Policy Chair Report:

Greeting S.I. Area,

We meet the 1st Monday of every month, at 6 pm, at 1055 Richmond Rd. We are in need of a Vice-Chair and Secretary. As it stands, the steering Committee has helped in revising and suggesting Policy changes that will help in the area of ASC becoming more effective. The 2 proposed changes have been voted on, and now in affect. The 1st change regarding the merging of the Recording and the Corresponding Secretary Commitments is now in affect, new title Area Secretary . This proposed change will help allow one individual to fulfill the Areas needs and have a single point of accountability. Taking into account that both of these commitments has been fulfilled by one individual for the past 2 yrs.,and the neccessary responsibilities has been met. The 2nd proposed change relates to the way we handle elections. The policy states, will now allow all elections go out to the groups for 2 months, which allows group members more time to discuss, or evaluate nominee qualifications to fulfill the commitment. This is the current Area practice. Both of

these proposals were voted on, 7/9/18, passed and will now be modified for policy to fit our practices Responsibilities and requirements were read for Area Secretary, which Area Secretary understood.

In loving Service, Melissa P.
