

Does measuring a person's value based on their productivity or independence violate their human dignity?

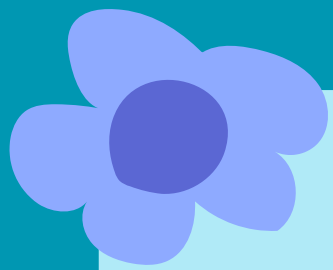

Do you have to  
be willing to  
give an organ  
to receive one?

Is it ethical to use animals in medical research if it could save human lives?

Do humans have a right to digital privacy or does the need for innovation justify the lack thereof?

Is there ever a just  
crime? How about  
Murder? How about  
War?
