

WHO WE ARE

HamiltonDavis Mental Health, Inc. is a certified VA Community Care Network Provider ensuring Veterans receive timely, high-quality care. We are a certified MS Department of Mental Health community mental health provider of MH/Private Provider Services, DMH/Home and Community-Based Services, Substance Use Disorders and ID/DD Waiver Services for persons suffering with mental or emotional illness, intellectual disability and developmental disabilities who may require assistance in their own homes and communities to assist in the maintenance and retention of their emotional, psychological, and social well-being. These services are responsive to the distinct needs of the client and community offered with respect for the dignity of all and delivered by qualified employees without regard to national origin, race, age, sex, disability, sexual orientation, and political or religious beliefs.

Mission: To make a difference in the lives of individuals with a mental illness and/or intellectual and developmental disability by becoming the provider of choice by exceeding the expectations of those we serve by providing exceptional, patient centered, evidence-based, mental health care.

Vision: Our goal is to transform the mental health care experience through a culture of caring, quality, safety, innovation, service and support excellence, and be recognized by employees, physicians, patients and the community as the best place to work, the best place to practice medicine; and the best place to receive mental health care. We are known as an excellent community citizen, embodying an organization of people working together to do the right thing every day to improve the mental health and well-being of those we serve.

Values: The actions of leadership, staff and physicians are guided by the following values:

When Service is Available

Help is available 24 hours a day, seven days a week to conform to clients' needs and preferences.

Where Service is Delivered

We service Hinds, Rankin, and Madison counties.

HOW WE PROVIDE ADDED VALUE

- » We are committed to providing professional, ethical, and quality service.
- » We guarantee client satisfaction and genuinely care about people.
- » We have a strong background in Person-Centered Recovery Oriented system of services with a framework of supports that are self-directed, individualized, culturally responsive, trauma informed, and that provide for community participation opportunities. Services are measurable and individualized for each individual receiving service.
- » We adapt our service delivery times to conform to our client's needs and preferences.
- » We design a service environment that is safe and conducive to positive learning and life experiences.
- » Our employees are covered by professional liability insurance, have undergone criminal record checks, and are bonded.
- » Our employees are not only qualified, but also are compassionate, dependable, and trustworthy individuals who respect privacy and maintain confidentiality.
- » Our services and plan development reflects cultural considerations of the individual and conducted by providing information in a plain language and in a manner that is accessible to the individuals and persons who have limited English proficiency.
- » We handle any issues that surface such as scheduling difficulties, illness, shift cancellations, arranging for substitute workers, and providing continuous supervision.
- » We provide each individual with activities and experiences to develop the skills they need to support a successful transition to a more integrated setting, level of service, or level of care.

HOW COSTS ARE DETERMINED

Our agency has a full fee schedule based on family size and family income, and, thus, allows any resident of these three counties (Hinds, Madison, and Rankin) to receive services at an affordable rate. We charge a variable rate based on the type of service needed, when it is provided, and where it is delivered. Costs are worked out and discussed with clients prior to commencement of service.

*We accept Medicaid, most insurance and private pay.
