Policy Chair Report:

Greeting S.I. Area,

**We meet the 1st Monday of every month, at 6 pm, at
1055 Richmond Rd. We are in need of a Vice-Chair and
Secretary. As it stands, the steering Committee has
helped in revising and suggesting Policy changes that
will help in the area of ASC becoming more effective. 2
proposed changes are included in this report. Please
review them and return a vote at the next Area Service
Meeting. The 1st change is regarding the merging of the
Recording and the Corresponding Secretary
Commitments. This proposed change will help allow
one individual to fulfill the Areas needs and have a
single point of accountability. Taking into account that
both of these commitments has been fulfilled by one
individual for the past 2 yrs.,and the necessary
responsibilities has been met. The 2nd proposed change**

relates to the way we handle elections. The policy states, when an election is made, it goes out to the groups for a vote for 1 month. This Area propose that all elections go out to the groups for 2 months, which allows group members more time to discuss, or evaluate nominee qualifications to fulfill the commitment. This is the current Area practice.

Please consider the changes,

In loving Service, Melissa P.

Public Relations Chair report for May 2018

Greeting ASC:

I want to thank you for electing me again for PR Chair. We were quiet over the winter, however since the weather has changed, our services has increased. Walter our Vice-Chair, set up Booths at Christophers recent event, which was hosted by St. John's University. In attendance was Treatment Facilities, such as DayTop and Camelot, along with a group of local politicians and

representatives from the District Attorneys Office,
whom we continue to build relations with. We are in
need of a Spanish-Speaking Coordinator, intent to
create a more diverse Committee that is
demographically better in the area of pepresenting
Narcotics Anonymous on Staten Island. Going
forward, some of the things we would like to put on our
agenda, is to have a Professional Day, where we could
invite Professionals from Staten Island to attend a
Q&A session. We would also like to explore the
possibility of a PSA, or Billboard on Staten Island's
Expressway, or Local Train Stations and Buses. The
possibility of putting on a Fund Rasier to accomplish
this, will lookn into the cost and report back to the
Body.

Gratefully and Loving Service, Elwood K, PR-Chair.
