

# Deposit Contract

All puppies require a \$500 deposit. Deposits may be made in the following forms of legal tender including personal check, cash or via credit card through Venmo.

Deposits are applied towards the purchase price of your puppy. Deposits are non-refundable, with the following exceptions:

- Your pup is found to be unhealthy or dies prior to your purchase. (We hope this never happens)
- The litter doesn't produce the color/gender you specified on your puppy questionnaire, in which case your deposit can be transferred to a different litter.

If you change your mind about the puppy, find a different puppy, find out you cannot have a dog, or for any other reason your circumstances change and you decide you do not want or cannot keep your puppy the deposit will NOT be refunded.

If you decide you cannot afford one of our pups after your deposit or if you find a pup cheaper you will not receive your deposit back. Any forfeited deposit may be applied to a future puppy up to 12 months from the date of deposit. After 12 months the deposit is completely forfeited. Rollover deposits can be applied to a puppy of your choice, behind already placed deposits. However, we will not bump an already reserved puppy.

A puppy is considered reserved upon receipt of this signed agreement and the required deposit.

All shipping costs are the responsibility of the buyer. Depending on weather, age of puppy and airline used, prices range from \$300 to \$400. This includes the crate and the health certificate necessary for the airline. The normal shipping charges for a French Bulldog puppy to be \$350-\$400 all inclusive.

Balance in full is due at 7 weeks of age for all puppies being shipped so that we have time to make flight arrangements. This requires a trip to the vet for the health certificate, finding a crate, and flight arrangements. We try to accommodate everyone's shipping needs however we rely on the airline and their schedule. Full payment is required in certified funds. These methods include US postal money orders or bank transfer.

If you are picking your puppy up in person we only accept cash, due at 8 weeks. Please understand we will not accept a personal check or money order at that time no exceptions.

Please email back your signed copy of this contract along with your deposit (if not already paid). This document ensures your deposit will be credited to the correct puppy.
