Check us out on these other places!

Welcome to Peninsula Beverage Collective!

We are a Bottle Shop, Tap Room, & Restaurant, working to revitalize downtown Port Orchard and inspire community engagement through conversation and a love of craft beverages. Born in the small community of Manchester Washington, we made the most out of our small 185 sq ft building as a bottle shop and convenience store. Our next home was larger but unfortunately our time there was short lived. After being open for a mere 6 months we were forced to close our doors and make the move to our current home at 100 & 110 Harrison Ave. Our community then rallied around us, making sure we would continue to fight for the dream we envisioned for Port Orchard. After putting on a crowdfunding campaign summer of 2019 we raised close to \$40,000! Helping us to be able to open our small side and continue to push forward on the construction of our larger, family friendly, full service restaurant! Coming Soon!

Our dream is to supply you with a craft beverage you love, delicious food on your plate, surrounded by community. Thank you for giving us an opportunity to do just that.

Cheers,
The Bevco Team
