Ad Hoc Committee

Good afternoon, ASC.

So far so good. Don H, the area Vice Chair and I went to visit the college this afternoon. We met with Dillon Clarke the dormitory manager and he will email us an expense breakdown at the end of the week. He told us that we would have it by the end of the week.

We then visited the admin building and secured the date for the convention, which would be the second weekend in June. We signed the facilities agreement. I have a copy with me. it has the expense breakdown for each meeting space as well as the total. This does not include cafeteria meals and dorm pricing

The bid for the convention has to be submitted by the 1st of may with the letter of intent. a chair,vice chair, secretary, and treasurer are to be selected and preferably be in attendance in Young Harris Georgia for bid process.

A bit of bad news the workshop which was supposed to be held on 25 April was brought to my attention that the facility would not be able to accommodate us for that date. We will work on an alternative and contact the groups within a week or two of how we're going to go ahead.

Once if or when we win the bid we will hold elections on all positions including all subcommittees and we have to hit the ground running because one year is not too much time. That would be June of 2026.

In loving service
