New Art at Fareways

September 21st marked Lake of the Woods Arts' 9th installment of artwork at Fareways Cafe. There was live music by Dave Nichols and sales of 3D artwork in the trophy room. The 2D artwork will remain at Fareways until January, 2025. Purchases can be made directly through the artist and if a piece sells, a new piece of artwork will occupy that space. Congratulations to our People's Choice award winners: Sigrid Wares - first place, Karen Weingartener - second place, and Pete Brown - third place. If you were unable to join us on the 21st, please stop by and see how talented your friends and neighbors are!

The Giving Table

What is it?

Each year the Lake of the Woods Arts Club donates proceeds made during our annual show and sale to Orange County Schools for their art programs. The money made through purchases from our Giving Table goes directly to the schools. Our members generously donate their artwork and, when you purchase an item from our Giving Table your money goes directly to the schools.

It's a win-win!

Artists - we need your donations of smaller items for our Giving Table. Please have your donations ready no later than October 31 - the sooner the better! Contact *Sigrid Wares*.
