RCM Report

July 2025

The next RSC meeting is on Saturday, July 12th.

- Webinar

On 12 July, NAWS will host a [webinar](#) based on the Issue Discussion Topic (IDT): Disruptive and Predatory Behavior. From the workshop material posted on the IDT page.

This topic, at its heart, is about our ability as a Fellowship to carry the message—if new members do not feel safe, they won't stay. It's also about public relations—if professionals hear negative things about NA, they will stop referring clients to us, treatment centers will go somewhere else, and addicts who need us may never find us.

Please [join us](#) for this interesting and important conversation.

Anyone looking to attend can see me after this meeting.

World Unity Day

World unity day is on September 6th 2025. There will be a 24-hour worldwide online festival. It will be a joyful collaboration with members from everywhere—including you, so please get involved!

Anyone looking to attend can see me after this meeting.

GRS Learning Day

- A GSR learning day is in the works for October or November. More details to come.

JUNE E&A Report

Good evening everyone. My name is Cleve, I'm an addict, serving as the E&A Chair. Here is our report. We had our monthly meeting on 6/24/25. We discussed providing hospitality for the successful H&I/PR learning day. Thank you Larry, Rob, and their committees for allowing us to be a part of it.

We also discussed the pasta/game night, and the free event/BBQ for this year.

The Pasta/Game night was held on 6/28/25. I'd like to thank everyone, from the committee to the volunteers and those who attended, for participation in this event. It was our first attempt and it was successful. The volunteers worked very hard & achieved the goals of unity and fun. Several attendees told us what a great time they had and asked when it was going to happen again. It was attended by people from our area, Queens, Brooklyn, and New Jersey. We learned a lot, & want to plan one again in the future. People were playing games in and outside until the end of the night. Our Spades and Domino Finalists were both Staten Island teams! Thank you again for ALL your hard work!

With regard to the money for the event, we were able to return the \$1700 we requested for the event and still made \$334.55 above that. We were able to give the area &167.27 and put the other half, \$167.27 toward our BBQ/free event. Great news!

Our annual free event will be held at Midland Beach picnic area on Saturday 9/6/25. The permit will be arriving by the end of this month, as well as insurance. Thanks to the technology committee, there will be flyers.

September is known as recovery month and the 6th is the official international or world recovery day. What a perfect day for our annual event. More information to follow. We were asked to be a part of an upcoming GSR workshop for our area this Fall and were very happy to say yes. Thank you Frankie.

Until further notice we will be having our monthly meetings virtually only and ask that the technology committee make the changes on the website please. Once we have a new place and the Summer is over, we will go back to hybrid.

On a last note, we need help. We have wonderful volunteers for the days of the event and are grateful. The kind of help we need are members. Members who will commit to planning and implementing our events. In particular, hospitality. Shopping, moving supplies, and bringing us new ideas are really needed. Please come and help this not only keep going, but grow. The 2nd half of our year is our busiest. Come join us. Thank you.

Thank you for allowing me to serve,

Forever Grateful,

Cleve R.

JUNE PI REPORT

Good evening,

Last month we had our learning day. We had a good turnout and we put on a mock presentation to help people understand what we do at the events we go to.

I received the money I requested from Our area treasurer for the event we are having this Saturday at 9am-12pm. We are going to set up a table by Tappen park where we will hand out bananas oranges water and meeting list hopefully drawing interest from the community and the patient at the methadone clinic across the street. This is the first time we are doing this so if anyone is interested in coming to help out is more than welcome to and you can give me a call.

Depending on how the event goes we will be looking to do the same thing next month but by the methadone clinic on seguin.

Last night I attended the GNYR zonal forum on zoom. There were PI chairs from different Boros in the city and it was very informative and helpful. So in the Bronx the PI chair is trying to get a basic text into every public library in the whole borough. Which I think is an awesome idea and I am going to look into doing the same at all the 13 public libraries on Staten Island.

During the meeting I volunteered to help chair the PI table that will be set up at the convention in Manhattan next month.

Another great idea I heard about is certain boros have a liaison who is directly linked to law enforcement, Dept of education, the DA office and also the community. These positions are important cause it makes the person form a strong relationship between them and the organization which helps NA get invited to more events in the community. If anyone is interested in getting involved and learning more please let me know.

We are looking to Mayb get some pens or stress balls or fidget spinners with the QR code on it to put on our table while we are at these events.

As you can see a lot of exciting things happening and i look foward to seeing you all at our next event. Do not hesitate to call me or Co-chair Ally.

In loving service
