INFORMATION CIRCULAR

(containing information as at November 10, 2021, unless otherwise noted)

SOLICITATION OF PROXIES

This Information Circular ("Circular") is furnished in connection with the solicitation of proxies by the management of RSI INTERNATIONAL SYSTEMS INC. (the "Company") for use at the annual general meeting (the "Meeting") of shareholders ("Shareholders") of the Company to be held on December 15, 2021, at the place and time and for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the directors, officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the "Proxy") are directors and/or officers of the Company, or other nominees selected by management. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the Proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the Proxy and insert the name of the Shareholder's nominee in the blank space provided, or complete another proper instrument of proxy.** A proxy will not be valid unless it is duly completed, signed and deposited with the Company's registrar and transfer agent, Computershare Investor Services Inc. ("**Computershare**") by hand or mail at 100 University Avenue, 8th floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer, and deposited by hand or mail with Computershare at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxy holder will do so in accordance with such direction. **In the absence of any instruction in a proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.**

The Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, management of the Company is not aware of any such amendments, variations or other matters to be presented for action at the Meeting. However, if any other matters which are now not known to management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, shares held by shareholders who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own ("**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are ("**NOBOs**" for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. NOBOs can expect to receive a scannable Voting Instruction Form ("**VIF**") from Broadridge. These VIFs are to be completed and returned to Broadridge. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the shares of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a proxyholder.

All references to shareholders in this Circular and the accompanying form of proxy are to registered shareholders unless specifically stated otherwise.

NOTICE AND ACCESS

The Company is not sending the Meeting Materials to registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations* ("NI 51-102").

Compensation Discussion and Analysis

NEO Compensation Discussion and Analysis

The objective of the Company's compensation strategy is to provide adequate levels of base compensation for its NEO's as well as discretionary bonuses to act as incentive mechanisms for achieving corporate goals and objectives. Each NEO receives a base salary in recognition of the position's day-to-day duties and responsibilities, which constitutes the largest share of the NEO's compensation package. The Compensation Committee reviews each NEO's base salary on an annual basis, and may also consider an NEO's qualifications, experience, length of service and past contributions in determining an NEO's base salary. The Compensation Committee may also set, throughout the year, discretionary bonuses to serve as incentive mechanisms for the meeting of particular corporate goals and objectives, or for the Company's financial performance. NEO's are also eligible to participate in the Company's Stock Option Plan (the "**Option Plan**") and receive grants of stock options thereunder.

In setting compensation and bonus levels, the Compensation Committee has not yet established any formal objectives or criteria as the Company's current stage of development and financial resources requires flexibility in determining remuneration for its NEO's. The Compensation Committee will, as circumstances require, review and consider the general risks associated with the Company's compensation strategies in terms of compensation paid or proposed to be paid to its NEO's. The Compensation Committee has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation strategies. Risk management is a consideration of the Compensation Committee when implementing its compensation

strategies and at the current time, the Compensation Committee does not believe that the Company's compensation strategies result in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on the Company.

Option-Based Awards

The Option Plan is used to attract, retain and incentivize qualified and experienced personnel. The Option Plan is an important part of the Company's long-term incentive strategy for its NEO's, as well as for its other directors, officers, other management, employees and consultants (collectively, "**eligible persons**"), permitting them to participate in any appreciation of the market value of the Company's common shares over a stated period of time. The Option Plan is designed to foster a proprietary interest in stock ownership and increases in shareholder value, and to reinforce a commitment to the Company's long-term growth, performance and success. The Board reviews the grant of stock options to NEO's from time to time, based on various factors such as the NEO's level of responsibility and role and importance in the Company achieving its corporate goals, objectives and prospects. Previous grants of options are taken into account when considering new grants of stock options to NEO's. The Company has no equity compensation plans other than the Option Plan.

Stock Option Plan

The Company has an amended stock option plan dated for reference July 2016 (the "**Option Plan**"). The Option Plan is a fixed number of common shares equal to 20% of the then issued and outstanding common shares for issuance pursuant to options granted under the Amended Option Plan.

The purpose of the AOption Plan is to offer to the Company's directors, officers, employees and consultants (and those of its affiliates) the opportunity to acquire a proprietary interest in the Company, thereby providing an incentive to such persons to promote the best interests of the Company, and to provide the Company with the ability to attract qualified persons as directors, officers and employees.

The Option Plan is administered by the Company's directors. The material terms of the Option Plan are as follows:

- (a) the Option Plan will reserve a fixed number of common shares, equal to 6,393,425 common shares, for issuance pursuant to options granted under the Option Plan (less any common shares currently reserved for outstanding stock options under the current Option Plan);
- (b) the number of common shares reserved for issue to any one person in any 12 month period under the Amended Option Plan may not exceed 5% of the outstanding common shares at the time of grant without Disinterested Shareholder Approval (as defined in Policy 4.4 of the Exchange);
- (c) the number of common shares reserved for issue to any Consultant (as defined by the Exchange) in any 12 month period under the Option Plan may not exceed 2% of the outstanding common shares at the time of grant;
- (d) the aggregate number of common shares reserved for issue to all Employees (as defined by the Exchange) conducting Investor Relations Activities (as defined by the Exchange) in any 12 month period under the Option Plan may not exceed 2% of the outstanding common shares at the time of grant;
- (e) the aggregate number of common shares reserved for issue to Insiders (as defined by the Exchange) in any 12 month period under the Option Plan may not exceed 10% of the outstanding common shares at the time of grant without Disinterested Shareholder Approval;
- (f) the number of common shares issued to any one person within a 12 month period on the exercise of stock options may not exceed 5% of the outstanding common shares at the time of exercise without Disinterested Shareholder Approval;
- (g) the exercise price per common share for a stock option may not be less than the Discounted Market Price (as calculated pursuant to the policies of the Exchange);
- (h) stock options may have a term not exceeding ten years;
- (i) stock options are non-assignable and non-transferable;

- (j) generally, stock options will cease to be exercisable 30 days after the optionee ceases to be a director, officer, employee or consultant of the Company otherwise than by death, subject to the Board's discretion to extend such period to not more than one year, or such longer period as may otherwise be approved by the Exchange;
- (k) the Option Plan contains provisions for adjustment in the number of common shares or other property issuable on exercise of stock options, and the exercise price of stock options, in the event of a share consolidation, split, reclassification or other capital reorganization, or an amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the common shares or the Company's capitalization; and
- (l) in connection with the exercise of an option, as a condition to such exercise, the Company shall require the optionee to pay to the Company an amount as necessary so as to ensure that the Company is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such option.

Employment, Consulting and Management Agreements or Arrangements

The Company has entered into a verbal service agreement with Adamant to engage Adam Ho (the “**Executive**”) for his services as Chief Executive Officer effective February 13, 2019 for no fixed term. As compensation for the services to be provided, the Executive will receive a monthly salary of \$3,000 (the “**Monthly Compensation**”).

The Company has executed a service agreement with Samina to engage Sam Wong (the “**CFO Executive**”) for his services as Chief Financial Officer effective February 13, 2019 for no fixed term. As compensation for the services to be provided, the CFO Executive will receive a monthly salary of \$3,000 (the “**CFO Monthly Compensation**”).

There are no provisions in any contract, agreement, plan or arrangement that provides for payments to an NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change of control in the Company or a change in the NEO's responsibilities, except as disclosed above.

Oversight and Description of Director and Named Executive Officer Compensation

The Board of Directors in 2020 consisted of David Keys, Anthony Balic and Adam Ho, all of whom are considered independent directors except for Adam Ho. One of the primary functions of the Board of Directors is to monitor and make approve the total compensation paid by the Company to its directors and executive officers.

The directors received no cash compensation for acting in their capacity as directors of the Company during the most recently completed financial year.

Except for the grant to directors of stock options, there were no arrangements under which directors were compensated by the Company during the most recently completed financial year for their services in their capacity as directors.

The Board of Directors reviews annually and approves the total compensation (including direct salary and annual bonus as well as long term stock-related incentive plans) paid to each executive officer of the Company and paid to members of the Board as directors after taking into account any director compensation guidelines established by the Board. In accordance with TSX-V policies, any compensation paid to a director or executive officer of the Company must be approved by the independent members of the Board of Directors.

The Board of Directors is responsible for reviewing and considering corporate goals and objectives relevant to compensation for all executive officers, evaluating the performance of each executive officer in light of those corporate goals and objectives, and determining the level of compensation for the executive officers based on this evaluation.

The Board of Directors administers the Company's stock option plan (the “**Plan**”) and makes decisions regarding option grants, including option terms and amendments, under the Plan, provided that, under the terms of the Plan, options for directors must be granted and approved by the Board of Directors.

There is no policy or target regarding cash and non-cash elements of the Company's compensation program. The directors are of the view that all elements should be considered rather than any single element. The Company does not currently provide the executive officers with personal benefits nor does the Company provide any additional compensation.

As an executive officer’s level of responsibility increases, a greater percentage of total compensation is based on performance (as opposed to base salary and standard employee benefits) as the mix of total compensation shifts towards a greater emphasis on bonus and stock options, thereby increasing the mutual interest between executive officers and shareholders. The level of base salary for each employee within a specified range is determined by past performance, as well as by the level of responsibility and the importance of the position to the Company.

With respect to long-term incentives, each year an executive may be awarded stock options. The amount of the long-term incentive is reviewed by the Board of Directors based on the philosophy, objectives and criteria outlined above, taking into account previous stock option grants.

For the 2020 financial year, the Company’s executive compensation consisted of a base salary. Salary compensation to the Named Executive Officers during the 2020 financial year and prior were provided for under informal consulting arrangements with the Named Executive Officers or their management companies. See “Employment, Consulting and Management Agreements or Arrangements” for a description of the 2020 employment arrangements for Messrs. Ho, and Wong.

The Company does not presently anticipate making any significant changes to its compensation policies and practices in respect of its financial year ending December 31, 2020.

Pension Disclosure

The Company does not provide a pension to any director or NEO.

Use of Financial Instruments

However, management is not aware of any NEO or director having purchased such an instrument.

Compensation Governance

The Company has established a Compensation Committee comprised of David Keys and Anthony Balic. Mr. Keys and Mr. Balic are considered independent. Mr. Keys has been an operations and financial consultant since April 2004 and was interim CEO for SkyWire Media, Inc. from December 2015 to August 2017. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Company. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will monitor the independence and performance of the Company's independent auditors.

SCHEDULE "B"

Form 58-101F2

CORPORATE GOVERNANCE DISCLOSURE (VENTURE ISSUERS) (Containing information as at December 31, 2020)

Item 1: Board of Directors

The Board facilitates its exercise of independent supervision over management through:

- (a) **Strategic Planning.** The Company's strategic business plan, including capital budgeting, is prepared by the President and Chief Executive Officer of the Company. The plan is then reviewed and discussed by the Board.
- (b) **Periodic review.** The Board meets at scheduled times and on an as needed basis with senior management to discuss the implementation of the Company's strategic plan and any issues in respect thereof, to discuss any material variances from the capital budget, and to give guidance to senior management and otherwise revise the strategic plan and capital budget as required.
- (c) **Audit Committee.** The Audit Committee is, to the extent practicable, made up of a majority of financially literate and independent directors, and has direct communication with internal personnel responsible for financial statement preparation and meets independently with the Company's external auditors as required. The Audit Committee's responsibilities include reviewing financial statements and the integrity of the Company's internal controls and management information systems. The Audit Committee meets with the Board annually and on an as needed basis to discuss these matters. Members of the Board are encouraged to bring any matter of concern in respect to the foregoing matters to the Audit Committee.
- (d) **Corporate Governance.** The Board as a whole is responsible for establishing and developing corporate governance practices appropriate for the Company.
- (e) **Approvals.** In addition to those matters which must, by law, be approved by the Board, approval for any transaction which is outside the ordinary course of business, with a non-arms length party or could be considered to be material to the Company must be approved by the Board.
- (f) **Independent members.** Meetings of the Board, independent of management, are encouraged as circumstances require.

The Board is currently comprised of three directors, being David Keys, Anthony Balic and Adam Ho. Mr. Keys and Mr. Balic are considered independent. Mr. Ho is not considered independent as he acts as the Company's CEO.

For purposes of the foregoing discussion, "independence" is defined as a member who has no direct or indirect relationship which could, in the view of the issuer's board of directors, reasonably interfere with the exercise of the member's independent judgment, and expressly includes but is not limited to an individual who has a relationship with the issuer pursuant to which the individual may accept, directly or indirectly, any consulting, advisory or other compensatory fee from the issuer or any subsidiary entity of the issuer other than as remuneration for acting in his or her capacity as a member or as a part-time chair or vice-chair of the board of directors or any board committee.

Item 2: Directorships

David Keys is not presently a director of any other reporting issuer (or equivalent) in a Canadian or foreign jurisdiction.

Anthony Balic is a director of Lions Bay Capital Inc. and Fidelity Mineral Corp. Both companies are listed on the TSXV.

Adam Ho is a director of Zincore Metals Inc., which is listed on the NEX.

Item 3: Orientation and Continuing Education

The Board does not currently have formal procedures or a program for the orientation of new board members, as no new board members are presently contemplated, or for the continuing education of board members. Inquiries are handled by the Board on a case by case basis with outside consultation, if required.

Item 4: Ethical Business Conduct

Board members are expected to maintain the highest standards of integrity and to lead by example. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

The Company allows any member of the Board to engage an outside advisor at the expense of the Company in appropriate circumstances. The engagement of an outside advisor is subject to the approval by the Board as a whole.

Item 5: Nomination of Directors
