COMPANY OVERVIEW

- **Safety-First Approach:** At Apollo Scaffold, safety is our top priority. We adhere to the highest industry standards and regulations to ensure a secure working environment for our clients and their workforce. Our experienced team conducts regular safety inspections and maintenance to minimize risks and enhance project success. We provide pre and on-job preparation WHS, SWMS and handover certification for each job
- **Compliance and Certifications:** We hold all necessary licenses and certifications required to provide scaffold services. Our company is fully insured for property damage and personal injury.
- **Experienced Team:** Our team consists of skilled and certified professionals with extensive experience in scaffold design, installation, and dismantling. They are well-versed in the latest industry practices and have successfully completed a wide range of projects, showcasing their expertise and commitment to excellence.
- **Project Management Expertise:** With a strong focus on project management, we ensure smooth execution from start to finish. Our team collaborates closely with clients, architects, and contractors to plan, execute, and complete projects within the agreed timelines and budget.
- **Quality Materials and Equipment:** Apollo Scaffold utilizes premium-grade At-Pac Scaffold to guarantee the durability and stability of our scaffold structures. Our commitment to quality ensures that our scaffolds meet or exceed industry standards. Not only does our scaffold give an excellent finish to the eye, it is also versatile for installing cantilevers.
- **Tailored Scaffolding Solutions:** We specialize in designing and implementing customized scaffold solutions to suit the specific requirements of each project. Whether it's a small-scale construction site or a large industrial complex, our team excels at tailoring scaffolding systems that optimize productivity and safety.

CLIENT BENEFITS

- **Increased Productivity:** Our customized scaffold solutions are designed to streamline workflow, enhance accessibility, and boost overall productivity on the construction site, ultimately saving time and resources.
- **Cost-Effectiveness:** By providing efficient scaffold designs and adherence to timelines, we help clients optimize their budgets and avoid unnecessary delays or expenditures.
- **Enhanced Safety:** With a strong emphasis on safety, our scaffold structures create a secure environment for workers, significantly reducing the risk of accidents and injuries.
- **Reliable Project Execution:** Clients can rely on our expertise and experience to deliver consistent, high-quality results, ensuring successful project completion and customer satisfaction.
- **Flexibility and Adaptability:** We adapt to changing project requirements and offer scalable solutions to accommodate various construction phases or modifications.

PAST PROJECTS

MEET OUR FOUNDER & MANAGING DIRECTOR

“Having worked in different corners of the world, from Ireland, Western Australia Mines, Canada Oil Fields, USA & New Zealand, I have had the privilege of contributing my craftsmanship to a variety of climates and landscapes. Today, I am proud to call Sydney my home, and continue to bring my knowledge and passion to elevate the construction landscape here.

As the Founder and Managing Director of Apollo Scaffold, I am humbled to bring a wealth of experience and expertise gained over the years in the scaffolding industry. The diverse challenges I've encountered

across continents have shaped Apollo Scaffold into a company that thrives on versatility, adaptability, and continuous improvement.

Beyond my passion for scaffolding, I take great pride in being a qualified Trainer & Assessor. Guiding and mentoring future scaffolders both professionally and personally is an immense responsibility that I wholeheartedly embrace. I have a strict policy of promoting from within the company to keep our core values in check. This dedication to mentorship instills confidence in our clients, knowing they are partnering with scaffolding experts who are continuously refining their craft. Emphasizing collaboration, respect, and open communication has been at the core of my leadership approach.

As I lead Apollo Scaffold, I am committed to elevating our company's value through my experiences and building trust with quality work. With a team dedicated to safety, innovation, and delivering exceptional results, Apollo Scaffold stands poised to forge lasting partnerships and leave a positive impact on every project we undertake.”

Pete Foxe
