*Reports Received (attached):*

- Hospitals & Institutions (H&I) report given (attachment 1)

Q: The Technology Chair asked if he wants flyers made for anything.

A: The H&I Chair replied yes, and he'll contact her.

Step Up to the Deck made a motion to accept, Acting Literature Management Chair seconded. Accepted.

- Treasurer Report given (attachment 2)

Q: The Technology Chair asked if she can just email the Zoom receipts to her.

A: The Treasurer replied yes and she will reconcile the discrepancy with the outgoing checks to the old AND new Technology Chair.

Step Up to the Deck made a motion to accept, Clean Machine seconded. Accepted.

- Regional Committee Member (RCM) Report given (attachment 3)

No questions. Vice-Chair made a motion to accept, Clean on Catherine seconded. Accepted.

- Technology Report given (attachment 4)

Q: Step Up to the Deck asked if it's going back to the groups to vote about the Facebook & Instagram pages.

A: Technology Chair said “usually the way it works is that the subcommittees are subcommittees of the Area service and we’re entrusted by the groups however, we’re not comfortable making this decision. We’re going to create the page (not actually up and running) and put some content on it, give access to you guys to overlook it, then have a conversation at Area before we make any decisions because we want to hear from the groups. I’m not comfortable making that decision considering it’s a committee of 2, and we’re not the Area. But it will be going back to the groups”.

Q: Vice-Chair asked if we’re allowed to be on social media and stated that Technology doesn’t have the power to make that decision.

A: Technology Chair replied that we have a bulletin that’s been put out by World that many Area’s and Region’s have social media pages. We’re not looking to promote NA, but to use it as a means of communication, so if the groups decide that’s what they want to do then we can go ahead and do it.

Q: Acting Literature Management Chair asked if the NY Region has a Facebook page. Also, wants to know more about putting the wheelchair accessible icon for groups on the meeting list and the website.

A: Technology Chair answered yes about the Region Facebook page. Also, we can put this in the minutes and any groups that are wheelchair accessible can message us through the website.

A: Acting Literature Management Chair said the 2329 Victory Blvd & 2024 Richmond Ave meetings are wheelchair accessible.

Q: Not Just for Women Only asked how much is PR involved with Technology putting SIA on a social media platform.

A: Technology Chair said we haven’t gotten that far yet, it’s just in discussion because I wanted to be transparent with the Area before we do all the work.

A: Not Just for Women Only said it’s not that he thinks we’re violating any traditions, but that’s what we have the PR subcommittee for - so we can protect our fellowship as a whole.

A: Acting PR Chair said PR will investigate with World about social media platforms.

Vice-Chair made a motion to accept, Clean on Catherine seconded. Accepted.

- Literature Management Report given (attachment 5)

No questions. Clean on Catherine made a motion to accept, Vice-Chair seconded. Accepted.

### *Reports Not Received:*

- Events & Activities (E&A) Report given

A: The Chairperson added that the seed money from the Spiritual Breakfast was replaced.

Q: Step Up to the Deck asked when the next event is.

A: The E&A Chair said that there’s a Pasta/Game Night planned tentatively (date TBD once the committee meets to figure out the details). The picnic is tentatively planned for September 17 pending the permits.

Clean on Catherine made a motion to accept, Clean Machine seconded. Accepted.

- Policy Report given

A: The Chairperson added that it’s been discussed in Steering that they will be working on a policy for what “acclamation” means for SIA.

## Technology Report June

The technology committee meets the 4<sup>th</sup> Tuesday of the month 7:00PM virtually

The committee has renewed the Domain name - NA-SI.org @ \$45.00 for 2 years.

The website committee has gained control over the area Zoom account \$16.00 monthly

We supply all sub-committees with access to a virtual ID meeting 1x per month ; if extra meetings are needed sub committees need to contact the technology chair to confirm there are no conflicts as we can only have 1 meeting at a time.

The committee has discussed the possibility of an area Facebook “page” ( NOT GROUP ) We feel that social media is a way to communicate more quickly in the event of meeting closures, events and generate PR. THIS IS IN A VERY EARLY STAGE- We plan on informing the area before we finalize any such page.

Pages are newsletter type of social media – Although we need to create a traditional FB account, we would only use it to create a page. We will be meeting with PR regularly to discuss our options.

We welcome input from the fellowship.

We are using the Bulletin “social media and our guiding principles”

[READ THE BULLETIN HERE](#)

We are looking into changing our web server and hosting from Go Daddy to Word Press.

Word press is cheaper and supports the BMLT which is a national NA meeting data base.

We are trying to create a website that requires little/some technology experience. This way any addict who is willing to serve on the committee can be trained.

If your group or committee needs a flyer please let us know. We can create almost anything.

If you have experience with the virtual platform, websites, technology, adobe, digital arts and would like to be of service, please come to our sub-committee meeting.

If you do not have experience and would like to learn PLEASE COME TO THE MEETING!

We will continue editing the tri fold printable list. The list will be updated and added to the website the day after the Area service meeting. It will be dated to assist groups with having the most updated meeting info.

We ask that all changes please be sent to [SIANAwebsite@gmail.com](mailto:SIANAwebsite@gmail.com) ASAP

Please include DAY OF THE WEEK , TIME , MEETING NAME , LOCATION, FORMAT and any other information your group would like us to add.

You can also message us directly from the website. Please update your meetings with NA.org as well.

We ask that you have patience with the printable meeting list updates. We will try to accommodate the best we can.

Our website has a meeting tab located at the top of the page. The drop down menu includes up to the minute updates.

And also ties in to our Staten Island Tabbed search through the GNYRNA. These lists can be updated within minutes of notification. We urge you to check the website [www.NA-SI.org](http://www.NA-SI.org) if you question any info on the printable meeting list.

VIRTUAL LIAISON POSITION - Duties: to serve as a liaison between virtual and in person service meetings. The position is to set up the in-person side of area service and steering; This may also include any events that are hybrid. Suggested 6 months clean time - an understanding of virtual /hybrid platforms.

Our website is always changing. Keep checking back.

In loving service

Technology Committee
