A: The Technology Chair mentioned that her committee has created gmail accounts for every subcommittee so the next person that takes that position can have everything on file. REGIONAL CONCERNS: Insurance, groups in our region have been questioning why virtual groups need to pay insurance. It was explained by the RSO that the regional insurance policy is by a geographical area and not by individual in person groups. Since it is the area that pays the insurance premium to region if groups in the area do not donate it actually increases the cost for all meetings.

Why should we care about insurance?

Most facilities today have insurance policies that do not extend coverage to organizations to whom they rent their facilities. Often, this is a requirement from their own insurance policies. As a result, facilities can refuse to rent or lend their available spaces, unless given specific, verifiable assurance of insurance coverage. This coverage would apply to any accidents, injuries, or damage that may occur while their facility is in use by another organization (like an NA Group or Event/Activity).

What kind of insurance assurance / policy is required? These types of policies are called "General Liability Insurance".

What is General Liability Insurance? A standard insurance policy issued to business organizations to protect them against liability claims for bodily injury (BI) and property damage (PD) arising out of premises, operations, products, and completed operations; and advertising and personal injury (PI) liability

How do Groups obtain this coverage?

Because it is very expensive to obtain this coverage on a per-Group basis, the Greater New York Region maintains this insurance policy, through its Regional Service Office, providing this coverage to all the meetings listed as GNYR meetings.

Who pays for the insurance?

Each Area identifying itself as a member of the Greater New York Region pays a monthly amount that is part of the total premium, and is based on the number of meetings that identify themselves as members of that Area. At the July Regional session, the RCMs are requested by the Region to ask their Areas to ensure that their Area's section of the online Regional meeting list is up to date so that the Region has an accurate count of the number of meetings per Area. The sum total is then given to the Insurance Agent who calculates the total yearly premium based on the number of meetings. That information is then given to the Treasurer of the Regional Service Office, who calculates each Area's portion based on the number of meetings in their Area and divides it into 10 (ten) monthly payments. The Areas must begin paying in October (our policy runs yearly from October to October).

Why do Groups need to obtain an Insurance Certificate?

Your meeting may be covered by the GNYR's Insurance Policy but the facility in which your group meets may require proof of this before they allow you to use or continue using their facility.

NAWS:

Price Increase

We wish it was not necessary, but costs of production have risen so dramatically that we believe scheduling a price increase is prudent. Effective 1 January 2023, the price of all books and bronze medallions will increase 12%.

We are not recommending increases on the materials our NA groups most frequently give away, even though our costs have increased substantially on these items as well. That means there will be no increase to the current prices of IPs, booklets, keytags, or chips. This feels the most helpful way to show that we are all in this together and to do what we can to ease the burden on groups.

For more information, please see the memo posted at www.na.org/webstore. Again, we wish this were not necessary.

60th Anniversary White Book

At last, the 60th Anniversary White Book is available for sale. This special edition collects English translations of all 85 stories in the 13 language versions that have local personal stories plus the eight stories in the English Little White Book. It's a handsome volume, and at \$15, it makes a great gift. Heck, buy yourself a present!

Click [here](#) to order, or search for item #1501 at www.na.org/webstore.

SPAD is Approved Literature

We have a new book on the way! *A Spiritual Principle a Day* was approved with consensus support at the 2022 World Service Conference. As is our typical practice, when the new book was approved, we removed the approval draft from the website. It can take around six months for production of a book after it is approved by the World Service Conference. In the meantime, we intend to begin offering a free daily email subscription as we do with *Just for Today*, soon. As approved literature, *SPAD*, can be read at a group level.

New Instagram Account for Events: To celebrate reaching more than 10,000 followers on [@narcoticsanonymous](#), we started a new Instagram account [@naglobalevents](#) dedicated exclusively to area, regional, zonal, and world events. Send flyers to naglobalevents@na.org and we will post them on Insta and our webpage www.na.org/events.

We can feature event flyers as main posts on [@naglobalevents](#), not just as stories and highlights, as we did on [@narcoticsanonymous](#). For now, we will post events on both accounts, but when [@naglobalevents](#) has more followers, we plan to just use that account for event listings. Having an account dedicated to events will free up the stories and highlights on [@narcoticsanonymous](#) for clickable items such as new inventory items, new material on the virtual meetings page, audio Basic Texts, and so on. At more than 10,000 followers, we can now include live links on stories and highlights.

Follow our main account [@narcoticsanonymous](#) for news and announcements from World Services and [@naglobalevents](#) for flyers from around the world.

New Sponsorship Medallions: We have a new sponsorship medallion available at www.na.org/webstore. Search for item #9603 or for "Sponsorship Medallion." This full-color medallion with the Group Logo fits easily inside a card envelope, and is a simple way to say thank you.
