VOLUNTEER COMMITMENT

CODE OF CONDUCT

Here do I pledge in word, deed, and thought to honour the Code of Chivalry.

I will act in HOPE by being a beacon of light and chivalry.

I will act with LOVE and KINDNESS by treating everyone with respect and honour.

I will act with FAITH and TEMPERANCE by modeling good manners and behavior.

I will act with PRUDENCE by being diligent in my tasks and responsibilities.

I will act with FORTITUDE by honouring the directions given to me by the Arizona Medieval Games leadership, honourable delegates, and esteemed members of the Court.

So swear I

Making the Games a success each year takes a village! All participants, from our beloved King to our young squires, are expected to follow the Code of Conduct.

This is not a spectator event. All volunteers are expected to participate in the work that is required to make the Medieval Games a success. Volunteers are expected to work a minimum of 8 hours per full event day and 4 hours per half day. Attendees who do not meaningfully participate in the work at hand are detrimental to morale and set a poor example for those around them. *Volunteers who fulfill the role of Camp Watch may work half the standard volunteer hours.* More information on volunteer opportunities can be found at arizonamedievalgames.org.

Please note that the following are not allowed at the event: alcohol, recreational drugs, firearms, pets, and unregistered children/siblings.

I, _____, pledge to abide by the Code of Conduct and the Volunteer Commitment.
