We know the cost of living can be a barrier for many individuals. The DeDe McGuire Foundation recognizes that assistance for families is necessary in order to build the community up positively.

Through our foundation's events and giveaways such as "DeDe's Do Over" scholarship, and HBCU: "Achieve the Dream" scholarship and other programs we have successfully provided over \$300,000 in assistance to 100+ families in their times of need. At the DeDe McGuire Foundation, we are committed to doing our part by providing assistance to families who's lives may have been interrupted by unforeseen circumstances.

Through our continued efforts in the community through education, voter registration and economic assistance, we strive to make a more informed and aware individuals for our future.

We ask that you join us in a celebration of women who are changing history, making a name and paving the way for the next generations to come. Attached is our sponsorship package for this annual gathering of women, families and organizations that all have the same goals in common.
