TANGMERE
AIRCRAFT SALES & ACQUISITION

A close-up photograph of the cockpit area of a blue and white Tecnam P2008JC MK II aircraft. The image shows the top of the fuselage, the wing, and the large, curved canopy. The blue paint is glossy and reflects the surrounding environment, including a green field and a white fence. The white wing and fuselage sections are visible at the top and bottom of the frame. The canopy is dark, showing some reflections of the sky and ground.
