Thank you!

Our Disaster Relief and individual team members would like to express their deepest appreciation for your delicious, mouth watering, scrumptious, fantastic desserts!!! It was a real treat to come in at the end of the day to find a table spread with all kinds of wonderful treats. It would remind you of going to grandma's house for the holidays knowing that all your favorite foods would be there! Please know that your caring hearts, plus your willing and giving hand demonstrated His great love within. With gratitude for your support and kindness—the Disaster Relief Team

Our churches reported a total of 135 baptisms this year. This is an increase of ten baptisms over last year and fifty-six more than we had in the 2021 - 2022 church year. We want to thank everyone for their hard work to see our neighbors come to faith in Christ as their Lord and Savior.

This month our association has been helping the people of Cocke, Greene and Unicoi Counties who have been so dramatically affected by the floods caused by Hurricane Helene. Many of our church members have joined our own disaster relief team in helping with the flood recovery.

First Baptist Church of Dandridge housed and fed Southern Baptist Disaster Relief Teams from all over America. I want to express my gratitude as well as the gratitude of the residents of these communities to everyone that has helped. Your donations of water, food, hygienic and personal items have been a blessing. To date we have received over 26,000 dollars in donations. I am so proud of our churches.

Currently we have more people needing help than we have people who are able to help. If you can help, please let us know.

Finally, Anita and I want to wish everyone a very Happy Thanksgiving. May it not only be a day of good food and fellowship, but a time to stop and thank God for the great things He has done.
