**Public relations  
August report**

**Greetings ASC:**

It's been a fairly laid-back month. But our committee is looking for a new Spanish speaking coordinator this commitment is vital to the function of our public relations efforts. It is suggested that the trusted servant be able to read and write Spanish to effectively communicate in that community .

There has been much discussion in our committee as well as our region about public service announcements, PSA'S

Staten Island and Area public relations committee will be hosting a workshop on Saturday September 30 1 to 4pm if anyone wants to get involved please show up there will be people from as far away as Virginia and Rockland County participating in that workshop. Refreshments will be available thanks with the help of E&A.

The PR committee meets every second Tuesday at 375 Seguire Avenue in the first floor conference room.

In loving service Elwood public relations for Staten Island
