

LARRY

ZOE

Mom says she's starting your show in five minutes with or without you.

LARRY

Well, tell her I'm busy.

ZOE

With what?

EVAN

Your dad had a good idea for the orchard. To do an auction.

LARRY

Evan's helping me go through my collection here.

ZOE

Dad, are you torturing him?

LARRY

What?

ZOE

Evan, is he torturing you?

EVAN

No. What?

ZOE

You can tell him he's being boring and you want to leave. He won't be upset.

LARRY

He can leave whenever he wants.

EVAN

I don't want to leave.

ZOE

Evan, do you want to leave?

LARRY

If you want to leave...

EVAN

I don't want to leave

ZOE

Ok. Well. Don't say I didn't warn you...

LARRY

Women. Right?
