

Sweet Brier Rule Change – Door Color Additions

The Sweet Brier Board of Directors is pleased to announce that after a Committee of Homeowners recommended additions to the colors available for front doors in Sweet Brier, the Board has approved the Sweet Brier door colors shown below. This change is effective immediately. They are all available from the Sherwin Williams store in Madison. If you are interested in changing your door color please submit an Architectural & Landscape Modification Request form and submit it for approval through the management company.
