It doesn't matter if your contribution is food, your time, your energy, helping with setup, making a trip to the store for ice, or simply showing up when an extra set of hands is needed. EVERY CONTRIBUTION MATTERS. These events are for US. They belong to our fellowship, and they happen because WE make them happen together. We don't need just a handful of people doing everything. We need all of us to participate, support one another, and take pride in what we are building. Thank you to everyone who continues to show up, give back, and help create opportunities for fellowship and recovery. Let's keep growing, keep supporting one another, and make this coming year our best one yet! Together, we make it happen! ❤️

ECCNA CHAIR REPORT

OCTOBER 2027

Greetings Area service committee let me first begin by saying the motions made at steering last Tuesday are now being withdrawn this I took under advisement from the policy committee at the advisory board as well as the President . The soul intent was just to keep the Area informed. The host committee policy was just being revamped, and I was instructed that we operate from the current policy, which was in place at the time of Staten Islands start to ECCNA 30.

We are happy to inform the Area that the negotiations for the convention are full steam ahead we have the facility pricing. We met last week with the dorm administrator virtually and two days later received the proposal from them. We still have to contact The food vendor on campus and work out that arrangement. We left off on good terms, and the woman was willing to negotiate the pricing for the five meals required for that weekend. When we secure the for the meals we can then create weekend packages and charge accordingly.

It's been a long, tough road, but we are seeing light at the end of the tunnel. Deb. The president of the advisory board looked over all the pricing and said that it was better than she thought it would be. New York can be expensive. We hope to have all the pricing to bring back to the advisory board committee meeting on the first Monday of the month to get the OK and cut the checks.

All subcommittees are working hard and never took the foot off the gas even when we experienced the darkest moments in this journey I'm proud of these men and women and it's such a pleasure working with them.

A member who had been attending ECCNA for the past 40 years has donated half a gross of tie-dye shirts, and offered to place the pre-convention logo on those shirts free of charge.

Georgia and Pittsburgh are ready to put on fundraisers for us as well as Jersey. Our Fund raising committee reported that we will have our first fundraiser on Staten Island the second or third week in December. The Staten Island area committee were gracious enough to allow us to sell shirts at our annual gratitude dance on December 5 we thank you.

Our theme had been selected as well as the logo. "Carry the message, Pass the Torch."

The logo will be attached to this report

ID 3 PROGRAMMING REP REPORT

November 2026

Good evening my name is Candy, I'm an addict and this is your programming report. The committee met virtually @ 7pm on 10/14/26.

We decided, based on the past experience of some members, in what order we will be choosing the topics, times, and speakers for the workshops we are responsible for. The topics, 5 per area, were submitted to the vice chair. We had a second meeting on 10/28/26

All topics were submitted. There was some discussion on how each group would be able to choose the 5 workshop topics per area, as fairly as possible. We will be meeting tomorrow, 11/11/26, and decide how to best move forward. Following that, we will be working on the time grid for the workshops. Once those are in place, we will be able to ask our respective area speakers to join us for ID 3. The committee will be meeting 1 -2 times a month to get everything done on time. We will be making special time to listen to the speaker's audios as they come in. This is most important part of our committee.

In the last report I gave all the requirements to speak at workshops, special meetings, and main meetings. If you have any questions please feel free to contact me. And if you would like to be a speaker or know someone who may be interested, (from anywhere in the world), please remember the submission cutoff date is 12/31/26. Audios can be sent to GNYRCNA@GMAIL.COM ATTN Al, Programming Chair, or via mail, CDs/Tapes can be sent to The Greater Regional Office (RSO), suite #1A, 154 Christopher St, NY, NY 10014, attention AL, Programming Chair. Thank You.

In Loving Service,

Candy
