

## Player Sponsorship 2024

The Urbana Girls Summer Softball program is a program designed to teach girls ages 7-16 the fundamentals and discipline of fast pitch softball. The Urbana Girls Summer softball program relies on fundraising activities to assist in covering our budget and to keep registration fees cost low. By being a part of our player sponsorship program the Urbana Girls Summer Softball Program will take great pride in doing one or all of the following: displaying your logo on our website, recognizing your business on our social media platforms, or by displaying a high quality full color mesh banner of your business at our home field. With the help of your sponsorship, we will be able to make significant improvements to our softball field, concession stand, as well as be able to purchase new equipment, uniforms and cover insurance costs for our girls while also providing a small portion of your proceeds to the player you are Sponsoring to help lower their registration fees.
