

RYA POWERBOAT LEVEL 2

Overview

The RYA Powerboat Level 2: provides the skills and background knowledge needed by the competent powerboat driver. The course is the basis for the international certificate of competence. It aims to teach boat handling and seamanship in powerboats.

The course focuses on low speed, close quarters manoeuvres as well as man overboard recovery procedures, it also introduces driving at planing speed and collision regulations.

This course can be covered in a variety of boat types, both planing and displacement vessels. Any certificate issued will be endorsed with the type of boat in which training, and assessment took place.

Seagrass Marine run this course on our vessel Seagrass Pogsea, a fully coded 6 metre Humber Destroyer Rigid Hulled Inflatable Boat (RHIB), however we can also offer own boat tuition if you have a suitable and insured
