

Al Jasim Project & Services

"Excellent design that exudes great taste is not limited to any particular design style. Our projects run the gamut from classic to modern, contemporary city lofts to rustic mountain retreats. Commercial or residential each project is exciting uniquely tailored to the individual's needs and expectations." of our clients."

ABOUT US

Al Jasim Project & Services Interior Design is a full service interior design company located in Wadi Kabir, Muscat since 2010, specializing in the design and execution of residential and commercial projects. We have designed many projects for clients. Once someone works with us, they seem to want to do it again. Interior design with high standards - who we are Because we are a small design firm, we are very flexible and nimble. We have a creative team of artisan designers, in-house woodwork, gypsum and plaster ceiling works and interior painting that we work with as a team on a regular basis so you can be sure that your project will be completed to the highest standards. We are committed to providing inspiring designs that meet client expectations through collaboration and exceptional service. Many of our clients ask us to work on some projects where they hire us.
