7. Prudent Reserve

1. The prudent reserve is defined as a wise and practical sum of money set apart for future use in case of an emergency or extenuating circumstances.

2. The prudent reserve must be reviewed annually in March at the Steering Committee Meeting. Changes will be presented to the groups for approval during the following months ASC meeting.

3. Set aside prudent reserves at two months of operating expenses. 4. Prudent reserve should be compiled by taking a 2 month average (rounded to the nearest

50) based on a yearly total of expenses (excluding E&A seed money set aside to fund an event, 7600 as of 4-26)

5. FORMULA to create prudent reserve: Total Revolving funds times 2 plus Monthly expenses divided by 12. RCM added as 375.00

- Chairpersons Message
 - From the group booklet *Rotation* is the practice many groups have of electing new people to service positions at set intervals rather than having the same person serve in the same position year after year. Rotation offers very definite benefits for the groups who practice it. By providing diversity in leadership, it helps a group stay fresh and energetic. It provides assurance that no one individual exercises so much influence that the group becomes a mere extension of his or her personality. The practice of rotation also reinforces the NA emphasis on service rather than the servant, consistent with our belief in the value of spiritual anonymity—what's important is the job being done, not the particular person doing it.
 - From the 4th concept, effective leadership is highly valued in NA Any NA member can be a leader, and every NA member has the right to serve the fellowship.
 - Effective NA leadership knows not only how to serve, but when it will serve best to step aside and allow others to take over. An entrenched bureaucracy inhibits our fellowship's growth, while a regular influx of new leadership, balanced by continuity, inspires NA growth. The effective leader also knows that, in order to maintain the distinction in service between principles and personalities, it is important to observe the practice of rotation.

Dear NA member,

This service resume will be considered personal and confidential. As such, it will be distributed only to RSC voting participants, and will be collected and destroyed at the close of the meeting, or when the seat you have been nominated for has been elected.

Before you complete this resume, the RSC would like to let you know a little more about service at the Regional level. The position for which you may be nominated will require that you make a commitment of at least one year, with the possibility that your commitment could last for two years. This means that you may be asked to make a considerable investment of your time. You may be asked to travel, and spend time away from your family, job, and home. This is especially true for members and officers of the RSO Board of Directors, and the RSC Administrative Committee. Certainly, you will have work to do at home in your spare time, such as reading or writing reports, and discussing the plans and objectives of your work with other members of your Board or Committee. In addition, you may have to make several phone calls to other trusted servants.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider all the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your employer, family, and /or sponsor. Talking with members who have served at the Regional level may also be helpful for additional insights. Service at this level has many rewards and may have a profound effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication and personal sacrifice.

ID 3 PROGRAMMING REP REPORT

October 2026

Good Evening my name is Candy, I'm an addict. This is your programming rep report. The programming committee, for the Impossible Dream 3 convention, meet virtually on 9/9/26. Myself and John S were in attendance.

The fundraising committee for the convention had their 1st speaker jam and dance on October 3rd, 2026. They asked the programming committee to choose 5 speakers for the dance. Those reps going to the event did so. The committee discussed our roles during the convention and workshops. John & I are working on choosing 5 Staten Island speakers and topics for the workshops we are responsible for. We will be coming to a decision as soon as possible. We do not take this responsibility lightly.

The committee is accepting tapes, audios, and CDS from anyone who may want to speak at the convention. A main speaker must have over 7 yrs clean. Old timers must have over 30yrs clean, All workshop speakers must have over 3yrs clean. There will be other meetings including a women's and men's rap and a twelve step meeting. We are asking that anyone who has spoken at a New York convention in the past few yrs please refrain from submitting. The committee is looking for members, not previously heard, to come and share their message. (or not as frequently heard).

Here is the information if you would like to speak, or, if you know someone that you think may want to speak at the convention. These submissions can come from all over the world and are welcome. The submission cutoff date is December 31st, 2026.

Audios can be sent to GNYRCNA@gmail.com Attention Al, programming chair. Mail CDs/tapes to Greater Regional Office (RSO), suite #1A, 154 Christopher St. NY, NY 10014, attention Al, programming chair. Thank you.

Our next meeting is tomorrow, 10/14/26, virtually at 7pm
