

IN THE HOMESTRETCH

We talked about Minnesota winning 1st prize on Saturday. Here's the rest of last week's highlights.

Detroit got to 1 away on Wednesday for Bev Leidler.

Zona tried hard for Bobby Higgins on Wednesday with 3 runs in the ninth but fell 1 run shy of the elusive 13. Agony!!

Houston picked up the 13 for Louis Adams and he's in the crowded room of players waiting to win a prize.

And Milwaukee put Stu Silverstein into the BIG room on Sunday. The more the merrier. And hopefully the quicker this comes to conclusion. We didn't make it this far the last two seasons.

A whopping 10 teams are neck and neck. We go to the whip - this race is *in the homestretch!*

Talk REAL soon.
