

## Wind at your Back Guided Adventures COVID 19 Safety Policy

Purpose: To provide a safe environment for people who choose to do adventures with Wind at your Back Guided Adventures while under the COVID 19 State of Emergency.

Authority: All rules to meet or exceed the laws and regulations set out by the governments of Canada and the province of Newfoundland and Labrador.

Procedures - Staff:

Staff will provide a medical Questionnaire noting any current baseline medical conditions.

Staff will report to 811 at the onset of new Covid 19 symptoms not established by the baseline doctors report. As of 2020-05-01 the list of symptoms includes fever or signs of fever (chills, sweats, muscle aches, and light-headedness), cough, headache, runny nose, or sore throat.

Staff will adhere to the recommendations of the 811 health professionals.

Staff will participate in regular and random testing(as required by our clients and commercial customers). The testing can include any of the following. Recording of temperatures, covid19 specific blood samples, self-reporting questionnaire.

Staff will complete a tracking sheet(while on tours) of locations visited or participate in App Based tracking.

Staff will adhere to all social distancing guidelines defined by the Government of Newfoundland and Labrador while in the service of Wind at your Back Guided Adventures.

Staff will wear appropriate personal protective equipment(PPE) while in the service of Wind at your Back Guided Adventures.

Staff will implement all sanitizing procedures of touched surfaces between customers and on going throughout duration of the trip and customer experience.

All related checklists will be completed. All sanitizers used will be from the list provided by the Federal government at the following website:

<https://www.canada.ca/en/health-canada/services/drugs-health-products/disinfectants/covid-19/hand-sanitizer.html>

Staff will be aware of and implement all safety precautions and adhere to the all stop protocols.

Staff will clearly define all safety procedures to all participants in their care.

Staff will not display discriminatory attitudes or actions to any persons.

Staff will sign an agreement stating they understand the risks and responsibilities of providing services during the COVID 19 state of emergency.
