

Information for Orange Arts Center Submissions

Our club is hosting its own Lake of the Woods Art Show at the Arts Center in Orange. This year's show is September 4–29, 2025. An email was sent to club membership on May 21, outlining the particulars for artists interested in participating. Additional information is provided below.

Artists are to draw inspiration for their pieces from the opening lyrics of “Try To Remember,” a song from the musical comedy play “The Fantastiks”:

*Try to remember the kind of September
When life was slow and oh, so mellow
Try to remember the kinds of September
When grass was green and grain was yellow....*

According to Wikipedia, the song is about nostalgia. You can use that emotion as your inspiration. Or, you can find inspiration in the feeling that Fall gives you, or in thoughts of simpler times. There is no requirement either way...just have fun!
