Summer

OUR PROGRAM AT A GLANCE

PosAbilities Summer Programs focus is to develop fun programs for individuals with intellectual and development disabilities with five goals in mind:

1. Explore new interest and develop skills through leisure activities
2. Gain independence in daily living skills
3. Gain independence in the community and make new friends
4. Follow instructions from a variety of individuals
5. Increase skills needed to navigate community settings

AGE

PosAbilities Summer program are designed for individuals ages 2-21 with intellectual or developmental disabilities. Summer at PosAbilities provide participants with the opportunity to participate in a program designed by experts with background in ABA and special education.

We tailor our program for 3 ages groups:

Our Early learners' program is designed for children 2-5 years old. It includes activities that are tailored to early learners needs and using ABA principles to tackle early intervention skills.

The School Age Program is designed for children ages 6 to 12 years old and focuses on skills such as co-operative and interactive play, turn-taking and communication through games and fun activities.

Our teen and adult program is designed for individuals 13 and up and provide participants with a fun way to spend their summer. Each week is filled with activities that are fun and focused on goals that are important to our participants such as building communications and independent living skills.

MEALS & SNACKS

Participants must bring one snacks, a lunch, and a plastic water bottle daily - no glass bottles.

TRANSPORTATION

Parents must drop off and pickup at the assigned program locations. Transportation is provided for our teen and adults participants to and from our Leesburg site only for field trips. For some outings, parents may be required to drop off at a location.
