October 11, 2022

\*7:01 PM: Opened with a moment of silence, Serenity Prayer, Service Prayer, Purpose of Area Service, 12 Traditions & 12 Concepts.

\*7:09 PM: Selection from SIA Policy (2017 Approved Version) Section II Voting, B. Area Elections

\*7:10 PM: Read September 2022 minutes.

Correction: Richie did inform Steering that he wouldn't be at Area and said it shouldn't have been on the agenda.

-Time to Live & Give said it doesn't have to be on the agenda because the policy states that elections are 2 months after the nomination regardless.

-Chairperson said the policy doesn't say what happens next if the voting doesn't happen.

-Time to Live & Give said the nominations were closed the month we were supposed to vote on it, and we couldn't take a vote. No-one else was running. The nominations opened back up again and a new one was taken.

Homebound Chair motioned to accept, Carrying the Message seconded. Accepted.

\*7:24 PM: Roll call for steering/sub-committee attendance taken.

- Technology Report given (*attachment 6*)

Discussion:

-Carrying the Message wanted to know if the Area holds on to \$1500 seed money.

-Dana said we don't hold on to seed money for an Area expense such as this (domain name, web hosting, website).

-Technology Chair replied Area holds \$2000 **seed money** for E&A, as per policy. Separately, Technology has a \$250 **revolving fund** that has only been used to buy a \$100 speaker/microphone to use for hybrid.

-Carrying the Message asked if the Area normally gives that money every couple of years.

-Technology Chair and Dana both said yes. Technology Chair said we want to have in policy for the next Technology Chair coming in exactly what they need to do and how they're going to get the money for this, whether it's from an annual function, fundraiser, 50/50 etc.

-GSR's: **Please go back to groups for ideas on this to bring to Technology meeting.** 4 years ago we got rid of Wordpress to save money. Wordpress would allow us to use the BMLT (Basic Meeting List Tool) like other area's/region's use to connect and have their meeting lists update automatically. This will streamline the process for the next Technology Chair coming in regardless of their level of Technology experience.

Carrying the Message motioned to accept, We, Not I seconded. Accepted.

- Treasurer Report given (*attachment 7*)  
Homebound Chair motioned to accept, Carrying the Message seconded. Accepted.
- Policy Ad-Hoc Report given (*attachment 8*)

\*8:33 PM: **Old Business:** (*Average of last 3 month's GSR's is 16. Quorum is 11*)

- Motion One

**Motion Maker:** Back to Basics

**Motion:** Staten Island Area Steering and Area service meetings be held hybrid (in person and virtually) for as long as the Staten Island Area have groups meeting virtually.

**Intent:** In accordance with concepts each member should be allowed to fully participate in the decision making process.

By having the service meetings hybrid all members would have that access.

**Concepts Referenced:**

**7.** All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.

**8.** Our service structure depends on the integrity and effectiveness of our communications.

**Financial Impact:** \$15.00/month, which the Area has paid the last 2 years.

**Policy Affected:** We have no policy on the issue-We have no policy on Area service or Steering meeting hybrid. This would become policy and would need 2/3 votes to pass.

Clean Times said the ad-hoc committee answered his question.

The ad-hoc committee has provided answers on this motion.

FYI::

The 2023 NY convention may be in jeopardy. The committee is having a hard time getting a commitment from the hotel. The convention committee will continue to update.

From the treasurer... A reminder that there will be a price increase coming in January so if any areas need literature please order before the new year to get the old price.

The SPAD (spiritual principle a day) is now available for sale and still available as an email every day. If anyone is interested in getting the Spiritual Principle a day book (SPAD)

passage each day in your email just go to [NA.org/subscribe](http://NA.org/subscribe) and you will receive it each morning.

One last thing which is insurance for the area.  
This year our area played 769.00

2023 as of right now our insurance will be 671.00. The treasurer stated the payments are due in November but needed a final meeting count before then.

I have been working with the E and A committee discussing a Unity through Service GSR workshop. The idea being to promote unity in our area and help all our members get a better understanding of what GSR and area service members do.

If there are any questions about the workshop or anything else you can always call me. Don 848-210-7232.

In loving service,  
Don

ADHOC Committee for Policy met 6 times since our last Area Service Meeting.

Purpose was to see if a separate Policy for Hybrid/Virtual was needed for SIASC.  
Also to help out the Policy Committee.

It was decided that it is not necessary to have a separate policy for Hybrid/Virtual.. Policy is Policy and can be followed, whether at Area/Steering in person or Virtually.

We did find that there are many contradictions, inconsistencies, and sections left out of our Area Policy. We are comparing 3 different Policies , 2013, 2017 and the current one that is being used (which, as far as we went back, cannot see in any area minutes where this policy was ever voted on at area.). It is a Google document so everyone who is involved can make suggested edits, changes. We are working with our Policy Chair on cleaning it up, combining all three and then present it to all GSR'S at an area service meeting to be voted on .

Thanks for letting me serve.
