Somewhere along the way you formed a picture of

What a husband does?

How he speaks to his wife. How he treats her. How he shows up in his home.

His attitude, character, sense of humor, how much time he invests in his marriage – or not.

Maybe you were influenced by some of these…

Most likely – Family of origin
Your DAD, or grandfather, stepdad, uncle… maybe a close friends DAD.

- What is a godly husband? What is his unique role in the marriage?

- Does God have expectations of a husband that he doesn't have of a wife? Or, is it a pure a partnership.

- What will he hold me accountable for? (Is there a job description?)

- Is this universal of all husbands, or does it depend on the specifics of each individual relationship based on their personality, preferences or gift mix?

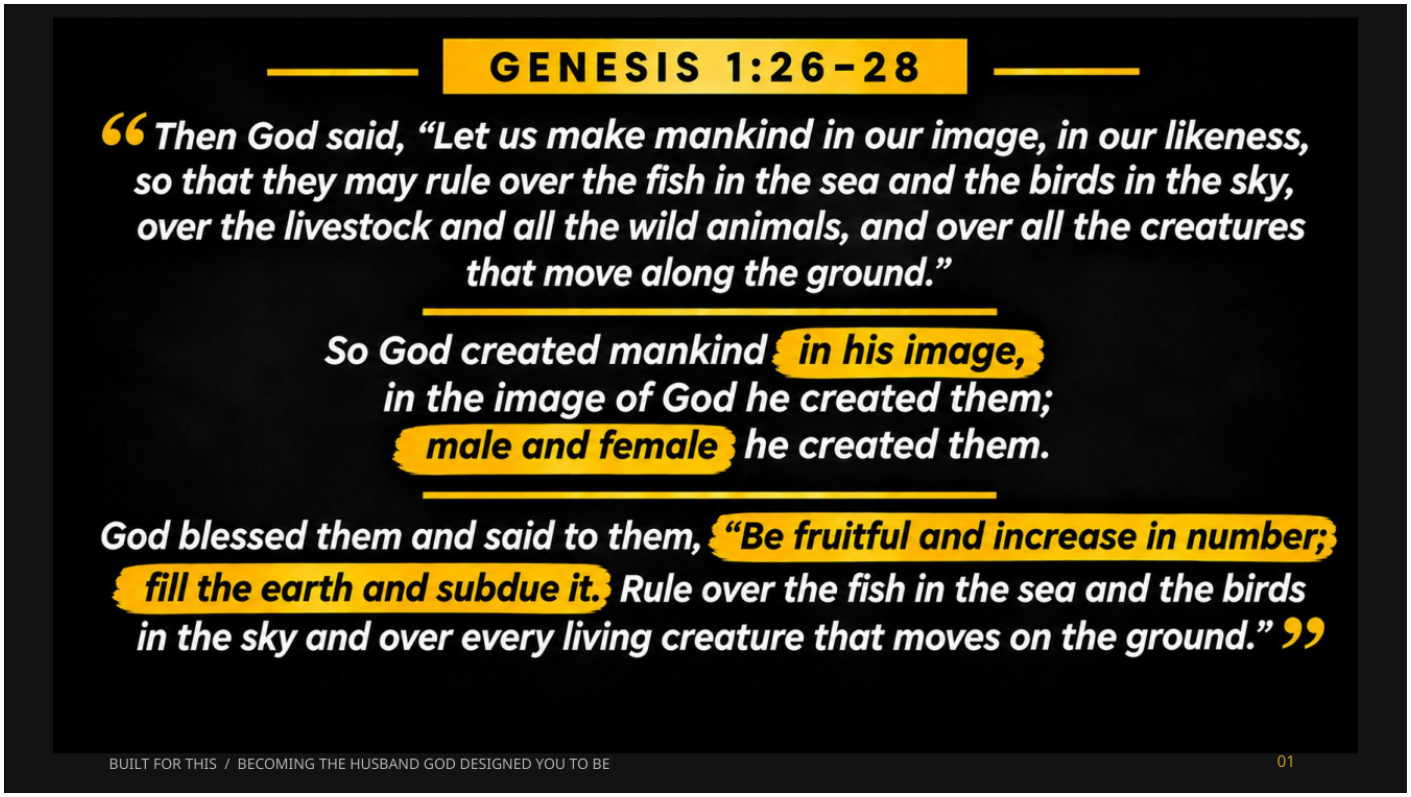

SPEAKER NOTES | SLIDE 10

- Not the husband your WIFE wants you to be,
- Your PARENTS or IN-LAWS think you should be
- FRIENDS think you should be
- or what CULTURE says you ought to be.

The be the husband GOD designed you to be.

Tonight we're talking about 2 things:
- WHO WE ARE
- WHAT WE DO

PRAYER TIME:::::: His Design – His support!

“The husband is the head of the wife as Christ is the head of the Church…” (stated as fact, not directive)

Head – “Kephale”(Greek) Literal body part… Source... First... Chronoligical order

Not authoritative, power or “chain of command” language, boss, chief, final say, decision rights.

It is given in comparison to Christ as head of the church.
If we want to understand husband as “head,” then we must understand Christ as “head of the Church’. So, how is Christ the head of the Church?

NEXT UP - Hubands (and men) gravitate towards two opposite extremes when it comes to relating to others.

SPEAKER NOTES | SLIDE 18

The flesh tends toward two opposite extremes:
- control (“Everyone needs to do what I say”)
- passivity (“Someone else will deal with it”)

The Holy Spirit produces something different: Christlike responsibility.

- Bring BEST self! Think of her first. Consider her. (Phil 2:3-4) 3 Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, 4 not looking to your own interests but each of you to the interests of the others. ---Ex; taking time off for my WIFE, not just kids...---

- Ideas: know her love language, keep a list of things she enjoys, make time, pay attention & learn her longings and needs. PHD in your WIFE

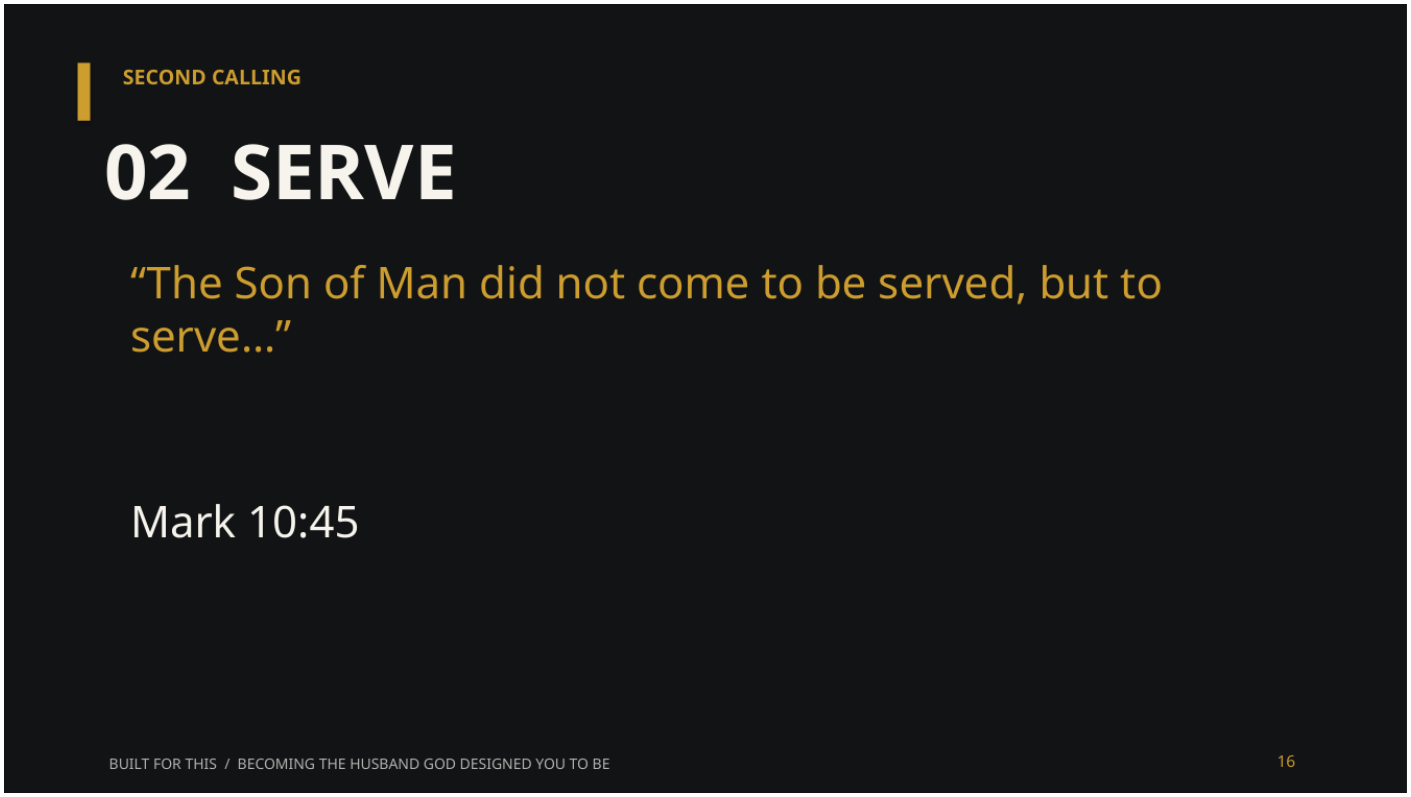

- Needs & Wants: (Eph 5:29 - like your own body) ---changing seasons, stay @home mom - back to work". aging parents.

- Treat her as precious / wildly valuable -Ex; GUITAR-
(pay attention, Invest time and energy) Song of Solomon "My Treasure"

ENVIRONMENT!

Talk through my own emotional regulation journey…

Contribute financially – Work! We are meant to work (tend and protect) This is why it's so easy to put our identity in our work…

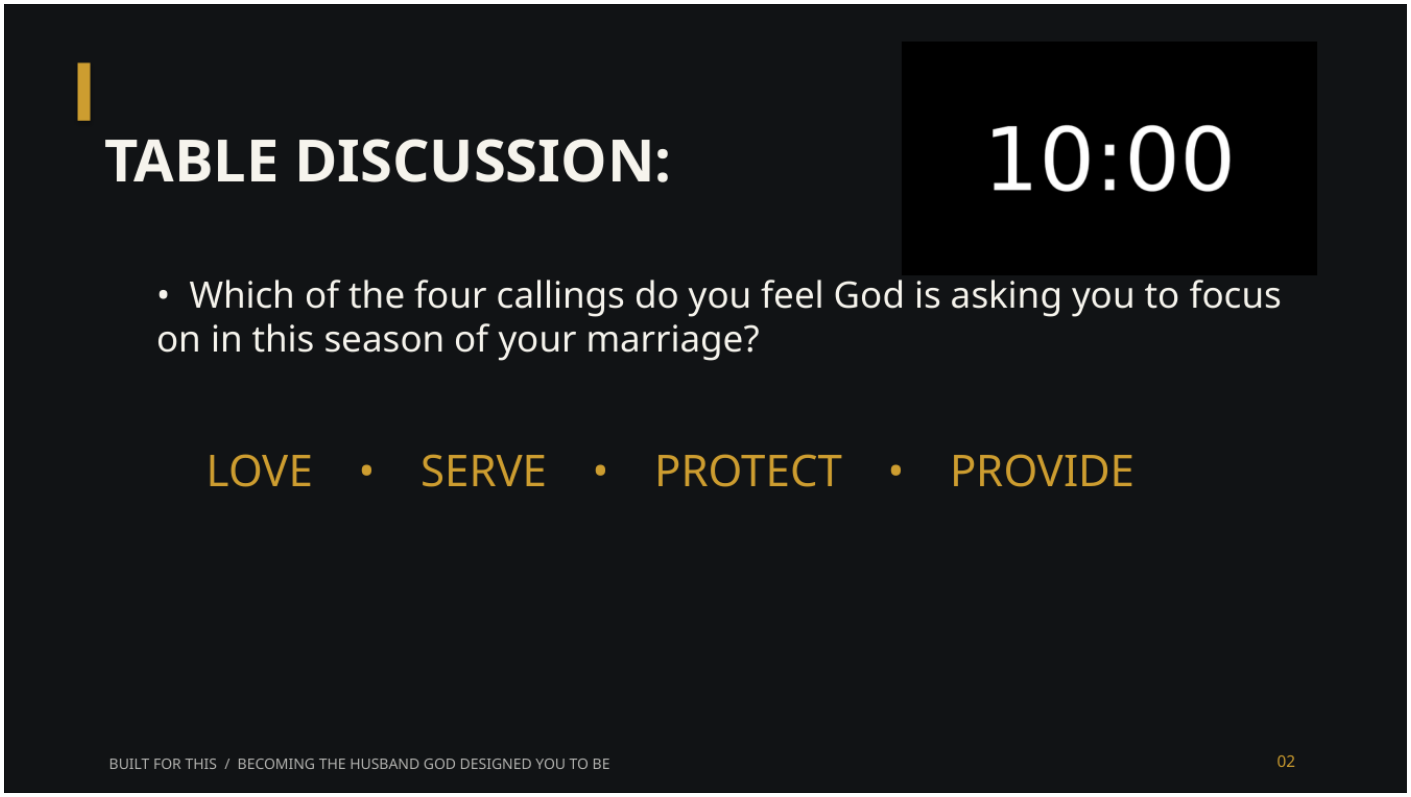

Fiscal responsibility – not making crazy decisions. Risky…. (handling college loans)

Present and responsive - save energy and capacity FOR your wife. Letting her know you are there for her. Communicate well. During the day… on trips…
