corruption, I have become the target of whom I can only assume to be an American Intelligence Agency or contractor.

A team directed by Carlos Navas a lawyer , fraud risk ,revenue assurance manager for TIGO San Salvador, El Salvador, a multinational telecommunications company part of Millicom Luxemburg, has set up a black operation at my place of work, abusing the student teacher relationship we have by simulating to be students, are using my classroom as a deceptive scheme for a frame-up that is trying to fabricate false evidence against me, gathering all my personal information to fit their preconceptions, trying to force me to self incrimination on false charges by entrapment and psychological harassment, have gone as far ,as to place a truth drug in my coffee and asked me what would I do if my daughter was kidnapped by armed men. Even though I have no assets or money and very low income ,they threaten of falsely accusing me of tax evasion, laundering money ,etc. , with the purpose of forfeiting my wife’s homestead ,our only material possession. This intimidation scheme has been going on for a year, a plot designed to set me up for false criminal prosecution because of political reasons.

Being bullied by a powerful force whom I still cannot clearly identify, I fear for the safety, security and life of my family and knowing that this is a conspiracy against my rights, a clear violation of my human, civil and constitutional rights, with all due respect request your assistance because I have no financial resources to defend myself and because of their fault have lost previous jobs and may lose my present job and end up destitute thanks to their slandering and the character assassination of my reputation.

Many Americans have been driven to suicide or “going postal” because of these same psychological techniques, it is time to stand up for our rights and it is time for American media to play the role of watchdog of American freedom and liberty.

You have no idea how criminal our govt is Mike, maybe you do in your line of work. I'm gang stalked everywhere I go, they listen and watch everything I do with satellites. They use directed energy weapons on me, my life has been turned into a nightmare. All because they can't silence and control me, they never will. Have had death threats, have people walking around me limping all the time, hint, hint. I think I'm on the slow kill plan now with microwave shit. I go back and read emails I sent to people or things I post on my sort of blog, misspellings, things are screwed with, especially anything having to do with Obama or the CIA and he IS CIA. Just little things they do to discredit you. Anyone who talks about inside presidential goings on is TARGETED by our govt, plus I know about their WMD shit.

I just film as much as I can, my videos don't lie. Can't even begin to film all the shit they do to me. Someday it will all come out in the meantime I'm just documenting it and EXPOSING as much as I can. People are waking up, we are having victories here and there. My life is screwed up by this illness so I might as well do something with it, if not for my faith in God I don't think I ever could have handled it.

We have a difficult time proving that gang-stalking is real, much less anything else.

Just trying to explain what happens to a T.I. early in the game, is enough to get some T.I.'s put away, and the usual T.I. experiences generally include: gang-stalking, destruction of reputation, breaking and entering (even while the victim is at home), vandalism, noise harassment, sleep deprivation, mind-control techniques (mere stimulus-response actions), gassing (with sleep chemicals, etc., or harmful biological elements), remote manipulation of appliances, micro-chipping, 24/7 surveillance, etc.

Most T.I.'s suffer with one or more of these things before the big guns, like voice to skull technology, are brought out.

I have always thought that we needed to start small, in the courts. That is, let's try to get the most believable elements of being a T.I. to be accepted first. If we can't do that, it would be more difficult to get the courts to believe the more dramatic claims.

However, I defer to Derrick and his associates, and have faith that they are well-meaning. We learn as we go along. If something doesn't work, we change it. We need to change what we

present to the courts, perhaps. Maybe not. Maybe it will work in the opposite manner wherein, if the more dramatic claims are presented first it will be easier to believe the seemingly more common claims. Time will tell.

whatever the program is, be it FBI, gov't or a bunch of tools of/by/for the elite or a combo of all, he certainly gives all indications of being a destructive infiltrator. if he was all that and I was instrumental in helping derail his activities I can only expect this to come back on me in some way. maybe they might try to make me miserable with some weird technology or have creeps follow me around and try and intimidate me.

Yes, I agree. The ones who are not evil, follow because they think they are protecting them out of fear. One night, I was camping on the beach we have here, that you can four-wheel drive out. There were some marines close to us. They talked to me about it. One marine, yelled at me for discussing it...There were two who believed it, but weren't sure who was doing it. I was happy that they were honest with me. The natural leader seemed genuinely concerned. They did have a beer buzz going on, we all did. It is hard to find people who will even talk about it. You probably understand that, and we are so violently mistreated. That was a wierd event. I feel like

I made personal progress on that night. I did go to Washington DC for the rally when they had people go in and try to talk to reps. The Washington Post covered it. I went the year before also. I do care, I just feel like I do not have the energy to fight, I am too busy living my life to the fullest despite being a TI. Plus I am really scared of their black-ops also. You know...??Hell I was friends with Chuck in AZ who found out about it while working for the FBI. Poor guy. Anyway. That is why I am not as vigilant in the good fight. I totally respect what you are doing. Also, the efforts I took, are part of the problem of making us look even crazier honestly. And though honorable, I did not know how to approach the problem. Always alone against a force as dark as the Nazi's.

Hello Kevin,

I checked out some of your videos. I like the way you document. I remember seeing some before you added me on facebook. I'm not as active online. A lot of these websites are hard to trust. I heard facebook is just giving out information without proper protocol. I try to keep it limited. Speaking of which, yesterday I called an organization claiming to help with torture. In fact

human rights watch, aclu, etc....all my experiences with these so called torture aid organizations are a bit irritating to say the least. Have you ever heard of the National Religious Campaign for Torture? As far as targeting, what's happening to you?

Yes, though I know how people can be.....have you ever seen that video (I can't seem to find it) of a TI in Florida who catches perps, on a surv camcord attached to his house, going into his house right after he drives off. What do people who aren't TIs say when they see your videos?

[rhelms73](#) has sent you a message:

Perps and Their Technology

Department of Homeland Security is in possession and control of a Top Secret all encompassing surveillance system and has been recruited to reform the criminal justice system. YOUR CONSTITUTIONAL, CIVIL AND HUMAN RIGHTS CAN BE VIOLATED! You can be charged, tried, convicted and sentenced in a secret government court without one word ever being spoken to you. The problem is that there is an ABOVE TOP SECRET ELITE targeting people for various reasons and injecting fraudulent video and audio into Homeland Securities surveillance and then using them as pawns to victimize innocent people. The ABOVE TOP SECRET ELITE control policy within the intelligence community. This Court allows fraudulent video and audio, hearsay, cherry picked information, cherry picked one way psychoanalysis of surveillance footage and manufactured evidence. Much like the fraudulent evidence the Bush administration gave us when they lied to send us to war in Iraq. Among the sentences passed down are, but not limited to, theft of personal property, campaigns of oppression, defamation of character, relentless campaigns of bullying, poisoning using photoelectric reactive chemicals like polonium, radium and other chemicals to impair your endocrine system, and other covert torturous punishments. You will have no legal recourse or redress to prove your innocence or to stop the torture being inflicted upon you!

This all encompassing surveillance system uses: All cell phones, monitors, televisions, digital cameras and anything with a screen that have been manufactured for the last 15 years has built in surveillance using the photoelectric effect and the same principle as a touch screen (the only way to disable them is to remove the battery or unplug them). All smoke detectors have built in surveillance capability since they use the photoelectric effect. All incandescent light bulbs are designed with built in surveillance using the photoelectric effect - the light bulb does not have to be on for it to work. Your AC wiring in your house can be used - using electromagnetic fields. Look for minor wiring changes throughout the house. Cable tv, telephone and any wiring entering your house can be used by wrapping them with an electrically charged copper strap before they enter your house using electromagnetic fields and a process called electromagnetic induction. Mirrors can be used by using AC electromagnetic fields and the photo electric effect. Almost all vehicles produced today have surveillance technology built into them. Using the same principles of electromagnetic fields and the photoelectric effect. The most common forms are your dash lights, your dome lights and anything with a screen on it in your vehicle. ALL SIGNALS IN YOUR HOUSE ARE SENT THROUGH YOUR AC WIRING, YOUR CABLE OR TELEPHONE WIRES.

IF YOU SUSPECT SOMEONE HAS BEEN IN YOUR HOUSE WHEN YOUR NOT HOME OR YOUR VEHICLE - IT'S MORE THAN LIKELY HOMELAND SECURITY. BEWARE YOUR CONSTITUTIONAL AND CIVIL RIGHTS WILL BE VIOLATED AND YOU WILL HAVE NO RECOURSE OR REDRESS TO STOP WHAT'S BEING DONE TO YOU. REMEMBER THEY STILL HAVE NOT RESTORED HABEAS CORPUS FOR AMERICAN CITIZENS. THE ABOVE TOP SECRET ELITE CAN GET AWAY WITH LYING TO RUIN YOUR LIFE FOR WHATEVER REASON THEY WANT. ESPECIALLY WHEN YOUR ADVOCATE FOR THE TRUTH OR CONSTITUTIONAL RIGHTS

TO ALL YOU TRUTHERS OUT THERE: IF YOU ARE A VIDEO MAKER **SEND COPIES OF YOUR VIDEOS TO CONGRESS**, ALMOST ALL OF THEM HAVE A YOU TUBE LINK ON THEIR WEB SITE NOW. WE ARE THE NEW MEDIA AND PRESS NOW, THE CIA HAS DESTROYED OUR MEDIA SO WE MUST REPORT THE CRIMES TAKING PLACE IN THIS WORLD BY THIS CRIMINAL OUT OF CONTROL NWO, SHADOW GOVT, ILLUMINATI WHATEVER YOU WANT TO CALL IT. WE ALL KNOW CONGRESS IS CORRUPT OTHERWISE THEY WOULD REIN IN CRIMINAL AGENCIES LIKE THE CIA AND RESTORE OUR CONSTITUTION, BUT WE HAVE TO KEEP TRYING SEND THEM COPIES OF YOUR VIDEOS!!

The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing. —Albert Einstein

"The CIA owns everyone of any significance in the major media. We'll know our disinformation program is complete when everything the American public believes is false".

– William Casey, Director CIA (Quote from internal staff meeting notes in 1981)
