## LBSRA PRESIDENTS NOTES

New information in the works for all the referees belonging to LBSRA. Larry has outlined the whole year on pages 3 & 4. Take a look at the pages and write down the dates so you can be available for the tournaments.

We start off the 2nd month of mandatory meetings required by Cal South. They require that you attend 5 meetings during the year for the following years registration. Does not have to be at one associations meeting place, it can be at any of the associations meetings but make sure you are listed so it is counted toward your 5 meetings. Toro will be talking about **PLAYING IN A DANGEROUS MANER!!!** Very important that you take advantage of this clinic. What you need to know out on the field when you are managing your games on the pitch!

If any of LBSRA referees are not aware, LBSRA has a secondary insurance to cover them on non affiliated games. This is carried at no cost to the referees. Several referees has used the insurance to help with cost when they got hurt doing games. This is a secondary insurance to your own unless you don't have insurance, then becomes primary. Listed below is the insurance information as to the company and contact information:
