Celebrating Excellence: Teranet Named a Top Employer in Greater Toronto for the 10th Consecutive Year

December 3, 2025 Corporate Culture, Life at Teranet

For the tenth year in a row, Teranet is pleased to announce that we have been named one of Greater Toronto's Top Employers. Our steadfast dedication to creating an environment where our staff members can genuinely connect, flourish, and make an impact together is reflected in this esteemed award, which is given by MediaCorp Canada Inc.

"Achieving this honour once is meaningful, but a whole decade represents something deeper. It reflects the true heart of Teranet — our strong culture and values, our passionate people, and the way we connect, grow, and thrive together. These qualities continue to position Teranet as an employer of choice and an organization that we can all take pride in being part of."

- Mel Hogg, Teranet's Chief Human Resources Officer

Our commitment to fostering an outstanding workplace is demonstrated by the Greater Toronto Top Employers award we receive each year. This award, which takes into account a number of factors, including training and skill development, community involvement, performance management, employee communications, health, financial, and family benefits, as well as vacation and compensation, is a great honor for us.
