

CONNOR

JARED

Hey, Connor. Loving the back-to-school look. Giving off some real future serial killer vibes.
CONNOR casts a withering glance at him, scary. Long silence, in which he says nothing.

I was kidding. It was a joke.

CONNOR

Yeah, no, it was funny. I'm laughing. Can't you tell? Am I not laughing hard enough for you?

JARED

(laughs nervously, bravado gone) You're such a freak.
JARED leaves. CONNOR turns to EVAN. EVAN laughs, uncomfortable.

CONNOR

What the fuck are you laughing at?

EVAN

What?

CONNOR

Stop fucking laughing at me.

EVAN

I'm not.

CONNOR

You think I'm a freak?

EVAN

No. I don't-

CONNOR

I'm not the freak.

EVAN

But I wasn't-

CONNOR

You're the fucking freak.
