

10 Commandments of Professional Growth for Teachers

- 1 - Focus on Growth and Improvement - Teaching
- 2 - Everyone is Valued - Helping people be better at what they do
- 3 - Focus on advancing strengths and strengthening weaknesses
- 4 - Professional Behavior as an expectation (Professional Honor Code?)
- 5 - Goal Setting
- 6 - Self Reflection
- 7 - Deep Dialogue and Narrative Feedback
- 8 - Multiple Perspectives - Observation by Multiple People
- 9 - Two (2) Year Cycle - Must be sustainable and not overwhelming
- 10 - Use and development of educational technology as an expectation
