DNWCD is a center for independent living. We are operated and designed by individuals with disabilities that serve individuals with disabilities. Our mission is to empower, educate and advocate for individuals with disabilities while promoting independent living, inclusion and accessible pathways.

DNWCD is a 501(c)(3) non-profit community service, resource and advocacy nonprofit organization. We serve the City of Detroit and 42 other cities throughout Wayne County. We combine experience and peer support in delivering services to people with disabilities and their families. Our partnerships are with community agencies, schools and businesses to help improve the quality of life for persons with disabilities. Our services are provided onsite, in schools and various community locations.

Currently, Disability Network serves over 42,000 consumers. DNWCD is working towards creating a community within Wayne County that embraces the uniqueness of disabilities with respect and dignity while having equal access to all parts of the community in which they live.

Our Gala will help us expand our work and continue to provide resources and services to residents in Detroit and Wayne County. DNWCD continues to be the primary local provider that is respected, trusted and consulted on all matters of disability.
